experience an action packed adventure For the last 500 years Indian mythology and folklore have come to a halt because modern technology has turned Indians lifestyle from producing literature to producing electronic devices But this novel tries to reinvent the ancient myth and give birth to legends of Ramayana and Mahabharata And it comes under the category of action thriller mystery and fantasy romance and horror This novel is about Lord Shiva and his problems with Karma It made him do nothing and cornered him in a life and death situation All of his devotees like Asuras humans and fellow gods turned to him His very own sons abandoned him and raised an army against him to overthrow him But some of Shiva s valiant believers with their magic powers try to save him from danger Arjuna and Varma both are brother s are the primal enemies of this novel and their greed to achieve lord Shiva s place leads them to wrong hands Apart from Varma and Arjuna another character the Oldman is the mastermind of them and used Arjuna and Varma as puppets to achieve his own ambition so at last this conflict leads them to march against a great god Shiva Many gods helped Shiva to defend the war but he never accepted any of their help because of karma he was trapped in so he kept silent His second son Muruga one of the most powerful gods in hindu mythology is against him and tries to put an end to his father s throne all of which causes great bloodshed From beginning to end this novel never loses its mystery and thrillers always stick to it Like Marvel and DC comic characters such as Ironman Thor Captain America Spiderman Superman Batman and Doctor Strange this novel has many superheroes but all of them are historical legends from Indian mythology like Indrajit Ravana Rama Shiva Muruga Ganesha and Vishnu and their armies are the highlights of the novel But not only one of the uniqueness of this novel is it s cross cultural and religious perception it has many cross cultural animals and characters like Dragon mermaid giants lovecraft s cthulhu giant squid and demons In settings wise it has many multiverse and realms also one of the beautiful among them are Hell and Heaven Undoubtedly this novel is one of the turning points to Indian mythology and Indian literature in English Unlike traditional chapter divisions this novel is completely out of it and which must provide cinematic experience while reading With many highlights one of my personal favourites as an author is its storyline and moral This is completely readable to children adults and aged people which is apt to anyone Like the traditional way it follows all the moral principles it s in simple English format perfect for travel and gifting This world is in pandemic situation so we are all stressed and depressed due to quarantine and fast spreading of COVID 19 so our life lies in a room with Netflix Amazon prime and Apple TV but it s our fate and we have to move on we must have to fight back so it s a perfect timing to read and learn some new stuffs now it s time for a new virus called omicron so please use sanitizers and wear mask to safeguard you and your family from covid vaccination is important Finally here is my first book directly to Kindle and Kindle only ebook under Amazon to reduce the stress of my readers Please buy my book and rate it as good as possible thanks **Laddoo Mysteries**
