Mr Norris Changes Trains:

Mr Norris Changes Trains Christopher Isherwood,1955 *Mr Norris Changes Trains* Christopher Isherwood,2013-05-28 Two Englishmen meeting on a train to Berlin in 1930 kick off one of Isherwood's most enduring novels On a train to Berlin in late 1930 William Bradshaw locks eyes with Arthur Norris an irresistibly comical fellow Englishman wearing a rather obvious wig and nervous about producing his passport at the frontier So begins a friendship conducted in the seedier quarters of the city where Norris runs a dubious import export business and lives in excited fear of his bullying secretary his creditors and his dominatrix girlfriend Anni As the worldwide economic Depression strangles the masses and the Communists make a desperate stand against Fascism and war Norris sells himself as political orator spy and double agent He also sells his friends Like its companion novel *Goodbye to Berlin* *Mr. Norris Changes Trains* offers unforgettable characters struggling in the vortex as the Nazis rise to power *Mr. Norris Changes Trains ; And, Goodbye to Berlin* Christopher Isherwood,1985 **Mr. Norris Changes Trains** Christopher William Bradshaw Isherwood,1947 **Mr Norris changes trains** Christopher Isherwood,1984 *Mr. Norris Changes Trains ... New Edition* Christopher Isherwood,1937 *Mr Norris Changes Train* Christopher Isherwood,1969 **Mr Norris Changes Train** Christopher Isherwood,1942 *An Isherwood Selection* Christopher Isherwood,1979-01-01 **Isherwood's Fiction** Lisa M. Schwerdt,2016-01-03 An examination of the changing relationship between the writer and his protagonists exploring how Isherwood's fiction achieves artistic integration and literary significance only when it reflects his personal concerns through theme and technique as he experiments with new narrative strategies *The Berlin Stories* Christopher Isherwood,2008 A classic of 20th century fiction *Berlin Stories* inspired the Broadway musical and Oscar winning film *Cabaret* This newly released paperback edition features an Introduction by the acclaimed novelist Maupin *W.H. Auden* Peter Edgerly Firchow,2002 This book is not a survey or a guide to all or even most of Auden's poetry though it does follow the general outlines of Auden's development as a poet and thinker **BOOK JACKET** **Auden and Isherwood** Norman Page,2016-03-09 Drawing on much contemporary material including Auden's fascinating unpublished diary this book places personal experience in the context of the life of a great city not only its political artistic and cultural life but the life of the streets bars and caf It presents portraits of figures often fascinating in their own right with whom Auden and Isherwood came into contact and it demonstrates how especially in Isherwood's fiction the raw material of daily existence was transformed into art The wide scope of this study which ranges from poetry and cinema to street violence and prostitution provides a richly detailed context for its account of two writers engaged in the process of self definition **The Berlin Stories** Christopher Isherwood,1954 The Sally Bowles character was the subject of a play *I am a camera* and a musical *Cabaret* *Sites of Exchange* Maurizio Ascari,Adriana Corrado,2006 Crossing borders both physically and imaginatively is part of our nomadic postmodern identity but transcultural and transnational exchanges have also played a major role in the centuries long

processes of hybridisation that helped to fashion the vast geographic political and imaginative container of diversity we call Europe This volume gathers together the work of scholars from several European countries in an attempt to encourage a collective reflection upon historical and often mythical locations and landscapes as well as upon the thresholds and faultlines that unite or separate them The issues the volume tackles are delicate and complex for the encounter of differences engenders both curiosity and suspicion and there is no easy way to create a new synthesis while respecting and promoting diversity However since Europe is inevitably a cultural and political entity in the making Europeans should embrace the great narrative of a utopian project uniting their efforts to work towards a civilisation that is grounded on plurality and openness

Sexuality and Gender in Fictions of Espionage Ann Rea, 2023-12-28 An exploration of how espionage narratives give access to cultural conceptions of gender and sexuality before and following the Second World War this book moves away from masculinist assumptions of the genre to offer an integrative survey of the sexualities on display from important characters across spy fiction Topics covered include how authors mocked the traditional spy genre James Bond as a symbol of pervasive British Superiority still anxious about masculinity how older female spies act as queer figures that disturb the masculine mythology of the secret agent and how the clandestine lives of agents described ways to encode queer communities under threat from fascism Covering texts such as the Bond novels John Le Carr s oeuvre and their notable adaptations and works by Helen MacInnes Christopher Isherwood and Mick Herron *Sexuality and Gender in Fictions of Espionage* takes stock of spy fiction written by women female protagonists written by men and probes the representations of masculinity generated by male authors Offering a counterpoint to a genre traditionally viewed as male centric *Sexuality and Gender in Fictions of Espionage* proposes a revision of masculinity femininity queer identities and gendered concepts such as domesticity and relates them to notions of nationality and the defence work conducted at crucial moments in history

Auden Encyclopedia David Garrett Izzo, 2015-05-07 W H Auden s life and work were perhaps best explained and condensed in the words of Edward Mendelson Auden s literary executor when he remarked Auden grew up in a household in which the scientific inquiries of his father maintained an uneasy truce with the ritualized religion of his mother Indeed science and religion were dominant themes in Auden s life and work which for him were oftentimes one and the same Auden was hailed as the new T S Eliot and as the coming man greatly influencing the future generations of angry young men with his thoughts on science religion and the relationship between the two This book is an exhaustive reference to W H Auden Those new to Auden and his writing will find the work a comprehensive introduction while Auden scholars will appreciate the quick access it offers to the details of all his poems plays libretti and other pieces of writing It also includes entries on the people who were closest and most important to Auden including fellow writers Christopher Isherwood Stephen Spender C Day Lewis Edward Upward and T S Eliot as well as significant events in his life such as his arrival in America his vision of agape and his search in science and religion for answers to the deep questions of life and existence *Christopher*
