My First Words Tower:

Huntingtower John Buchan, 2023-05-01T04:38:11Z Published in 1922 *Huntingtower* is the first of John Buchan's novels to feature Dickson McCunn. McCunn recently retired embarks upon a walking tour of southwestern Scotland and encounters a poet and former soldier on his travels. They spend the evening in a small village and when they investigate a large empty house nearby they hear a woman singing from within. McCunn's companion recognizes the woman's voice as belonging to a Russian princess he had worshiped from afar when he was stationed in Europe. A gang of street urchins inform the pair that the princess and her companion are held prisoner and all agree to join forces and effect a rescue. The book was made into a silent movie in 1928 and has also been adapted for radio. This book is part of the Standard Ebooks project which produces free public domain ebooks.

The (Un)Common Good Jim Wallis, 2014-05-27 Jim Wallis thinks our life together can be better. In this timely and provocative book he shows us how to reclaim Jesus's ancient and compelling vision of the common good—a vision that impacts and inspires not only our politics but also our personal lives, families, churches, neighborhoods, and world. Now available in paperback with a new preface. Personal, political, religion, politics, faith, power, ideology, pragmatism. Jim Wallis is a wrestler of values, ideas, and policies and how they interact to shape the world we live in. His deep, melodious voice is easy to listen to, but what he says takes a harder commitment to live by. Bono, lead singer of U2, cofounder of ONE.org, Wallis persuades more powerfully here than ever before. He lays out the theology of Jesus's gospel of the kingdom and then issues to all Christians a rallying cry to apply that theology both in private life and in the arena of public activity. Phyllis Tickle, author of *Emergence Christianity*. Jim Wallis has long been an influential voice on Christian ethics and public life. A fresh take on the interplay of faith and politics in America. Relevant. Jim Wallis and I have a variety of differences on domestic and international policy, but there is no message more timely or urgent than his call to actively consider the common good. Michael Gerson, *op ed* columnist, *The Washington Post*. Reading this book will help you be more like Jesus, especially in the public square. Joel C. Hunter, senior pastor, Northland A Church Distributed.

with interesting and sometimes high profile players now part of the sandlot nation It shares a personal backstory about my dual heritage Hispanic and Scot Irish the parents who shaped Jim s character and tragedies mixed with soaring milestones Most of all this is a book about cross country adventures that landed Matthews back home to Austin and onto sandlots despite arthritic knees and a hip replacement It s about passion and esprit de corps that can only be found on base or in front of the pitching mound on a field that may be full of weeds or fire ants But when you re able to play the game you love in its purest form the small things that might bother most just come with the territory Find the Moontowers Baseball Club at [instagram austinmoontowers](https://www.instagram.com/austinmoontowers) and [www moontowers co](http://www.moontowers.co)
