**Integrating Children's Literature through the Common Core State Standards** Rachel L. Wadham, Terrell A. Young, 2015-07-28 Implementation of the Common Core State Standards with the integration of children's literature can transform teaching and learning into a holistic and engaging experience Tackling nearly every aspect of the English

Language Arts Standards and the measures they employ it offers a thorough plan for engaging elementary school students with literature. It explores the benefits and teaching principles behind CCSS and explains how to apply them to literature. Along with the strengths it has in connection to CCSS you will learn about the history of children's literature and what both fiction and nonfiction bring to the classroom. You will find plenty of practical applications of the CCSS including book lists and lesson ideas along with thorough examples. There is also a wealth of information on the kinds of readers you will encounter and explanations of how to meet their needs. A final section focuses on creating a curriculum connecting the theory throughout the book with concrete lessons plans and units that cover the main CCSS skill sets.

**Folktales Aloud** Janice M. Del Negro, 2014. A good folktale triggers the imagination connecting children to a wider world as well as increasing their vocabulary and comprehension skills. In this delightful and easy to use book teacher and storyteller Del Negro gives librarians, teachers, and parents the keys to storytelling success. Including more than a dozen original adaptations of folktales from around the world tailored specifically for library and classroom use, she reviews storytelling basics such as selecting a tale and learning the story. Offers tips for dealing with stage fright and reluctant listeners. Presents a bibliography of recommended online and print resources steering readers to more wonderful tales to tell. For young listeners the folktale is a perfect gateway to the exciting worlds of culture and literature and Del Negro's book invites their engagement with proven techniques and original story scripts that can be used by experienced as well as beginning tellers.

Performing Kamishibai Tara McGowan, 2015-04-10. Kamishibai paper theater, a Japanese picture storytelling medium, is gaining global interest as we move from a text-based culture to one that emphasizes multiple semiotic systems and performance. This is the first volume to explore the potential of kamishibai as a dynamic new interactive medium for teaching multimodal communication and shows how synchronizing oral, visual, and gestural modes develops students' awareness of all modes of communication as potential resources in their learning. By examining the multiple modes involved in kamishibai through actual student performances over several venues, this volume overturns commonly held expectations about literacy in the classroom and provides a critical perspective on assumptions about other media. It offers much needed information about a medium that is attracting interest from educators, academics, and artists worldwide.

*Why Leopard Has Spots* Won-Ldy Paye, 1999. Dan stories from Liberia represent great storytelling and universal values.

Children's Book Award Handbook Diana F. Marks, 2006-03-30. Diana Marks looks at children's and young adult book awards in depth. The history, award criteria, and a biography of the person behind each of the well-known awards is included. Also of interest are lists of the winners in each category, teaching and exploration activities, reproducible teaching aides, and a timeline of events leading up to the establishment of the award. Information about well-known awards is accompanied by information on the lesser-known Pura Belpré, Jane Addams, etc. Information is formatted in quick, easy-to-read tables and charts suitable for classroom duplication. Although some of this information is available online, this is a one-stop handbook that contains lesser-known awards and offers activities for

enriching the study of each award whether well known or not Grades K 8      **Integrating the Arts Across the Content Areas** Donovan, Lisa, 2017-03-01 Bring the arts back into the classroom with arts based activities and strategies to use in language arts mathematics science and social studies instruction Developed in conjunction with Lesley University this resource helps teachers to gain a better understanding of why and how to use the arts to reach and engage students Developed to help motivate disengaged students this professional resource provides activities concrete examples and stories from teachers already implementing art based curriculum The strategies are presented in categories that include dramatic movement storytelling poetry music rhythm and visual arts This resource supports College and Career Readiness Standards
