America's only hope of survival is Marc Bishop, a man with a bounty hanging over his head, branded a traitor by his own government, a man who has been running for his life for the past three years. As Bishop is catapulted back into a world of espionage, he must race against time to save America and himself. But it's a journey of betrayal as Bishop uncovers a secret web of ingenious conspirators that plan to bring America and the rest of the world to its knees.
