## **Long Time No See:**

*Long Time, No See* Beth Finke, 2010-10-01 Long Time No See is certainly an inspiring story but Beth Finke does not aim to inspire Eschewing reassuring platitudes and sensational pleas for sympathy she charts her struggles with juvenile diabetes blindness and a host of other hardships sharing her feelings of despair and frustration as well as her hard won triumphs Rejecting the label courageous she prefers to describe herself using the phrase her mother invoked in times of difficulty She did what she had to do With unflinching candor and acerbic wit Finke chronicles the progress of the juvenile diabetes that left her blind at the age of twenty six as well as the seemingly endless spiral of adversity that followed First she was forced out of her professional job Then she bore a multiply handicapped son But she kept moving forward confronting marital and financial problems and persevering through a rocky training period with a seeing eye dog Finke s life story and her commanding knowledge of her situation give readers a clear understanding of diabetes blindness and the issues faced by parents of children with significant disabilities Because she has taken care to include accurate medical information as well as personal memoir Long Time No See serves as an excellent resource for others in similar situations and for professionals who deal with disabled adults or children

*The Chinese Particle Le*  
M.E. van den Berg, G. Wu, 2006-09-27 Ever since the start of Chinese linguistic studies the description of the Chinese particle LE has remained elusive The classification has evolved from a listing of sentences and the discussion of contrastive pairs to a more context and discourse oriented analysis The development in recent years of inferential models and situation semantics has opened the way for a renewed study of the use of the Chinese particle LE This book discusses the Chinese data from a mental space perspective and finally reveals the role so called Chinese sentence LE plays in the construction and maintenance of discourse
