Supernatural Fiction Writers Richard Bleiler, 2003 The Scribner Writers Series has set the standard for literary reference for more than 25 years. In addition to addressing the lives and careers of important writers the articles discuss the themes and a styles of major works and place them in pertinent historical social and political concerns for today's readers. Novelists playwrights essayists poets short story writers and more recently genre writers in science fiction and mystery are all expertly discussed in the more than 17 sets comprising this series. To see listings of writers for any volume in this section go to the Scribner Writers Series section online at www.gale.com/scribners. J K Rowling Peter Straub Anne McCaffrey these are among the many widely read authors in fantasy and horror genres covered in this addition to Scribner's 1985 two volume set. Essays written by scholars yet accessible to the general reader and student treat both writers who have risen to prominence since the 1985 edition and those whose careers have continued since original coverage such as Stephen King Ursula K LeGuin and Harlan Ellison. The index cumulates the index from the first two volumes

Talking Books James Carter, 2013-01-11 Talking Books sets out to show how some of the leading children's authors of the day respond to these and other similar questions. The authors featured are Neil Ardley Ian Beck Helen Cresswell Gillian Cross Terry Deary Berlie Doherty Alan Durant Brian Moses Philip Pullman Celia Rees Norman Silver Jacqueline Wilson and Benjamin Zephaniah. They discuss with great enthusiasm their childhood reading habits how they came to be published how they write on a daily basis how a particular book came together a type of writing that they are especially known for. Through in depth interviews they each reveal their approach to their craft. Much is known and spoken of the product that is the children's book but it is rare that writers are given the opportunity to talk at length about the process of writing for children. Talking Books redresses the balance by presenting a wide selection of authors of fiction non fiction and poetry reflecting upon the joys and challenges of the craft creativity and process of writing for children

Creating Writers James Carter, 2002-02-07 This unique and comprehensive text offers an original approach to teaching creative writing by exploring ideas giving advice and explaining workshop activities and has many contributors from some of today's most popular children's authors including Jacqueline Wilson Roger McGough Philip Pullman Malorie Blackman and David Almond. Creating Writers is a practical writing manual for teachers to use with upper primary and lower secondary level pupils that covers poetry fiction and non fiction

Two Crafty Criminals! Philip Pullman, 2013-05-14 Benny Kaminsky and Thunderbolt Dobney lead a rag tag gang of neighborhood rowdies. Their territory is the New Cut on London's South Bank a place bristling with swindlers bookies pickpockets and the occasional policeman. And their aim is to

solve crimes When counterfeit coins start showing up in their neighborhood Thunderbolt fears his own father may be behind the crime But his friends devise a way to trap the real culprit Then the gang takes on the case of some stolen silver They have just two clues a blob of wax and an unusually long match But even this slippery thief is unmasked by the determined kids of the New Cut Gang Filled with silly sleuthing improbable disguises crazy ruses and merry mayhem these stories are action packed romps from one of the best storytellers ever Philip Pullman *The Writers Directory*, 2013 Philip Pullman

Catherine Butler, Tommy Halsdorf, 2017-09-16 Philip Pullman's His Dark Materials trilogy is a worldwide classic of modern literature for both children and adults Challenging in its intellectual scope ambitious scale and range of literary reference it is also hugely controversial due to its critique of organised religion This collection of original essays by an international team of distinguished scholars assesses Pullman's achievement and introduces readers to some of the key debates surrounding His Dark Materials Covering topics such as religion gender childhood and scientific enquiry the volume also discusses the
