Moving In The Apostolic Gods Plan For Leading His Church To The Final Victory:

Moving in the Apostolic John Eckhardt,1999-01-22 Why is God restoring apostles to His Church Because restoration of the apostolic ministry is necessary for the Church to complete its mission on earth We are now experiencing the greatest outpouring of the Holy Spirit the world has ever known and we should expect to see multitudes swept into the Kingdom as a result In this book John Eckhardt reveals how the apostolic demension affects the preaching teaching worship prayer and giving of the local church and how apostolic leadership will point the way toward fulfillment of the Great Commission

Toward a Twenty-First Century Biblical, Apostolic Church SuYeon Yoon, 2019-09-19 This book explores biblical values that critique the ecclesiology of the New Apostolic Reformation Church NARC and compares the ecclesiology to other missional movements in the North American context A biblical exeges of Ephesians 4 11 13 as well as C Peter Wagner's conceptualization of an apostle and apostolic ministry allow the author to demonstrate the gap between the biblical perspective and Wagner's concept of an apostle The biblical role of an apostle is to make the church missional by emphasizing the concept of sending whereas Wagner sees the apostle as a church leader Based upon interviews and participant observation in three NARCs SuYeon Yoon describes the leadership and ecclesiology based on their own self descriptions This book then demonstrates the gap between the biblical and conceptual ideals and the reality of ecclesial practice The author argues that the NARC serves as a charismatic manifestation of a similar cultural response to establish a relational structure for church communities that can appropriately reflect upon and identify with the contemporary context This implies that each movement needs to be biblically sound faithful to its conceptualization and relevant to the context in order to cultivate its own way of being the church The Ongoing Role of Apostles in Missions Don Dent, 2019-02-15 Numerous trends are presently converging in ways that make this moment in mission history significant These include the growth of short term service the multiplication of mission organizations local churches sending missionaries without an agency and the internationalization of missions It is crucial in the midst of such change that we not lose connection with the New Testament model of the missionary apostles Apostles now commonly called missionaries are God's gift for the initial planting phase of the church among every people to the end of the age This unique church planting role is the forgotten foundation of the church Much of the ineffectiveness in missions is due to our attempts to build Christ's church on a different foundation This book will examine five critical questions from the perspective of biblical scholarship history and contemporary experience Why are missions minded Evangelicals reluctant to identify missionaries as apostles considering that the two words have the same root meaning How is apostolos used in the New Testament and specifically is it sometimes used as a designation for missionaries How should we conceptualize an ongoing role for missionary apostles that does not detract from the crucial unique role of the original Apostles What ministry pattern does the New Testament record from the lives of the early missionary apostles How should an awareness of missionary apostles guide our mission efforts today

Prayer Evangelism Ed Silvoso, 2000-10-04 As a result of the growing worldwide prayer movement powerful changes have taken place in the Church and in scattered cities transformations beyond anything imaginable only a few years ago Of the revelations to come out of this movement perhaps the most dramatic and promising is the rediscovery of biblical principles for changing the spiritual climate over entire cities and regions Fulfillment of the Great Commission is no longer a distant hope but rather is a fast approaching reality for a Church that will take hold of and utilize the biblical principles for changing cities as described in That All Should Hear In it Ed Silvoso shares his heart and his passion for reaching cities the way the Early Church did it the whole Church modeling the whole gospel to the whole city thorugh prayer and prayerful They Were Eyewitnesses Nancy A. Almodovar, 2021-07-23 For many of today's Christians their go to style of evangelism proclaiming the faith is to share their own experiences While this may be a stepping stone to the conversation we should not remain on our subjective and unprovable experiences Rather Christians should use the pattern set forth in the New Testament by the apostles and evangelists the gospel of Jesus who died was buried and rose to life on the third day according to the Scriptures In this book the sermons of the apostles and evangelists will be looked into to see how they both proclaimed and defended the Christian faith giving all Christians the pattern to follow in their own opportunities to share the one true Unveiling Theological and Doctrinal Concepts Rev. Oscar Garcia, 2013-10-04 In the present the Christianity is going faith through a time of much confusion of false apostles and false prophets along with false teachings and erroneous interpretations of the Bible The churches have been infiltrated by homosexuality and bizarre cults the moral crises at all levels in our society the ravening crime rapes of children and family violence all demonstrate the urgent need that the Christian people have to seek in prayer for Gods intervention to heal human beings from their terrible spiritual condition In this book the reader will find concepts that may help him to grow and to get stronger spiritually Here is a brief list of the many topics covered in this book More than three hundred Old Testament prophecies about the Messiah that were fulfilled in Jesus Christ The deity from eternity of the Begotten Son of God that can be seen in both the Old and the New Testament The evidence of the fullness of the Holy Spirit The return of Jesus by the saints in the Old Testament as well as in the New Testament and the prophecies that demonstrate the rapture of the heirs of the kingdom of heaven of the born again believers The prophecies about the millennium and the time of its fulfillment The security of the salvation of the kingdom of heaven of the children of God The judgment of the nations and the White Throne judgment The resurrection of the dead in the Millennium The resurrection of the dead and the judgment of condemnation for the impious Experience the Blessina John The Life-giving Church Ted Haggard, 1998 Pastor Ted Haggard combines the spiritual with the practical G.
