101 Answers To The Most Commonly Asked Questions About Repairing Your Home

Written by Lou Manfredini - Mr. Fix-It & Edited by Kathy Neumeyer

I wanted to create a handy reference book that would address the most common problems, not everything under the sun—something selective, not comprehensive, and written with the assumption that the reader is not a home repair expert. I have written this book for new homeowners and home repair novices, but it will be helpful to the veteran handy people as well. I have included specific topics detailing simple home repair remedies, as well as complex, contracted projects. I hope you find this home improvement advice to be entertaining, cost-saving and above all, useful.
