Woolfe Jr.,2016-05-26 This is the story of the last mounted American troops to see action in battle when in late 1941 six hundred men and their horses held off the Japanese invasion of Luzon in the Philippines just long enough to allow General Douglas MacArthur's forces to withdraw to Bataan The 26th continued to fight on horseback until late February 1942 when tragically they were ordered dismounted and their horses and mules transferred to the Quartermaster's center and slaughtered for food for the defenders It is on record that the 26th troopers refused to accept meat rations from their animals regardless of their own starvation This stirring account of a little known aspect of the Philippine campaign is military history at its best *The Battle of Bataan* Donald J. Young,2009-10-21 Fought with obsolete and discarded equipment by an army mostly made up of untrained Filipinos the Battle of Bataan has become one of the forgotten battles of World War II This book provides a complete history of the conflict by looking at the events which led up to the battle with an overview of the American Philippine and Japanese forces that fought on Bataan Abandoned by their commander Douglas MacArthur and written off by their president without an air force

or navy to support them for 90 days the Americans and Filipinos held out against not only the Japanese but the ravages of starvation and disease In the end came the largest surrender in American military history The book contains dozens of period and modern photographs and several maps

The Balanga Complex Bude Allen,2022-03-03 Fiction it has been suggested is stranger than history but the reality is fiction is history It is either a record of an author s stimulated imagination or real events of historical merit with venues names and dates skewed to protect the innocent The former being the case for The Balanga Complex A Pilgrim s Holiday That is mostly the case for life experiences can never be totally eliminated from a fictional story To live is to have a story whether rooted in imagination or accrued from actual happenings Both being the case for the author of this holiday story and that makes for a more familiar if not a truer fictional tale

United States Army in World War II. United States. Dept. of the Army. Office of Military History,1947 [The War in the Pacific: Fall of the Philippines \(Paperback\)](#) ,

The Bataan Death March 1942 Bob East,2024-08-03 This book is predominately about the Bataan Death March that followed the capitulation and surrender of the Philippine and United States armed forces on 09 April 1942 in Luzon Philippines After the bombing of Pearl Harbor in late December 1941 and the subsequent bombing of Clark Air Base Japanese forces landed in Northern Luzon and worked their way down to the capital Manilla Early in 1942 General Douglas MacArthur ordered all the Allied forces in Luzon to proceed south to the Bataan Peninsula Both he and General Wainwright and 10 000 allied troops went further south to Corregidor Island This left General King in charge of all the allied troops in the Bataan Peninsula Throughout January February and March 1942 the Philippine and U S troops underwent extreme hardship and although asking General MacArthur for permission to surrender which was refused General King on 09 April 1942 surrendered to the Japanese This then triggered the beginning of the Bataan Death March a 70 kilometre forced march to San Fernando a train trip of 2 3 hours and finally another 13 kilometre walk to the O Donnell P O W Camp in Capas What followed was the death of thousands of prisoners of war both on the Bataan Death March and in the years following until the Japanese surrendered in September 1945 The book will provide a valuable resource for students and researchers of modern history particularly the Second World War and the War in the Pacific 1941 1945

The Fall of the Philippines Donald J. Young,2015-03-30 World War II began for the United States with the Japanese attack on Pearl Harbor December 7 1941 followed by the invasion of the Philippine Islands the next day Unlike the rapid capture of Hong Kong Wake Island and Singapore the war in the Philippines lasted for seven months before the unprepared American and Filipino forces cut off from supplies and fighting with obsolete equipment and without air or naval support were overwhelmed Drawing on diaries and personal accounts this book chronicles forgotten actions in the fall of the Philippines through the recollections of American servicemen The author covers the 90 day perseverance of Bataan s tiny air force the first PT boat raid of the war the last U S horse cavalry charge in history a lone U S submarine s attack on a Japanese invasion fleet the deliberate bombing of Bataan s main field hospital by the Japanese the difficult and uneasy surrender of Bataan Corregidor s doomed

resistance and the surrender of the Southern Islands of the archipelago *Engineers of the Southwest Pacific, 1941-45*
United States. Army. Forces, Pacific, 1947 Last Stand on Bataan Christopher L. Kolakowski, 2016-03-11 In the opening
days of World War II a joint U S Filipino army fought desperately to defend Manila Bay and the Philippines against a
Japanese invasion Much of the five month campaign was waged on the Bataan Peninsula and Corregidor Island Despite
dwindling supplies and dim prospects for support the garrison held out as long as possible and significantly delayed the
Japanese timetable for conquest in the Pacific In the end the Japanese forced the largest capitulation in U S military history
The defenders were hailed as heroes and the legacy of their determined resistance marks the Philippines today Drawing on
accounts from American and Filipino participants and archival sources this book chronicles these critical months of the
Pacific War from the first air strikes to the fall of Bataan and Corregidor But Not in Shame John Toland, 2016-08-17
December 7 1941 at exactly 7 55AM on a seemingly peaceful Sunday morning the United States was plunged into the
greatest war in history What were the events which determined the Pearl Harbor catastrophe What were the last few days on
Wake Island like What really occurred on the infamous Bataan Death March and why did it happen How did MacArthur make
his dramatic escape from Corregidor And what is the story behind the greatest capitulation in American history General
Wainwright s forced surrender of the Philippines But Not in Shame begins with the race to decode intercepted secret
Japanese messages the day before the Pearl Harbor attack and ends six months later with the stunning victory which
unexpectedly turned the tide the Battle of Midway More than an exciting narrative of battles and leaders it is a story of the
individuals on both sides who took part in the most critical decisions and momentous events **Republic of the**
Philippines Congressional Record Philippines. Congress (1940-1973). Senate, 1969 *100 Resorts in the Philippines*
Dominique Grele, Lily Yousry-Jouve, 2004-01-15 The book features full details and descriptions of resorts hotels or
guesthouses that the authors regard as memorable The description of each place is not just factual but emotional in that it
reveals impressions It is more as though a friend is making a word of mouth recommendation rather than the bland copy of a
brochure Details of the overall size the facilities rates service local tours and attractions are fully covered *The Battling*
