**Memories of a Chickabiddy** Betty Jordan,2012-12-03 Growing up on a farm in the Midwest during the 30 s 40 s and 50 s was a page in history the will never be again Each family farm was a special little unit that was very sufficient We grew our own vegetables and some fruit we raised cattle pigs and chickens We therefore had our own milk and cream our own meat our own eggs and from our well our own water The mothers sewed the clothing and we even had our own fuel copped wood There was no medical insurance and if the grandparents needed healthcare the family took care of them Farmers had no motor homes vacations were unheard of when you have to milk the cows twice a day and you owed it to the cows to be on time Entertainment was in the home and visiting the neighbors along with bridal showers weddings along with graduations and an occasional barn dance It was a cohesive unit and a happy one

**The Red Diaries** James K. Allardice, 2020-04-29 On January 1 1943 my dad James K Kenneth Allardice began keeping a diary in what were called national diaries These were fairly large diaries 9 1/2 x 7 1/2 and he faithfully kept a daily accounting of family activities as well as noting important local national and international events In many respects these diaries resemble newspaper pages This was due to his early endeavors as a newspaper founder columnist editor and publisher What you will read in the following pages are just excerpts from the diaries It was quite a task to choose what to include as the diaries from 1943 to 1963 contain almost 7 300 pages as well as hundreds of clippings and photos I hope that what follows will give an interesting account of my family growing up together dealing with the everyday joys and challenges and what life was like at 611 Main Street Toms River New Jersey The diaries are archived with the Ocean County Historical Society in Toms River New Jersey James G B Allardice

**Western Railroader and the Western Railfan**, 1978 *Nymphs, Stoneflies, Caddisflies, and Other Important Insects* Ernest Schwiebert, 2007-09-01 Volume II After the mayfly family detailed in *Nymphs The Mayflies* the fly fisher must know the caddisfly stonefly and midge populations just as well to catch trout that are keyed in on such insects *Nymphs Caddisflies Stoneflies and Other Important Species* gives the reader all the essential information about identifying individual species of these insects throughout their North American range and then delves into detailed instructions for scores of artificial patterns to imitate them Few books in fishing literature have focused so closely on so many individual species of the particular genera of aquatic insects in this volume And just as in *Nymphs The Mayflies* this book contains numerous stories and anecdotes from Schwiebert's travels that illuminate the selection and use of nymph patterns and recount great days spent on the water as interpreted through one of the great minds of modern fly fishing

**The Red House** Mark Haddon, 2012-06-12 The novel's pleasure there in spades lies in Haddon's caustic wit his pitch perfect nailing of each of his characters and in his absurdly concise descriptions of the most banal activities In providing it Haddon proves himself once again to be a brilliant modern observer and cataloguer of human vice and frailty National Post The setup of Mark Haddon's brilliant new novel is simple Richard a wealthy doctor invites his estranged sister Angela and her family to join his for a week at a vacation home in the English countryside Richard has just remarried and acquired a willful stepdaughter in the process Angela has a feckless husband and three children who sometimes seem alien to her All eight arrive with low expectations for a pleasant holiday But because of Haddon's extraordinary narrative technique the stories of these eight people are anything but familiar Told through the alternating viewpoints of each character *The Red House* becomes a symphony of long held grudges fading dreams and rising hopes tightly guarded secrets and illicit desires all adding up to a portrait of contemporary family life that is bittersweet comic and deeply felt

**The Witchhunter - Red Shadow** Zoltán Pósfai, 2015-09-22 Conley Theron had been a lone witch hunter for centuries Some events he mostly erased from his memory fuel his relentless hatred toward the witches that most of the world considers old tales His mysterious longevity and immunity to witchcraft allowed him to become a prime predator During his hunts he finds traces of a witch who

apparently slipped away from him for a long time While investigating and pursuing her the hunt takes a twist unexpected to both The witch home world is threatened for the first time while the hunters motives and past start to crack Book one of The Witchhunter series      *Operation Red Herring* David H. Brown,2007-09-06 Don t let the gruesome murders of a man and a woman in the basement of a former government building just off Capitol Hill in Washington DC lull you into thinking this is just another mystery novel It will take careful reading of this compelling and different kind of novel to understand the O Henry type ending Page after page and chapter after chapter will bring together a series of intrigues For example the heads of the Italian mafia and the Russian mafiya work out a historic cooperative scheme to assassinate a high U S government official This is to take place in late October 2007 during the 100th anniversary of Union Station on Capitol Hill and the 78th anniversary of the 1929 Stock Market crash These two events truly are historically correct Once you discover that a secret Middle East terrorist organization is involved the two events will make sense because that organization has learned of the mafia and mafiya alliance s plan and will take advantage of them to execute its own event that will make a mockery of Capitol Hill s security procedures The organization uses a small bank in a Caribbean nation to launder the money needed to carry out its mission The organization calls its effort OPERATION RED HERRING The term stems from animal rights activists in England who confuse hunt dogs by dragging bags of that dead fish across the trail so the fox is not killed To the organization the term means deception A curmudgeon private detective and his Capitol Police niece not only solve the two murders but they help unravel the Union Station plot The murders take place in what used to be for the novel s purpose the former Government Printing Office The GPO now houses an innovative semi government agency but few of the current and former occupants know the existence of a underground tunnel between the building and Union Station It actually exists The assassination attempt will make use of that tunnel to avoid discovery Many clues are scattered throughout the novel You may have to reread sections of the novel to discover them Even the murder weapons are unusual And at least one character will turn out to be someone who really is not what you think      *Red Phoenix* Larry Bond,Chris Carlson,2024-05-29 In the aftermath of a series of student riots in Seoul the U S Congress rushes a bill into law calling for the complete withdrawal of American troops from South Korea This sets off a chain reaction North Korea attacks across the DMZ Russia supports North Korea the Chinese remain neutral and the United States fights again alongside its South Korean allies The full range of ground air and naval forces take part in vicious combat first to hold off the North Korean onslaught then drive them back A direct hit The techno thriller has a new ace and his name is Larry Bond Tom Clancy Displays a Knowledge of modern weaponry and war that can only be described as state of the art Stephen Coonts best selling author of *Final Flight* Fast furious and powerfully realistic A stunning scenario of modern war W E B Griffin bestselling author of *Brotherhood of War* *Red Phoenix* is a shocking new chapter of a tragic disaster that might very well stun the world by becoming a reality Larry Bond has proven himself a master of master of military adventure Clive Cussler bestselling author of *Treasure* Exciting
