Joint Publications Research Service, 1962 Heart's Flower Esperanza U. Ramirez-Christensen, 1994 Shinkei 1406 75 one of the most brilliant poets of medieval Japan is a pivotal figure in the development of renga linked poetry as a serious art In an age when anyone who wished to signal his denial of mundane concerns or make his way in the world with relative freedom donned the robes of a monk Shinkei stood out by being a practicing cleric with a temple in Kyoto the Japanese capital His priestly duties and his devotion to Buddhist ideals are directly reflected in the intensely pure lyrical longing for transcendence that is the most notable quality of his sensibility Shinkei's life and work also provide a vivid portrayal of a tumultuous period of Japanese history that was one of the defining moments of its culture when Zen Buddhism began to directly influence the arts The book is in two parts The first part is a literary biography based primarily on Shinkei's own writings his critical essays waka sequences hokku collections and commentaries supplemented by various external sources What emerges is the compelling portrait of a man who bore witness to the tragic anarchy of his times while clinging to the ideal of poetic practice as a mode of being and access to Buddhist enlightenment Shinkei became embroiled in the factional struggles preceding the Onin War 1467 77 and died a refugee in what is now Kanagawa The second part consists of annotated translations of Shinkei's most representative poetry 1 selected hokku opening verse of a sequence and tsukeku linked pairs of verses along with Muromachi period commentaries on them 2 two 100 verse renga sequences the first a solo composition from 1467 and the second a collaboration with Sogi and other poet priests and samurai from 1468 and 3 a selection of one hundred waka poems highlighting Shinkei's most characteristic mode of ineffable remoteness Throughout the author's annotations seek to define and clarify the unique genre called linked poetry **Eldredge 3 in 1 - Sacred Romance , Waking the Dead, Desire** John Eldredge, 2008-04-15 This 3 in 1 special edition contains The Sacred Romance Waking the Dead and Desire authored by John Eldredge John Eldredge is the director of Ransomed Heart™ Ministries in Colorado Springs Colorado a fellowship devoted to helping people discover the heart of God John is the author of numerous books including Walking with God Fathered by God Waking the Dead Desire and Love War with his wife Stasi John and Stasi live in Colorado with their three sons He is an avid outdoorsman who loves being in the wild **Poetic Imagination in Proverbs** Knut Martin Heim, 2013-05-01 No fewer than 223 verses in Proverbs appear two times 79 sets three times 15 sets or even four times 5 sets in identical or slightly altered form more than 24% of the book Heim analyzes all of these presenting them in delineated Hebrew lines and in English translation Where appropriate the translations are followed by textual notes that discuss uncertainties regarding the textual witnesses textual criticism and

explore lexical grammatical and syntactical problems Heim also analyzes the way the parallelism in each verse of a variant set has been constructed presenting diagrams and tables with columns that highlight the corresponding similarities and differences among repeated verses Key to this investigation is the search for links between the variants and their surrounding verses such as repetitions of sound and sense Heim shows that most variant repetitions result from skillful poetic creativity Reconstruction of the editorial and creative poetic process highlights what poets did how they did it and why they did it He develops criteria for determining the direction of borrowing between the verses and demonstrates that the phenomenon of variant repetition is an editorial concern that operates on the level of the book as a whole He develops and refines a range of interpretive techniques and skills arrives at fresh interpretations and shows that ancient proverbial wisdom is relevant to modern societies This study sheds new light on the nature of biblical poetry and on the methods and virtues best suited for its study While specific to the book of Proverbs in the first instance the findings in this study apply to poetry elsewhere Three fundamental insights should inform future work on poetry the creative combination of repetition with variation is the very essence of poetry what has been written with imagination should be read with imagination imaginative interpretation values the normal features of poetic expression and celebrates the truly unusual

The Printing Machine ,1834 *Look Ma, "Hands" on Poetry* Adele Steiner, 2008-05 The workshops in Look Ma Hands on Poetry are designed to help teachers and poets familiarize elementary through high school students with a variety of creative and fun ways to engage their imaginations and write poetry They do so by encouraging teachers and students to explore together the art of poetry i e the art of employing the five senses to capture experience in language The workshops also introduce young writers to a wide range of poets and the poetic techniques and styles that they have incorporated in their writing As a result when students complete a series of workshops from this book they will know how to write a poem They may enjoy reading more poetry too

because they will have a solid understanding of how poetry works Finally there are exciting ideas in Look Ma Hands on Poetry for ways in which young writers can exhibit and perform their poetry The workshops in this book run from 45 60 minutes with the time divided into three segments In the first the teacher reads and discusses poems that are examples of the types of poetry students will be writing In the second the teacher introduces the writing assignment and has students begin writing Finally students who finish poems are invited to share them in the remaining class time Because poetry is the art of capturing experience in language the workshops are structured around sight smell taste touch and sound Each of the workshops in the first five chapters is geared toward exploring one of these senses and the two later chapters contain workshops that require students to use all five to write their poems As a result workshops from each chapter may be used individually or in sequence to create one or two week poetry units that teachers and students can enjoy Workshops in the book include the Sleight of Hand and Animal Mask Workshops wherein students use metaphor simile and personification to create imagery in poems They use music and musical instruments to help them create sound and rhythm in the Native American Chant and Rap Workshops and then they literally play with words to write Bingo and Multiple Voice Poems Young people have opportunities to express their feelings through poetry in the Blues Love Potion and Ode Workshops and finally they use their five senses simultaneously when writing Bubble and Rainbow Poems and when they interpret paintings sculpture and music in Echphrastic Poems The book's final section presents creative ideas for poetry readings books and displays Suggestions for readings include the Poetry Cafe which can incorporate any of the Coffee House Tea Room 1950's Diner and or Greco Roman Garden venues discussed in this section Student poetry books and chapbooks complete with student art and photos are described here too along with plans for poetry rainbows sidewalks mobiles and poetry word collections

Tragedies. Poems William Shakespeare, 1867 **Look Round for Poetry** Brian McGrath, 2022-05-17 Poetry is dead Poetry is all around us Both are trite truisms that this book exploits and challenges In his 1798 Advertisement to Lyrical Ballads William Wordsworth anticipates that readers accustomed to the poetic norms of the day might not recognize his experiments as poems and might signal their awkward confusion upon opening the book by looking round for poetry as if seeking it elsewhere Look Round for Poetry transforms Wordsworth's idiomatic expression into a methodological charge By placing tropes and figures common to Romantic and Post Romantic poems in conjunction with contemporary economic technological and political discourse Look Round for Poetry identifies poetry's untimely echoes in discourses not always read as poetry or not always read poetically Once one begins looking round for poetry McGrath insists one might discover it in some surprising contexts In chapters that spring from poems by Wordsworth Lucille Clifton John Keats and Percy Bysshe Shelley McGrath reads poetic examples of understatement alongside market demands for more the downturned brow as a figure for economic catastrophe Romantic cloud metaphors alongside the rhetoric of cloud computing the election of the dead as a poetical and not just a political act and poetic investigations into the power of prepositions as theories of political

assembly For poetry to retain a vital power McGrath argues we need to become ignorant of what we think we mean by it In the process we may discover critical vocabularies that engage the complexity of social life all around us *Scotch Words and the Bapteesement O'the Bairn. (Humorous Poems.) Fourth Edition* Robert LEIGHTON (of Ayr.),1870 **Sharing Poetic Expressions** Anna-Teresa Tymieniecka,2011-05-03 A world ever more extensively interlinked is calling out for serving human interests broader and more compelling than those inspiring our technological welfare The interface between cultures at the moment especially between the Occident and Islam presents challenges to mutual understandings and calls for restoring the resources of our human beings forgotten in the struggle of competition and rivalry at the vital spheres of existence In the evolutionary progress of the living beings the strictly vital concerns emotions attributes become sublimed and elevated to the spiritual sphere at which human beings encounter each other and share Studies presented here bring forth sublimity generosity forgiveness beauty and are exalting the quest after ciphers and symbols which lead to our sharing the common deepest stream of fraternal reality
