Mr Six:

The Box Mandy-Suzanne Wong, 2023-09-19 Of course each thing has its own sides to every story In a dark and crooked lane in an unnamed city where it never ceases to snow a small white box falls from a coat pocket It is made of paper strips woven tightly together there is no apparent way to open it without destroying it What compels a passing witness a self described anthropobe not inclined to engage with other people to pick up the box and chase after the stranger who dropped it The Box follows an impenetrable rectangular cuboid as it changes hands in a collapsing metropolis causing confluences conflicts rifts and disasters Different narrators each with a distinctive voice give secondhand accounts of decisive moments in the box s life From the anthropobe to a newly hired curator of a renowned art collection from a couple who own an antiquarian bookshop to a hotel bartender hiding from a terrible past the storytellers repeat rumours and rely on faulty memories grasping at something that continually escapes them Haunting their recollections in one mysterious woman who convinced of the box s good or evil powers pursues it with deadly desperation In this mesmerizing intricately constructed puzzle of a novel Mandy Suzanne Wong challenges our understanding of subject and objects of cause and effect Is it only humans who have agency What is or isn t animate What do we value and what do we discard Senatorial Campaign Expenditures, 1932 (Louisiana) United States. Martin, 2022-05-31 A vivid and moving story about family courage and the power of education Ruth remembers the day the sheriff pulled up in front of her family s home with a white neighbor who claimed Ruth s father owed her recently deceased husband money It was the early 1940s in Jim Crow South Carolina and even at the age of eleven Ruth knew a Black person s word wasn t trusted But her father remained calm as he waited on her

mother's return from the house Ruth's mother had retrieved a gray book which she opened and handed to the sheriff. Satisfied by what he saw the sheriff and the woman left. Ruth didn't know what was in that book but she knew it was important. In Beatrice's Ledger Ruth R. Martin brings to life the stories behind her mother's entries in that well-worn ledger from financial transactions to important details about her family's daily struggle to survive in Smoaks, South Carolina, a small town sixty miles outside of Charleston. Once the land of plantations, slavery and cotton, by the time Ruth was born in 1930 many of the plantations were gone but the cotton remained. Ruth's family made a living working the land and her father owned a local grist and sawmill used by Black and white residents in the area. The family worked hard but life was often difficult and Ruth offers rich descriptions of the sometimes perilous existence of a Black family living in rural South Carolina at mid-century. But there was joy as well as hardship and readers will be drawn into the story of life in Smoaks. Enriched with public records, research and interviews with friends and family still living in Smoaks, Martin weaves history, humor and family lore into a compelling narrative about coming of age as a Black woman in the Jim Crow South. Martin recounts her journey from Smoaks to Tuskegee Institute and beyond. It is a story about the power of family, about the importance of the people we meet along the way and about the place we call home.

When the 1968 Tet Offensive forces Luong's family to flee the countryside, his mother continues to travel back and forth to their island farm despite threats from the Viet Cong and nearby firefights.
