Mud In Your Eye:

Dictionary of Word Origins Jordan Almond, 1995 This dictionary gives the intriguing origins of hundreds of everyday words and expressions Useful for reference and fun just for browsing Dictionary of Word Origins is also a great way to expand vocabulary and enjoy doing it Twenty Steps Toward a Climate of Justice Marvin T. Brown, 2025-01-31 This book provides a multilayered approach twenty steps on how we might move toward a social climate of justice Posts written for the Climate of Justice Project exemplify how the steps direct us toward meaningful engagement with our social political and environmental challenges The 116 posts were written as responses to conflicts ideas and conversations between 2020 and 2024 Many of the posts are instances of dialogue with over 60 authors who have contributed to public discourse such as Richard Powers Roxanne Dunbar Ortiz and Robin Wall Kimmerer Some posts are more philosophical than others and some more humorous such as the imaginary interview with Amy Coney Barrett The first step Focus the Mind on a Climate of Justice lays out the basic premise of the book with eight posts including Who will Protect us and A Framework for our Thinking The second step Take Care of Civic Spaces defines the civic as the space where we can reconcile social differences and repair social damages Step three addresses a common barrier to a climate of justice authoritarian zealots with four posts including A Message to Christian Nationalism The seventeen other steps from Abolish White Supremacy to Care for Civilians include posts that respond to such events as Black Lives Matter the coronavirus the Russian invasion of Ukraine and October 7 While the events keep changing taking the steps that will move us toward a climate of justice have become even more relevant Body Language from Head to Toe Per-Olof Hasselgren, 2015-08-20 Written by a physician Body Language from Head to Toe is a dictionary of American idioms and other expressions that contain the name of a body part The use of body part related expressions is both interesting and fun This book contains about 2 000 such idioms words and expressions such as with the back against the wall brainstorming sweet tooth and tongue in cheek Says author Per Olof Hasselgren As a surgeon I understand the importance of anatomy and the knowledge of organs and tissues This book reflects my longstanding interest in idioms and other expressions referring to body parts and it connects anatomy with the spoken and written language This book was written for three main reasons First anatomy matters particularly in surgery During the last several years collecting such expressions became a hobby for the author Second as someone moving to this country from another part of the world Dr Hasselgren is interested in the peculiarities of the American language Idioms slang and other expressions are specific for any given language and quite often cannot be directly translated Third when one starts to be aware of them written and spoken body language can become quite entertaining *Interpreting Folklore* Alan Dundes, 1980-08-22 Dundes has produced a work which will be useful to both students and teachers who wish to broaden their understanding of modern folklore Center for Southern Folklore Magazine It is impossible ever to remain unimpressed with Dundes excursions however much one may be in disagreement or not with his conclusions Forum for Modern Language

Studies Often controversial Alan Dundes's scholarship is always provocative perceptive and intelligent His concern here is to assess the material folklorists have so painstakingly amassed and classified to interpret folklore and to use folklore to increase our understanding of human nature and culture **Now You Know Big Book of Answers 2** Doug

Lennox,2008-09-02 Once again Doug Lennox the toastmaster of trivia serves up a mammoth selection of some of his most cherished Q As culled from his previous books Also featured in this wide ranging compendium are 150 brand new questions answered with Doug's inimitable flair for unearthing intriguing arcana on everything from animals and the arts to superstitions and show business Customs conventions expressions everyday words rituals and traditions Doug has dug deep to deliver the goods on a vast array of perplexing subjects Why is a warm autumn called Indian summer What is the origin of nicknames Why is a decorated parade vehicle called a float Why is the rubber around a car wheel called a tire Why are sailors known as tars Why is a bad dream called a nightmare Why are published periodicals called magazines The Skin

Curzio Malaparte,2013-11-05 This is the first unexpurgated English edition of Curzio Malaparte's legendary work The Skin The book begins in 1943 with Allied forces cementing their grip on the devastated city of Naples The sometime Fascist and ever resourceful Curzio Malaparte is working with the Americans as a liaison officer He looks after Colonel Jack Hamilton a Christian gentleman an American in the noblest sense of the word who speaks French and cites the classics and holds his nose as the two men tour the squalid streets of a city in ruins where liberation is only another word for desperation Veterans of the disbanded Italian army beg for work A rare specimen from the city's famous aquarium is served up at a ceremonial dinner for high Allied officers Prostitution is rampant The smell of death is everywhere Subtle cynical evasive manipulative unnerving always astonishing Malaparte is a supreme artist of the unreliable both the product and the prophet of a world gone rotten to the core Now You Know Absolutely Everything Doug Lennox,2013-12-06 This bundle presents Doug

Lennox's popular trivia book series in its entirety These books will provide years and years of fun with countless questions to be asked and tons of knowledge to be learned The books cover general trivia but also such topics as sports baseball hockey football golf soccer among others Christmas and the Bible disasters and harsh weather royal figures crime and criminology important people in Canada's history and so much more Along the way we find out the answers to such questions as Why do the British drive on the left and North Americans on the right What football team was named after a Burt Reynolds character Who started the first forensics laboratory Which member of the British royal family competed at the Olympics Lennox's exhaustive series is fun for all ages Includes Now You Know Now You Know More Now You Know Almost Everything Now You Know Volume 4 Now You Know Big Book of Answers Now You Know Christmas Now You Know Big Book of Answers 2 Now You Know Golf Now You Know Hockey Now You Know Soccer Now You Know Football Now You Know Big Book of Sports Now You Know Baseball Now You Know Crime Scenes Now You Know Extreme Weather Now You Know Disasters Now You Know Pirates Now You Know Royalty Now You Know Canada's Heroes Now You Know The Bible

TwentySomeone Craig Dunham,Doug Serven,2010-05-19 Live Strategically The decade of your twenties is full of important stressful maddening questions What will I do Who will I love Where will I live But maybe there s a bigger question Who am I The fact is the period of time between your teens and thirties will shape a lot of your character your calling and your view of the world Authors Craig Dunham and Doug Serven recent graduates of their twenties explain that the difference between a twentysomething and TwentySomeone has to do with the questions we ask Instead of asking What will I do twentysomeones need to ask Who am I the real question of the twenties Full of personal experience and practical wisdom TwentySomeone helps you make the most of your twenties while giving you the skills to handle common life experiences like singlehood first jobs getting married having kids and buying stuff This is a guidebook that will help you discover who God is calling you to be

The Gospel of John Frederick Dale Bruner,2012-02-22 The author of a much loved two volume Matthew commentary 1990 that he greatly revised and expanded fourteen years later Frederick Dale Bruner now offers The Gospel of John A Commentary more rich fruit of his lifetime of study and teaching Rather than relying primarily on recent scholarship Bruner honors and draws from the church s major John commentators throughout history including Augustine Chrysostom Aquinas Luther Calvin Bultmann Barrett and many more Alongside this historical interpretation is Bruner s own contemporary interpretation which incorporates a lucid translation of the text references to recent scholarship and his pastoral application of the Gospel to present day experience Like Bruner s other work this commentary is rich in biblical insights broadly historical and deeply theological Here is what Eugene Peterson said about Bruner s earlier work on Matthew This is the kind of commentary I most want a theological wrestling with Scripture Frederick Dale Bruner grapples with the text not only as a technical exegete although he does that very well but as a church theologian caring passionately about what these words tell us about God and ourselves His Matthew commentary is in the grand traditions of Augustine Calvin and Luther expansive and leisurely loving the text the people in it and the Christians who read it The same could well be said about the present John commentary which promises to be another invaluable resource for pastors teachers and laypeople alike
