All Things Reconciled Christopher D. Marshall, 2018-06-12 The modern restorative justice movement perhaps one of the most important social movements of our time was born in a Christian home to Christian parents specifically to Christian peace workers striving to put their faith into action in the public arena The first major book on the subject was written primarily for a church audience and drew deeply on biblical themes and values But as restorative justice has moved into the mainstream of criminological thought and policy the significance of its originating spiritual impulse has been minimized or denied and subsequent theological scholarship has done little to probe the relevance of restorative perspectives for doctrine and discipleship In this collection of essays Christopher D Marshall a biblical scholar and restorative practitioner who has devoted his career to exploring the relationship between the two fields considers how peacemaking Christians can honor the witness and authority of Scripture including its apparently violence endorsing strands as they strive to join in God's great work in Christ of reconciling to himself all things whether on earth or in heaven by making peace through the blood of his cross Col 1 20

Preaching Your Way Out of a Mess Johnny Teague, 2019-03-22 Every day a pastor faces armies of despair fatigue exhaustion and frustration That blessed hope of a Spurgeon church has morphed into a Paul prison Every time he looks up there is another attack First errors are found then sin doctrinal arguing leads to internal strife The army of the nation s culture surrounds for the kill The pastor places his baptism handkerchief on a broom handle and crawls out to surrender Just then he looks to the horizon to see a glorious alliance of sixty six armies The enemy turns in fear many ride away while others engage only to be routed The preacher had forgotten that there are more with us than against us No matter the mess God is with us He has given his Spirit to move among us and he has given us his word to defeat every attack Grab this handbook and be encouraged you can preach your way out of every mess

Preaching from the Soul Dr. J. Ellsworth Kalas, 2010-09-01 Careful biblical interpretation insights into contemporary life polished delivery humorous anecdotes these are the building blocks of preaching that genuinely reach people Right Wrong says Ellsworth Kalas We have all encountered preachers who seem to know all the fine points of exegesis and inflection yet whose sermons leave us surprisingly unmoved aware that we were in the presence of good speaking but not great preaching The difference Kalas reminds us lies in that hard to describe yet essential quality known as soul Soul is the collection of those

perspectives and convictions that matter most to the preacher Soul preaching means offering one's particular ideas attitudes and convictions fully to the congregation When one preaches with soul one engages the biblical text with the core of one's values and beliefs Soul preaching is in other words simply giving the whole self to the task of proclamation While the concept may sound simple the reality is anything but In the clear insightful style for which he is known Kalas takes readers on a path of discovery introducing them to the unique gifts that they can bring to preaching and the best way to engage those gifts in preparing and delivering the sermon
