What she has never before encountered is a dead body. When Ellen stumbles across the body of a young woman in an over cluttered flat, suspicion immediately falls on the deceased homeowner's son who has recently absconded from prison. To get to the heart of the matter, local amateur sleuths Carole and Jude join the community choir and discover that amidst the clashing egos and petty resentments, there lurk some decidedly false notes. At least one chorister would appear to be hiding a deadly secret, and it's up to Carole and Jude to unearth the truth. **A Nice Class of Corpse** Simon Brett, 2011-11-21. The Devereux is a nice residential hotel which caters for a nice class of guest. On the morning after her arrival, the corpse of one of the frailer residents is found at the foot of the main staircase, and shortly after that, another death shakes the gentility of the hotel. Deciding to investigate herself, Mrs Pargeter discovers that more than one person in the Devereux has a motive for murder.

**Death in the Dressing Room** Simon Brett, 2025-04-01. Neighbours Carole and Jude investigate murder most horrid in the theatre in the latest Fethering village mystery from the original king of British cozy crime, internationally best-selling award-winning author Simon Brett OBE. For fans of Richard Osman but with added bite, Carole Seddon, a very respectable retired woman living in the English seaside village of Fethering, doesn't care for the theatre. But her neighbour Jude counts the job of actress among her many and varied past careers. So when Jude attends the closing night of a new play based on a classic TV sitcom, Carole is interested but only because she suspects the leading man, Drake Purslow, is one of her scandalous friend's ex-lovers. The night turns out to be more dramatic than either Carole or Jude could have ever predicted. After the performance, Jude makes her way to Drake's dressing room only to find him dead in what, to Jude's experienced sleuthing eye, seem very suspicious circumstances. Did one of the play's cast, made up almost entirely of the original sitcom's actors, have a long-held grudge against the show's star? Or are more recent hatreds to blame? Jude is determined to find out, and Carole, who despite protestations is almost pathologically nosy, is right there to investigate alongside her. Not met Carole and Jude yet.

Booklist Starred Review. Having decided to redecorate Woodside Cottage, Jude has engaged the services of local man Pete who has painted and decorated the homes of Fethering residents for many years. Pete is currently working on Footscrow House, a large Victorian building which is being converted into holiday flats by a local developer. Having arranged to meet at Fiasco House as it is known locally due to the many failed business enterprises over the years, Jude and Pete make a surprising discovery behind a wall panel: a woman's handbag. The casual discovery becomes serious when the police identify the handbag's owner as Anita Garner, a young woman who vanished in suspicious circumstances twenty years earlier. Determined to find out what really happened to Anita all those years ago, Jude and her neighbour Carole's investigations plunge them into a maze of deception and murder as they uncover a number of uncomfortable secrets beneath the serene surface of Fethering life.

**The Killing in the Café** Simon Brett, 2016-03-01. The wickedly entertaining new Fethering mystery featuring chalk and cheese detective duo Carole and Jude. Polly's Cake Shop has been a feature of the shopping parade for many years, but when its owner announces her retirement, the Fethering residents start to worry about the loss of this popular amenity. Alarmed by rumours that the café might become a Starbucks, a group clubs together to form the Save Polly's Cake Shop Action Committee. The plan is that Polly's should become a community venture managed and run by volunteers from the village. Roped in to help, Jude finds the committee meetings fraught with petty power struggles, clashing personalities and monstrous egos. Matters take a turn for the worse when she and Carole come across a badly decomposed body on Fethering beach and uncover a link to Polly's. Not only do the two neighbours have to find out whodunit, they are also faced with the thorny question: is it possible to run a business on that most volatile of commodities, goodwill?

Aging TV personality and curmudgeon Humphrey Carter might have a chip on his shoulder the size of England about the decline of his career, but a job's a job. But when Ellen arrives the morning after Humph's eightieth birthday party, primed and ready to tackle his study, no matter his protests, she gets the shock of her life: Humph's dead, and all signs point to him having taken his own life.
