Janssen, Mary Laven**

Moving Crucifixes In Modern Spain:

Moving Crucifixes in Modern Spain William A. Christian, 2014-07-14 Why are religious visions believed only in certain times and places In this book William Christian investigates the settings and responses to a series of group visions reported by Spaniards in rural Galicia Valencia Cantabria and Navarre in the early part of this century the most notable one involving the crucifix at Lempiras where Jesus was first seen agonizing on the cross during a mission service in March of 1919 In light of the social strife and strong anticlerical movements of the period the author examines how gender and religious politics influenced the experiences of seers and the interpretation of their visions by church officials journalists and the public Christian approaches the story inductively from the visionaries and the parish to the religious orders diocesan officials and Vatican envoys He places the events in the context of mission dramaturgy and pilgrimages to Lourdes and shows their ramifications in Italy Mexico the United States France and Central Europe Using oral testimony church archives local newspaper accounts and apologetic literature Christian finds that some observers related the moving crucifixes to a logical millenarian sequence that included earlier apparitions in France for others they were divine reactions to national political events while for many local people they were signs for the establishment of new shrines His study reveals the preoccupations of ordinary people and how they found expression in religious images Originally published in 1992 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Modern Spain Pamela Beth Radcliff, 2017-05-08 Modern Spain 1808 to the Present is a comprehensive overview of Spanish history from the Napoleonic era to the present day Places a large emphasis on Spain's place within broader European and global history The chronological political narrative is enriched by separate chapters on long term economic social and cultural developments This presentation of modern Spanish history incorporates the latest thinking on key issues of modernity social movements nationalism democratization and democracy *Apparitions, Healings, and Weeping Madonnas* Lisa J. Schwebel, 2014-05-14 Mysticism and parapsychology Ghosts and apparitions Weeping icons and other unusual phenomena Prophecy and precognition Criteria for genuine visions Healings and miracles Conclusion Some theological observations

The War and Its Shadow Helen Graham, 2012 In Spain today the civil war remains the past that will not pass away The author explores the origins nature and long term consequences of this exterminatory war in Spain charting the resonant forms of political social and cultural resistance to it and the memory legacy these have left behind in Europe and beyond *Thank You, St. Jude* Robert A. Orsi, 1996-01-01 The prize winning story of American women's devotion to St Jude the patron saint of hopeless causes Robert Orsi examines St Jude's rise to national popularity beginning

in Chicago in 1929 when the daughters and granddaughters of Catholic immigrants called on the saint to help them during the tumultuous years of depression war and changing family lives 14 illustrations **Saving Face** Stephen

Pattison,2016-04-01 Faces are all around us and fundamentally shape both everyday experience and our understanding of people To lose face is to be alienated and experience shame to be enfaced is to enjoy the fullness of life In theology as in many other disciplines faces as both physical phenomena and symbols have not received the critical appreciative attention they deserve This pioneering book explores the nature of face and enfacement both human and divine Pattison discusses questions concerning what face is how important face is in human life and relationships and how we might understand face both as a physical phenomenon and as a series of socially inflected symbols and metaphors about the self and the body Examining what face means in terms of inclusion and exclusion in contemporary human society and how it is related to shame Pattison reveals what the experience of people who have difficulties with faces tell us about our society our understandings of and our reactions to face Exploring this ubiquitous yet ignored area of both contemporary human experience and of the Christian theological tradition Pattison explains how Christian theology understands face both human and divine and the insights might it offer to understanding face and enfacement Does God in any sense have a physically visible face What is the significance of having an enfaced or faceless God for Christian life and practice What does the vision of God mean now If we want to take face and defacing shame seriously and to get them properly into perspective we may need to change our theology thought and practice changing our ways of thinking about God and about theology **Before**

the Enemy is Within Our Walls Raymond Chien Sun,2023-10-16 The following study examines the social cultural and political history of Catholic workers in the city of Cologne and its environs from 1885 to 1912 Specifically it treats the methods employed by the Catholic Church to isolate its working class members from Marxist Social Democracy by enclosing them within a clerically constructed and controlled social cultural milieu explores the beliefs and behaviors inculcated in this confessional environment and explains the causes of the Social Democratic Party's SPD conquest of Cologne in the 1912 Reichstag election The Sacred Gaze David Morgan,2023-09-01 Sacred gaze denotes any way of seeing that invests its

object an image a person a time a place with spiritual significance Drawing from many different fields David Morgan investigates key aspects of vision and imagery in a variety of religious traditions His lively innovative book explores how viewers absorb and process religious imagery and how their experience contributes to the social intellectual and perceptual construction of reality Ranging widely from thirteenth century Japan and eighteenth century Tibet to contemporary America Thailand and Africa The Sacred Gaze discusses the religious functions of images and the tools viewers use to interpret them Morgan questions how fear and disgust of images relate to one another and explains how scholars study the long and evolving histories of images as they pass from culture to culture An intriguing strand of the narrative details how images have helped to shape popular conceptions of gender and masculinity The opening chapter considers definitions of visual

culture and how these relate to the traditional practice of art history Amply illustrated with more than seventy images from diverse religious traditions this masterful interdisciplinary study provides a comprehensive and accessible resource for everyone interested in how religious images and visual practice order space and time communicate with the transcendent and embody forms of communion with the divine The Sacred Gaze is a vital introduction to the study of the visual culture of religions Sacred gaze denotes any way of seeing that invests its object an image a person a time a place with spiritual significance Drawing from many different fields David Morgan investigates key aspects of vision and imagery in a variety of religious trad

Enchanted Europe Euan Cameron,2010-03-18 Enchanted Europe offers the first comprehensive account of Europe s long complex relationship with its own folklore and popular religion From debates over the efficacy of charms and spells to belief in fairies and demons Euan Cameron constructs a compelling narrative of the rise and fall of superstition in the European mind

Sacred Song in America Stephen A. Marini,2003 In Sacred Song in America Stephen A Marini explores the full range of American sacred music and demonstrates how an understanding of the meanings and functions of this musical expression can contribute to a greater understanding of religious culture Marini examines the role of sacred song across the United States from the musical traditions of Native Americans and the Hispanic peoples of the Southwest to the Sacred Harp singers of the rural South and the Jewish music revival to the music of the Mormon Catholic and Black churches Including chapters on New Age and Neo Pagan music gospel music and hymnals as well as interviews with iconic composers of religious music Sacred Song in America pursues a historical musicological and theoretical inquiry into the complex roles of ritual music in the public religious culture of contemporary America

Popular religion, liturgy and evangelization Jozef Lamberts,1998 Peeters 1998

Challenging Authority Michael P. Hanagan,Leslie Page Moch,Wayne Ph Te Brake,1998 As long as there have been formal governments there has been political contention an interaction between ruler and subjects involving claims and counterclaims compliance or resistance cooperation resignation condescension and resentment Where political studies tend to focus on either those who rule or those who are ruled the essays in this volume call our attention to the interaction between these forces at the very heart of contentious politics Written by prominent scholars of political and social history these essays introduce us to a variety of political actors peasants and workers tax resisters and religious visionaries bandits and revolutionaries From Brazil to Beijing from the late Middle Ages to the present all were or are challenging authority The authors take a distinctly historical approach to their subject writing both of specific circumstances and of larger processes While tracing their origins to the social history and structural sociology approaches of the sixties and seventies the contributors have also profited from subsequent critiques of these approaches Taken together their essays demonstrate that the relationship between mobilization for collective action and identity formation is a perennial problem for protest groups a problem that the historical study of contentious politics with its focus on political interaction can do much to explain

Governing Spirits Reinaldo L. Román,2009-11-30 Freedom of religion did not come easily to Cuba

or Puerto Rico Only after the arrival of American troops during the Spanish American War were non Catholics permitted to practice their religions openly and to proselytize When government efforts to ensure freedom of worship began reformers on both islands rejoiced believing that an era of regeneration and modernization was upon them But as new laws went into effect critics voiced their dismay at the rise of popular religions Reinaldo L Roman explores the changing relationship between regulators and practitioners in neocolonial Cuba and Puerto Rico Spiritism Santeria and other African derived traditions were typically characterized in sensational fashion by the popular press as a plague of superstition Examining seven episodes between 1898 and the Cuban Revolution when the public demanded official actions against misbelief Roman finds that when outbreaks of superstition were debated matters of citizenship were usually at stake He links the circulation of spectacular charges of witchcraft and miracle making to anxieties surrounding newly expanded citizenries that included people of color Governing Spirits also contributes to the understanding of vernacular religions by moving beyond questions of national or traditional origins to illuminate how boundaries among hybrid practices evolved in a process of historical contingencies

International Perspectives on Pilgrimage Studies John Eade, Dionigi Albera, 2015-04-10 Although research on contemporary pilgrimage has expanded considerably since the early 1990s the conversation has largely been dominated by Anglophone researchers in anthropology ethnology sociology and religious studies from the United Kingdom the United States France and Northern Europe This volume challenges the hegemony of Anglophone scholarship by considering what can be learned from different national linguistic religious and disciplinary traditions with the aim of fostering a global exchange of ideas The chapters outline contributions made to the study of pilgrimage from a variety of international and methodological contexts and discuss what the metropolis can learn from these diverse perspectives While the Anglophone study of pilgrimage has largely been centred on and located within anthropological contexts in many other linguistic and academic traditions areas such as folk studies ethnology and economics have been highly influential Contributors show that in many traditions the study of folk beliefs and practices often marginalized within the Anglophone world has been regarded as an important and central area which contributes widely to the understanding of religion in general and pilgrimage specifically As several chapters in this book indicate folk based studies have played an important role in developing different methodological orientations in Poland Germany Japan Hungary Italy Ireland and England With a highly international focus this interdisciplinary volume aims to introduce new approaches to the study of pilgrimage and to transcend the boundary between center and periphery in this emerging discipline

The Internet and the Madonna Paolo Apolito, Antony Shugaar, 2010-10-19 In 1994 a devout Catholic woman from Vermont began having religious visions and hearing the voice of the Virgin Mary To spread word about her mystical experiences she turned to the Internet As Paolo Apolito records here she is only one of many people who use the Web as a tool of religious devotion Every day thousands of Catholics from I

Looking for Mary Magdalene Anna Fedele, 2013 Winner of the Award for Excellence in Religion Analytical Descriptive

Studies from the American Academy of Religion Anna Fedele offers a sensitive ethnography of alternative pilgrimages to French Catholic shrines dedicated to Saint Mary Magdalene Drawing on more than three years of fieldwork she describes how pilgrims from Italy Spain Britain and the United States interpret Catholic figures symbols and sites according to theories derived from the international Neopagan movement Fedele pays particular attention to the pilgrims life stories rituals and reading She examines how they devise their rituals how anthropological literature has influenced them and why this kind of spirituality is increasingly prevalent in the West These pilgrims cultivate spirituality in interaction with each other and with textual sources Jungian psychology Goddess mythology and indigenous traditions merge into a corpus of practices centered upon the worship of the Goddess and Mother Earth and the sacralization of the reproductive cycle Their rituals present a critique of Roman Catholicism and the medical establishment and question contemporary discourse on gender *God's Soldiers* Jonathan Wright, 2005-10-18 Throughout history members of the Society of Jesus popularly known as Jesuits have been accused of killing kings and presidents have traveled as missionaries to every corner of the globe founded haciendas in Mexico explored the Mississippi and Amazon rivers and served Chinese emperors as map makers painters and astronomers As well as the predictable roll call of saints and martyrs the Society can also lay claim to the thirty five craters on the moon named for Jesuit scientists Jesuits have been despised and idolized on a scale unknown to members of any other religious order they have died the most horrible deaths and done the most outlandish deeds Whether loved or loathed the Jesuits dramatic and wide ranging impact could never be ignored By the mid eighteenth century they had established more than 650 educational institutions They were also strongly committed to foreign missions and like the secular explorers and settlers of the Age of Discovery they traveled to the Far East India and the Americas to stake a claim They were especially successful in Latin America where they managed to put numerous villages entirely under Jesuit rule The Jesuits successes both in Europe and abroad coupled with rumors of scandal and corruption within the order soon drew criticism from within the Church and without Writers such as Pascal and Voltaire wrote polemics against them and the absolute monarchs of Catholic Europe sought to destroy them Their power was seen as so threatening that hostility escalated into serious political feuds and at various times they were either banned or harshly suppressed throughout Europe *God's Soldiers* is a fascinating chronicle of this celebrated mysterious and often despised religious order Jonathan Wright illuminates as never before their enduring contributions as well as the controversies that surrounded them The result is an in depth unbiased and utterly compelling history

Religion, Media and Culture: A Reader Gordon Lynch, Jolyon Mitchell, Anna Strhan, 2012-02-13 This Reader brings together a selection of key writings to explore the relationship between religion media and cultures of everyday life It provides an overview of the main debates and developments in this growing field focusing on four major themes Religion spirituality and consumer culture Media and the transformation of religion The sacred senses visual material and audio culture Religion and the ethics of media and culture This collection is an invaluable resource for students academics and

researchers wanting a deeper understanding of religion and contemporary culture **The Ashgate Research Companion to the Counter-Reformation** Alexandra Bamji, Geert H. Janssen, Mary Laven, 2016-03-23 In the last two decades the history of the Counter Reformation has been stretched and re shaped in numerous directions Reflecting the variety and innovation that characterize studies of early modern Catholicism today this volume incorporates topics as diverse as life cycle and community science and the senses the performing and visual arts material objects and print culture war and the state sacred landscapes and urban structures Moreover it challenges the conventional chronological parameters of the Counter Reformation and introduces the reader to the latest research on global Catholicism The Ashgate Research Companion to the Counter Reformation presents a comprehensive examination of recent scholarship on early modern Catholicism in its many guises It examines how the Tridentine reforms inspired conflict and conversion and evaluates lives and identities spirituality culture and religious change This wide ranging and original research guide is a unique resource for scholars and students of European and transnational history *Gender and Apocalyptic Desire* Brenda E. Brasher, Lee Quinby, 2014-12-18 The female body has been an object of oppression and control throughout history Gender and Apocalyptic Desire exposes the often hidden links between the struggles of women and the conflict of good versus evil The essays examine the collisions between feminist and apocalyptic thought the ways in which apocalyptic belief functions as bodily discipline and cultural practice and how some currents of apocalyptic desire can enable women s equality A wide range of issues are examined from anti abortion terrorism to the stigmata of Christ and visions of Mary

While this might not be the Moving Crucifixes In Modern Spain full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Moving Crucifixes In Modern Spain eBooks, including some popular titles.

FAQs About Moving Crucifixes In Modern Spain Books

What is a Moving Crucifixes In Modern Spain PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system

used to view or print it. **How do I create a Moving Crucifixes In Modern Spain PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Moving Crucifixes In Modern Spain PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Moving Crucifixes In Modern Spain PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Moving Crucifixes In Modern Spain PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
