Gerald Durrell, 2017-02-21 Travel to Mauritius on a quest to save endangered species with the British naturalist whose work inspired Masterpiece production The Durrells in Corfu The green and mountainous island of Mauritius in the Indian Ocean was once the home of the ill fated dodo The island saw many other animals vanish from its soil and by the 1970s numerous species were close to being eliminated Enter Gerald Durrell Durrell sets out on a search for bats and pink pigeons climbing near vertical rock faces to find Telfair's skinks and Gunther's geckos and swimming about coral reefs with multicolored marine life But rounding up a collection to take back with him to his animal sanctuary in the English Channel won't be easy There are many dangers awaiting him *Golden Bats and Pink Pigeons* is a delightful and inspiring adventure by the author of *My Family and Other Animals* among other much loved memoirs This ebook features an illustrated biography of Gerald Durrell including rare photos from the author's estate *Ian Fleming and the Politics of Ambivalence* Ian Kinane, 2021-04-08 Previously considered an avowed nationalist this book explores how Ian Fleming's writings and his representational politics contain an implicit resistance to imperial rhetoric Through an examination of Fleming's Jamaica set novels *Live and Let Die* *Dr No* and *The Man with the Golden Gun* as well as the later film adaptations of these novels Ian Kinane reveals Fleming's

deep ambivalence to British decolonisation and to wider Anglo Caribbean relations Offered here is a crucial insight into the public imagination during the birth of modern British multiculturalism that encompasses broader links between Fleming's writings on race and the representation of early British Jamaican cultural relations By exploring the effects of racial representation in these popular works Kinane connects the novels to more contemporary concerns regarding migration and the ways in which the misrepresentation of cultures races and peoples has led to fraught and contentious global geo political relations as figured in the fictional icon James Bond

*Understanding Police Interrogation* William Douglas Woody, Krista D. Forrest, 2020-03-03 Uses techniques from psychological science and legal theory to explore police interrogation in the United States *Understanding Police Interrogation* provides a single comprehensive source for understanding issues relating to police interrogation and confession It sheds light on the range of factors that may influence the outcome of the interrogation of a suspect which ones make it more likely that a person will confess and which may also inadvertently lead to false confessions There is a significant psychological component to police interrogations as interrogators may try to build rapport with the suspect or trick them into thinking there is evidence against them that does not exist Also important is the extent to which the interrogator is convinced of the suspect's guilt a factor that has clear ramifications for today's debates over treatment of black suspects and other people of color in the criminal justice system The volume employs a totality of the circumstances approach arguing that a number of integrated factors such as the characteristics of the suspect the characteristics of the interrogators interrogation techniques and location community perceptions of law enforcement and expectations for jurors and judges all contribute to the nature of interrogations and the outcomes and perceptions of the criminal justice system The authors argue that by drawing on this approach we can better explain the likelihood of interrogation outcomes including true and false confessions and provide both scholars and practitioners with a greater understanding of best practices going forward
