Shades Of Noir:

Shades of Noir Joan Copjec, 1993-11-17 These essays examine film noir in the light of contemporary social and political concerns attempting to move beyond the views of the early French critics Topics range from the re emergence of noir in films such as *Bladerunner* to the relations between the sexes and the role of women *Welcome to Shades of Noir* Shades of Noir (SoN), 2018 Shades of Noir champions social justice pedagogy and develops practices which centers the voice of the marginalised in the arts culture and higher education for equality cultural capital and the acknowledgement of those who came before Pages 2 3 **Shades of Noir** Shades of Noir (SoN), 2019 Shades of Noir Shades of Noir (SoN), 2016 SoN is an independent program that supports Curriculum design Pedagogies of social justice through representations Cultural currency Accessible knowledge This publication is a summary of events run by Shades of Noir over the academic year of 2015 2016 Pages 4 5 Shades of Noir , 2019 Shades of Noir is an independent program that supports curriculum design pedagogies of social justice through representation cultural currency and accessible knowledge This is a program that creates opportunities for marginalised groups and their need for safe spaces to articulate self determination and liberate the struggles from oppressive structures both in education and society www.capitadiscovery.co.uk *Reimagining Delilah's Afterlives as Femme Fatale* Caroline Blyth, 2017-10-05 The story of Samson and Delilah in Judges 16 has been studied and retold over the centuries by biblical interpreters artists musicians filmmakers and writers Within these scholarly and cultural retellings Delilah is frequently fashioned as the quintessential femme fatale the shamelessly seductive fatal woman whose sexual treachery ultimately leads to Samson's downfall Yet these ubiquitous portrayals of Delilah as femme fatale tend to eclipse the many other viable readings of her character that lie underexplored within the ambiguity laden narrative of Judges 16 interpretations that offer alternative and more sympathetic portrayals of her biblical persona In *Reimagining Delilah's Afterlives as Femme Fatale* Caroline Blyth guides readers through an in depth exploration of Delilah's afterlives as femme fatale in both biblical interpretation and popular culture tracing the social and historical factors that may have inspired them She then considers alternative afterlives for Delilah's character using as inspiration both the Judges 16 narrative and a number of cultural texts which deconstruct traditional understandings of the femme fatale thereby inviting readers to view this iconic biblical character in new and fascinating lights **Night Passages** Elisabeth Bronfen, 2013 In the beginning was the night All light shapes language and subjective consciousness as well as the world and art depicting them emerged from this formless chaos In fantasy we seek to return to this original darkness Particularly in literature visual representations and film the night resiliently resurfaces from the margins of the knowable acting as a stage and state of mind in which exceptional perceptions discoveries and decisions play out Elisabeth Bronfen follows nocturnal spaces in which extraordinary events unfold enabling the irrational exploration of desire transformation ecstasy transgression spiritual illumination and moral choice She begins with classical myths depicting the creation of the world and moves through nocturnal scenes in

Shakespeare and Milton Gothic figurations Hegel's romantic philosophy and Freud's psychoanalysis In modern times she shows how literature and film particularly film noir transmit that piece of night the modern subject carries within From Mozart's Queen of the Night to Virginia Woolf's oscillation between day and night life and death and chaos and aesthetic form Bronfen renders something visible conceivable and tellable from the dark realms of the unknown The Femme Fatale Julie Grossman, 2020-09-18 Ostensibly the villain but also a model of female power poise and intelligence the femme fatale embodies Hollywood's contradictory attitudes toward ambitious women But how has the figure of the femme fatale evolved over time and to what extent have these changes reflected shifting cultural attitudes toward female independence and sexuality This book offers readers a concise look at over a century of femmes fatales on both the silver screen and the TV screen Starting with ethnically exoticized silent film vamps like Theda Bara and Pola Negri it examines classic film noir femmes fatales like Barbara Stanwyck in *Double Indemnity* as well as postmodern revisions of the archetype in films like *Basic Instinct* and *Memento* Finally it explores how contemporary film and television creators like *Fleabag* and *Killing Eve*'s Phoebe Waller Bridge have appropriated the femme fatale in sympathetic and surprising ways Analyzing not only the films themselves but also studio press kits and reviews *The Femme Fatale* considers how discourses about the pleasures and dangers of female performance are projected onto the figure of the femme fatale Ultimately it is a celebration of how bad girl roles have provided some of Hollywood's most talented actresses opportunities to fully express their on screen charisma

Uncontained Elizabeth A. Wheeler, 2001 In the post war era American urban fiction was dominated by the imagery of containment This book offers a critique of this familiar story evident in the noir narratives of James M Cain and in work by Ellison Roth Salinger Percy Capote and others **Decolonizing University Teaching and Learning** D. Tran, 2021-05-20 *Decolonizing University Teaching and Learning* considers apprehensions around decolonizing and offers a summary of key arguments within critical discussion around its meaning and value through engagement with a growing body of literature The contextually based and complex discussions concerning decolonization means one cannot be guided through the process in a particular way Therefore the text is not intended to be read as a handbook for decolonizing teaching and learning nor is it an anthropologically oriented text Drawing on Critical Race Theory the book highlights the benefits of decolonizing teaching and learning for all students and staff This book offers up the TRAAC model as an entry point for challenging conversations By bringing together questions raised within existing scholarly discussions the TRAAC model provides prompts to instigate deeper reflections around decolonizing by way of supporting colleagues to start a productive dialogue Through these critically reflective and reflexive conversations action oriented discussions can simultaneously take place The value of this book lies in the contributions from authors based across a number of universities and disciplines Reflecting on personal experiences staff and student relationships subject specific challenges and wider issues within HE the contributions are grounded in the employment of the TRAAC model as a mode of entry into discussing particular issues around decolonizing

teaching and learning **From Eileen Chang to Ang Lee** Peng Hsiao-yen, Whitney Crothers Dilley, 2014-01-10 In 2007 Ang Lee made an espionage thriller based on the short story *Lust Caution* by Eileen Chang China's most famous female author of the twentieth century The release of the film became a trigger for heated debates on issues of national identity and political loyalty and brought unexpectedly harsh criticism from China where Ang Lee was labelled a traitor in scathing internet critiques whilst the film's leading actress Tang Wei was banned from appearing on screen for two years This book analyses Ang Lee's art of film adaptation through the lens of modern literary and film theory as well as featuring detailed readings and analyses of different dialogues and scenes directorial and authorial decisions and intentions while at the same time confronting the intense political debates resulting from the film's subject matter The theories of Freud Lacan Deleuze Bataille and others are used to identify and clarify issues raised by the film related to gender sexuality eroticism power manipulation and betrayal the themes of lust and caution are dealt with in conjunction with the controversial issues of contemporary political consciousness concerning patriotism and the Sino Japanese War complicated by divided historical experiences and cross Taiwan Strait relationships The contributors to this volume cover translation and adaptation loyalty and betrayal collaboration and manipulation playing roles and performativity whilst at the same time intertwining these with issues of national identity political loyalty collective memory and gender As such the book will appeal to students and scholars of Chinese and Asian cinema and literature as well as those interested in modern Chinese history and cultural studies *Edgar G. Ulmer* Gary D. Rhodes, 2010-01-01 Edgar G Ulmer *Detour on Poverty Row* examines the full scope of the career of this often overlooked film auteur with essays exploring individual films groups of films such as his important work in film noir repetitive themes appearing across the spectrum of his work and a case study of three essays analyzing *The Black Cat* 1934 **Legal Reelism** John Denvir, 1996 Law and justice are important themes in film not only in courtroom dramas but also in the western the film noir even the documentary In the *Godfather* trilogy Francis Ford Coppola shows that the Mafia possesses its own strict codes even though they are in conflict with those of the criminal justice system In Woody Allen's *Crimes and Misdemeanors* the protagonist also gets away with murder but with a different dramatic intent by the director and a different effect on the audience Shedding light on myriad facets of the law film relationship fourteen contributors to *Legal Reelism* analyze films ranging from *The Man Who Shot Liberty Valance* *It's a Wonderful Life* and *Drums Along the Mohawk* to *Do the Right Thing* *Basic Instinct* *The Thin Blue Line* and *Thelma and Louise* The first volume to contain work by both humanists and legal specialists *Legal Reelism* is a landmark text for those concerned with depictions of justice in the media and the impact of those depictions on society at large *Creak* Francesco Venturi, 2025-08-08 This book explores what pulse phonation is what it can do and how it develops into a cultural practice It is a multidisciplinary inquiry that merges theoretical frameworks with embodied practice to discuss the processes of producing and perceiving pulse phonation its use and significance in contemporary discourse its functions in the animal world and its place in a broader

reflection on voice and sound production It presents a thorough investigation of pulse phonation to jointly take into consideration its sociocultural bioacoustic and creative dimensions In the book leading scholars and practitioners such as Nassima Abdelli Beruh Diana Sidtis Katherine Meizel and John Nix present a wide array of approaches from sociolinguistics and voice anatomy to acoustic ecology and performance studies These approaches include case studies of creaky voices across cultures and media physiology and acoustics of the pulse register creak singing including possibilities perspectives pedagogies pulse phonation embodiment and gender the phenomenon of extreme vocal fry vocology somatics and the disease condition the use of pulse phonation from live arts to film studies composition improvisation and creation with creak and the pulse register in animal vocalization This groundbreaking publication concludes with a multifaceted series of testimonies from users and listeners of creaky voices

Crossing Great Divides John D. Fairfield, 2024-06-28 Argues that the habit of thinking of the city and the country as opposites is at the root of our environmental and political disorder and suggests approaches to bridge this social political and ecological divide

Encounters of the Filmic Kind Cristian, Réka Mónika, Dragon, Zoltán, 2014-07-11

Making Trouble Jeff Ferrell, 2017-09-04 In Making Trouble leading scholars in criminology sociology criminal justice women s studies and social history explore the mediated cultural dynamics that construct images and understanding of crime deviance and control Contributors examine the intertwined practices of the mass media criminal justice agencies political power holders and criminal and deviant subcultures in producing and consuming contested representations of legality and illegality While the collection provides broad analysis of contemporary topics it also weaves this analysis around a set of innovative and unifying themes These include the emergence of situated media within and between the various subcultures of crime deviance and control the evolution of policing and social control as complex webs of mediated and symbolic meaning the role of power identity and indifference in framing contemporary crime controversies with special attention paid to the gendered construction of crime deviance and control and the importance of historical and cross cultural dynamics in shaping understandings of crime deviance and control

New Approaches to Cinematic Space Filipa Rosário, Iván Villarmeá Álvarez, 2018-12-12 New Approaches to Cinematic Space aims to discuss the process of creation of cinematic spaces through moving images and the subsequent interpretation of their purpose and meaning Throughout seventeen chapters this edited collection will attempt to identify and interpret the formal strategies used by different filmmakers to depict real or imaginary places and turn them into abstract conceptual spaces The contributors to this volume will specifically focus on a series of systems of representation that go beyond the mere visual reproduction of a given location to construct a network of meanings that ultimately shapes our spatial worldview

Screens of Blood Gregory Desilet, 2014-02-10 Civilization seems to move ever more toward the power of words over weapons But many people especially Americans still believe wrongs in life can be righted with a fist or a gun or a bomb Cultural mythology lags reality and continues to send the message of regeneration through violence But the transition to a

healthier mythology is already underway and can be seen in the strength of an alternative trend in depictions of violence in storytelling This book examines this trend by comparing examples drawn from film and television with the traditional popular dramatic approach reflecting and promoting a culture of violence This comparison shows that attitudes toward conflict in drama are a key indicator of a shift in awareness of violence in society The book concludes with an account of increasing challenges confronting the individual in today s world and the necessity for individual producers and consumers to take greater responsibility for their choices which shape culture through omnipresent and profoundly influential screen technology

Black Mirror Eric Lott, 2017-09-25 Blackness is a prized commodity in American pop culture Marketed to white consumers it invites whites to view themselves in a mirror of racial difference while remaining wholly white From sports to literature film and music to investigative journalism Eric Lott reveals the hidden dynamics of this self and other racial mirroring
