The Drama of Understanding by Harry and Bonaro Overstreet Harry Allen Overstreet, Bonaro Overstreet, 1957 **Shreemad Bhagavad Gita** Paramahansa Sri Swami Vishwananda, 2017-01-12 The Shreemad Bhagavad Gita is one of the most ancient scriptures in the world Of all the scriptures it is said that Gita provides the deepest and most practical knowledge about faith devotion surrender detachment and a release of expectations and ownership over one's own actions But like any teaching time and unqualified minds can distort scriptures like this and misrepresent what is contained within It is for that purpose that the Lord continuously takes birth on earth in the form of the Guru to revive the true essence of the Gita and to demonstrate the simplicity and power of the divine message of the Lord One such Master is Paramahansa Sri Swami Vishwananda and this book is his personal commentary on this timeless knowledge Included here are over 900 pages of verses translations drawings for every chapter and Paramahansa Vishwananda's extensive commentary Perfect for the beginner as well as those who have read other commentaries this is more than just a book It is a guiding light that can be applied to every day to every thought and to every moment **Hyponoia** John Russell Hurd, 1844 **The End of the Age** Diego Kogler, 2025-01-07 Set during the years after the third crusades a mercenary gets hired to protect a merchant but his plans fail when the merchant is killed The mercenary still wants to fulfill his master's request and ends up traveling the entire mediterranean to find out what his master was trying to do Along the way things take a dangerous turn as the mercenary is taken to places he could have never imagined to exist Soon he meets all sorts of wacky and colorful people A sailor who wants to go home to see his daughter a baby who smokes and foresees the future as well as an evil dweller who lurks deep within a hidden island All of this on top of a presence the mercenary feels is out of this world Out of this realm and from somewhere else Furthermore people are out trying to kill him as he navigates to see who is friend and who is foe and to see if he will be able to live As the mercenary tries to get to his destination he meets a divine force who changes his life forever and grants the mercenary abilities that change the course of history forever Record of the Transmission of Illumination T.
