*Nights With Uncle Remus* Joel Chandler Harris,2016-08-16 *Nights With Uncle Remus* is a story book dearly loved by children Besides that it is an important contribution to the study of Afro American folk lore and through many years of popularity it has carried a long and learned Introduction of great interest to students but rather forbidding in aspect to youthful readers In this new edition which has been prepared especially for children and illustrated in colors by an artist who knows how to please them as well as their elders the Introduction has been omitted but the stories and their charming setting have been left intact *Catalogue of Copyright Entries* ,1916 Federal Grants to States for Education United States.
