Настановно-корективний курс англійської мови. Бишук Г. В., **The Routledge Handbook of Corpus Linguistics** Anne O'Keeffe, Michael McCarthy, 2010-04-05 The Routledge Handbook of Corpus Linguistics provides a timely overview of a dynamic and rapidly growing area with a widely applied methodology Through the electronic analysis of large bodies of text corpus linguistics demonstrates and supports linguistic statements and assumptions In recent years it has seen an ever widening application in a variety of fields computational linguistics discourse analysis forensic linguistics pragmatics and translation studies Bringing together experts in the key areas of development and change the handbook is structured around six themes which take the reader through building and designing a corpus to using a corpus to study literature and translation A comprehensive introduction covers the historical development of the field and its growing influence and application in other areas Structured around five headings for ease of reference each contribution includes further reading sections with three to five key texts highlighted and annotated to facilitate further exploration of the topics The Routledge Handbook of Corpus Linguistics is the ideal resource for advanced undergraduates and postgraduates Academic Vocabulary in Learner Writing Magali Paquot, 2010-07-22 Academic vocabulary is in fashion as witnessed by the increasing number of books published on the topic In the first part of this book Magali Paquot scrutinizes the concept of academic vocabulary and proposes a corpus driven procedure based on the criteria of keyness range and evenness of distribution to select academic words that could be part of a common core academic vocabulary syllabus In the second part the author offers a thorough analysis of academic vocabulary in the International Corpus of Learner English ICLE and describes the factors that account for learners difficulties in academic writing She then focuses on the role of corpora and more particularly learner corpora in EAP material design It is the first monograph in which Granger s 1996 Contrastive Interlanguage Analysis is used to compare 10 ICLE learner sub corpora in order to distinguish between linguistic features that are shared by learners from a wide range of mother tongue backgrounds and unique features that may be transfer related The Reference Catalogue of Current Literature, 1910 *Applicable Approaches to Analyzing Texts in Academic Discourse* Alireza Jalilifar, Alexanne Don, 2024-01-03 This book provides a comprehensive overview of approaches to problems of language learning aimed at graduate students and researchers interested in English for academic purposes Its primary focus is the complexity and nuances of academic writing such as phraseology nominalization thematicity and phrasal complexity features The book will clarify the issue of how language is used to communicate discipline related content viewed through the lens of linguistics as one of the human sciences Each chapter concludes with several tasks that enable users to

substantiate what has been presented in that chapter The book primarily addresses non native speakers of English who are studying for master s and PhD qualifications through the medium of English however non native researchers may also find some chapters of the book useful for their underlying focus on academic writing and publishing *X-kit Fet G10 English Home Language* Goshier, S,2009 **German and English** Dirk Siepmann,2020-11-29 German and English Academic Usage and Academic Translation focuses on academic and popular scientific academic usage This book s brief is both theoretical and practical on the theoretical side it aims to provide a systematic corpus based account of current academic usage in English and in German as well as of the translation problems associated with various academic genres on the practical side it seeks to equip academic translators with the skills required to produce target language text in accordance with disciplinary conventions The main perspective taken is that of a translator working from German into English but the converse direction is also regularly taken into account Most of the examples used are based on errors that occurred in real life translation jobs Additional practice materials and sample translations are available as eResources here www.routledge.com/9780367619022 This book will be an important resource for professionals aspiring to translate academic texts linguists interested in academic usage translation scholars and graduate and post graduate students *A Journey through Knowledge* Loredana Frăţilă,Codruţa Goşa,2012-11-12 *A Journey through Knowledge* Festschrift in Honour of Hortensia P rlog is a collection of articles dedicated to one of the best known Romanian university teachers and linguists both in her home country and well beyond its borders The heterogenous material both in terms of the range of issues tackled and in terms of the approaches adopted by the authors in the three sections of the volume finds itself a common denominator in the idea of traveling and journey around which they are organized In the first section *Traveling across Identities and Emotions* Pia Br nzeu touches upon some identity issues in dealing with a form of subversion in *Coz Shakespeare* by Marin Sorescu Jaques Ramel argues against the opinion that Shakespeare s *A Midsummer s Night Dream* was written to be performed as an epithalamium during wedding ceremonies Adolphe Haberer brings to the fore the non hero features of the main character in Virginia Woolf s *Jacob s Room* Liliane Louvel writes about the mirror in literary texts insisting on its potential to send back graphic reflections onto these texts and Maurizio Gotti discusses definitional criteria i e the principles according to which a term should be defined In section two *Traveling in Time and Space* Sl vka Toma kov speaks about the status functions and characteristics of media narrative discourse during the last decade Aleksandra Kedzierska follows and characterizes various types of journeys in Dickens *A Christmas Carol* highlighting their significance for celebration Alberto L zaro traces the changes that medieval stories abundant in sexual references and instances of adultery have suffered to meet the publication requirements during Franco s regime in Spain Stephen Tapscott focuses on the relationship between contemporary American poets lyric and previously written works especially Modernist while Fernando Galv n examines a number of literary texts centering on cities that have been dreamed of or imagined by various writers to illustrate decay deconstruction and regeneration The third

section Traveling between Languages and Cultures opens with Smiljana Komar's account of the translation of some frequent English discourse markers into Slovene and continues with Loredana Pung's illustration of the issue of loss and gain in translation Irma Taavitsainen and Pivi Pahta highlight the functions of the English politeness marker please in Finnish and investigate whether and how its meanings have changed when it has been adopted into the host language Lachlan Mackenzie's contribution rounds off the volume with some suggestions on how recent changes in the English language should be taken into consideration when teachers of English evaluate the linguistic performance of their students
