Matthias Joseph Scheeben

My Father Has A Sweet Name:

Jesus is the key Judith Archer, 2015-06-01 This book was made to emphasize His greatest love to all human races that when He died He offered it to His Father He was obedient and He listened to what His Father wanted Him to fulfil to obtain the greatest gift that He offered to mankind the gift of love He emphasizes to all that His love is never ending that He is always there for all through the good Holy Spirit He speaks to everyone through this servant this servant will never leave His children He promised that to all mankind that they will live a fruitful life if they choose the good Holy Spirit as their counsellor their guiding light and their comfort Jesus is the Key is design to shape peoples life it is meticulously design to fix and dig all areas of human characteristics negative and positive so it enables the people to grasp the good Holy Spirit which lead the people to hear the voice of Jesus Christ God the Father and all the heavenly Family that is if they are willing to ask the good Holy Spirit and if they are focus and believe then they can acquire so many gifts that the Holy Spirit reveals they can have knowledge and wisdom so they will have a normal joyful and peaceful life with compassion and humility *One Hundred Short Sermons* H. J. Thomas, 1859

Nature & Grace Matthias Joseph Scheeben, 2024-10-01 For Scheeben our status as creatures means that not only all our actions but even our very existence from moment to moment depend on God who as our loving Creator grasps us at the root of our being This is radical dependence also means that we have certain duties toward God Ultimately the only proper posture we can adopt toward him is to bow our heads in profound humility before the one who has granted us participation in being from his infinite generosity On a very practical level this dependence means that our true exaltation can only come about through humble submission in love to him who made us We do this through the handing over of our being to him in sacrifice made possible by the sacrificial self offering of Christ just as true Aufkl rung enlightenment can only come about by the sacrificium intellectus the handing over of our intellect to the one who gives it back to us divinized by the light of faith Everything is ultimately grace in that creation itself is absolutely gratuitous a pure gift But in God s providence we stand in relation to God in distinct ways on account of his stupendous generosity and love While everything is indeed grace there is a double gratuity that marks the Christian life the grace of creation and that of divine sonship The whole point of distinguishing nature and grace lies precisely in preserving the supernatural splendor of this twofold gratuity that is in distinguishing the grace of the natural order from the grace of our supernatural participation in divine life If we don t have a robust sense of the natural order we won t see how transcendent the supernatural order truly is
