Mc Gabe,1973 **Mr. Laurel and Mr. Hardy** Wilmer T. Rabe,1964 **Currents of Comedy on the American Screen** Nicholas Laham,2014-01-10 This book analyzes the evolution of film and television comedy from the 1930s through the present defining five distinct periods and discussing the dominant comedic trends of each Chapters cover the period spanning 1934 to 1942 defined by screwball comedies that offered distraction from the Great Depression the suspense comedy reflecting America s darker worldview during World War II the 1950s battle of the sexes comedy the shift from the physical exaggerated comedy of the 1950s to more realistic plotlines and the new suspense comedy of the 1970s and 1980s focusing on the popular dumb cop or dumb spy series along with modern remakes including 2006 s The Pink Panther and 2008 s Get Smart **He John Connolly**,2018-05-01 John Connolly conjures the Golden Age of Hollywood in this moving literary portrait of Laurel who struggles to build a character from the dying stages of vaudeville to the seedy and often volatile movie studios of Los Angeles in the early years of cinema and who is haunted by the figure of another comic genius the brilliant driven and cruel Charlie Chaplin Eventually Laurel becomes one of the greatest screen comedians the world has ever known a man who enjoys both adoration and humiliation who loves and is loved in turn who betrays and is betrayed who never seeks to cause pain to anyone else yet leaves a trail of affairs and broken marriages in his wake But Laurel s life is ultimately defined by one relationship of such astonishing tenderness and devotion that only death could sever this profound connection his love for Babe **The Funniest People in Comedy and Relationships: 500 Anecdotes** David Bruce,2006-09-01 This book contains such anecdotes as these 1 In his Answer Man column film critic Roger Ebert answered a question by Matt Sandler about who was the world s most beautiful woman by saying that she was Indian actress Aishwarya Rai In a later Answer Man column a reader stated that Mr Ebert should have answered the question by saying My wife However Mr Ebert had a good reason for not answering the question that way Matt Sandler asked about women not goddesses 2 To advertise its Razzles candy Mars Candy decided to use a Cleveland Ohio show in which comedian Ron Sweed aka The Ghoul hosted several mostly bad horror movies The Ghoul criticized the candy for weeks and the more he criticized it the more its sales went up In gratitude Mars Candy delivered a case of Razzles to The Ghoul The case of candy remained on the set of The Ghoul s show for year unopened *A History of the Hal Roach Studios* Richard Lewis Ward,2006-08-15 Once labeled the lot that laughter built the Hal Roach Studios launched the comedic careers of such screen icons as Harold Lloyd Our Gang and Laurel and

Hardy With this stable of stars the Roach enterprise operated for forty six years on the fringes of the Hollywood studio system during a golden age of cinema and gained notoriety as a producer of short comedies independent features and weekly television series Many of its productions are better remembered today than those by its larger contemporaries In A History of the Hal Roach Studios Richard Lewis Ward meticulously follows the timeline of the company s existence from its humble inception in 1914 to its close in 1960 and through both its obscure and famous productions traces its resilience to larger trends in the entertainment business In the first few decades of the twentieth century the motion picture industry was controlled by an elite handful of powerful firms that allowed very little room for new competition outside of their established cartel The few independents that garnered some measure of success despite their outsider status usually did so by specializing in underserved or ignored niche markets Here Ward chronicles how the Roach Studios at the mercy of exclusive distribution practices managed to repeatedly redefine itself in order to survive for nearly a half century in a cutthroat environment Hal Roach s tactic was to nurture talent rather than exhaust it and his star players spent the prime of their careers shooting productions on his lot Even during periods of decline or misdirection the Roach Studios turned out genuinely original material such as the screwball classic Topper 1937 the brutally frank Of Mice and Men 1940 and the silent experiment One Million B C 1940 Ward s exploration yields insight into the production and marketing strategies of an organization on the periphery of the theatrical film industry and calls attention to the interconnected nature of the studio system during the classic era The volume also looks to the early days of television when the prolific Roach Studios embraced the new medium to become for a time the premier telefilm producer Aided by a comprehensive filmography and twenty seven illustrations A History of the Hal Roach Studios recounts an overlooked chapter in American cinema not only detailing the business operations of Roach s productions but also exposing the intricate workings of Hollywood s rivalrous moviemaking establishment
