## Mucha Posters:

**Alphonse Mucha** Victor Arwas,1985      **Art Nouveau Posters** Hayward Cirker,Blanche Cirker,1983-01-01 Poster art by Toulouse Lautrec Parrish Steinlen Mucha Cheret others 24 cards      **Mucha's Figures Décoratives** Alphonse Mucha,2012-07-17 Comprised of 40 full page two color plates of finished drawings in several media this new volume reproduces Mucha s extraordinary 1905 style book Figures D coratives a summation of Art Nouveau art and design New introduction      French Posters Isabella Alston,2014-08-01 The French poster born of a basic utilitarian purpose has developed with age into an admired and collected art form Vintage posters command high prices at auction and curators specialize in their restoration The earliest art worthy posters appeared on the streets of Paris designed by French born artists such as Jules Ch ret who popularized poster art with his Ma tres de l Affiche publication from 1895 to 1899 Paul mile Berthon and Henri de Toulouse Lautrec Other poster artists just as well known but hailing from other countries include Eug ne Grasset from Switzerland Alphonse Mucha from what is now the Czech Republic and Marcello Dudovich from Italy The Art Nouveau and Art Deco posters created before and after the turn of the 20th century advertised everything from soap to chocolate bicycles to cars coffee to cordials department stores to nightclubs They promoted the performing artists in the revues theaters and cancan lines that dominated nightlife in the City of Light Travel another common poster theme featured modern ocean liners and airlines as well as terribly exotic destinations and European resorts This book includes examples of the works of the most popular poster artists working in France from 1890 to the 1930s      Alphonse Mucha Jiri Mucha,Alphonse Marie Mucha,1971      The Poster Ruth E. Iskin,2014-10-07 The Poster Art Advertising Design and Collecting 1860s 1900s is a cultural history that situates the poster at the crossroads of art design advertising and collecting Though international in scope the book focuses especially on France and England Ruth E Iskin argues that the avant garde poster and the original art print played an important role in the development of a modernist language of art in the 1890s as well as in the adaptation of art to an era of mass media She moreover contends that this new form of visual communication fundamentally redefined relations between word and image poster designers embedded words within the graphic rather than using images to illustrate a text Posters had to function as effective advertising in the hectic environment of the urban street Even though initially commissioned as advertisements they were soon coveted by collectors Iskin introduces readers to the late nineteenth century iconophile a new type of collector curator archivist who discovered in poster collecting an ephemeral archaeology of modernity Bridging the separation between the fields of art design advertising and collecting Iskin s insightful study proposes that the poster played a constitutive role in the modern culture of spectacle This stunningly illustrated book will appeal to art historians and students of visual culture as well as social and cultural history media design and advertising
