Redburn Whitejacket Mobydick:

Herman Melville: Redburn, White-Jacket, Moby-Dick (LOA #9) Herman Melville, 1983-04-15 Well over a century after its publication Moby Dick still stands as an indisputable literary classic It is the story of an eerily compelling madman pursuing an unholy war against a creature as vast and dangerous and unknowable as the sea itself But more than just a novel of adventure more than an encyclopedia of whaling lore and legend Moby Dick is a haunting mesmerizing and important social commentary populated with several of the most unforgettable and enduring characters in literature Written with wonderfully redemptive humor Moby Dick is a profound and timeless inquiry into character faith and the nature of perception LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries Redburn ; White-Jacket ; Moby-Dick Herman Melville, 1983 **Herman Melville Collection** Herman Melville, 2020-05-07 Three classics in one Wonderfully spread out in one annotated and illustrated compact volume Many vintage books are increasingly scarce and expensive We published this volume in an affordable modern high quality edition complete with a biography of the author Includes Redburn 1849 White Jacket 1850 Moby Dick 1851 **Redburn, White-Jacket, Moby-Dick** Herman Melville, 1983 *Adumbrations of Moby Dick in Redburn and White Jacket* Jack H. Wilson, 1957 **Moby-Dick** Herman Melville, 2009-06-16 This American masterpiece is a profound inquiry into character faith and the nature of perception and is now available in a Penguin enriched eBook classic **The Rites of Assent** Sacvan Bercovitch, 2014-01-14 The Rites of Assent examines the cultural strategies through which America served as a vehicle simultaneously for diversity and cohesion fusion and fragmentation Taking an ethnographic cross cultural approach The Rites of Assent traces the meanings and purposes of America back to the colonial typology of mission and specifically in chapters on Puritan rhetoric Cotton Mather Jonathan Edwards and the movement from Revival to Revolution to the legacy of early New England **Sacred Uncertainty** Brian Yothers, 2015-04-30 Yothers Sacred Uncertainty examines Melville's engagement with religious difference both within American culture and around the world It is impossible to understand Melville's wider engagement with religious and cultural questions however without understanding the fundamental tension between self and society self and others that underlies his work and that is manifested in particular in the way in which he interacts with other writers There is almost certainly no more concrete or reliable way to get at Melville's affirmations of and arguments with these interlocutors than in the markings and annotations that appear in his copies of many of their works so Yothers examines Melville's marginalia for clues to Melville's thinking about self other and difference Sacred Uncertainty provides a much needed exploration of Melville's encounter with and reflection upon religious difference Moby-Dick, Or The Whale Herman Melville, G. Thomas

Tanselle,1988-09-09 In Moby Dick Melville set out to write a mighty book on a mighty theme The editors of this critical text affirm that he succeeded Nevertheless their prolonged examination of the novel reveals textual flaws and anomalies that help to explain Melville s fears that his great work was in some ways a hash or a botch A lengthy historical note also gives a fresh account of Melville s earlier literary career and his working conditions as he wrote it also analyzes the book s contemporary reception and outlines how it finally achieved fame Other sections review theories of the book s genesis detail the circumstances of its publication and present documents closely relating to the story This scholarly edition is based on collations of both editions published during Melville s lifetime it adopts 185 revisions and corrections from the English edition and incorporates 237 emendations by the series editors This is an Approved Text of the Center for Editions of American Authors Modern Language Association of America Redburn, White-Jacket and Moby-Dick Herman

A Companion to Herman Melville Wyn Kelley,2015-08-17 In a series of 35 original essays this companion demonstrates the relevance of Melville s works in the twenty first century Presents 35 original essays by scholars from around the world representing a range of different approaches to Melville Considers Melville in a global context and looks at the impact of global economies and technologies on the way people read Melville Takes account of the latest and most sophisticated scholarship including postcolonial and feminist perspectives Locates Melville in his cultural milieu revising our views of his politics on race gender and democracy Reveals Melville as a more contemporary writer than his critics have sometimes assumed **Now & Then** ,1927 **Honoring the Civil War Dead** John R. Neff,2005 In his estimation Northerners were just as active as Southerners in myth making after the war Crafting a Cause Victorious myth that was every bit as resonant and powerful as the much better known Lost Cause myth cherished by Southerners the North asserted through commemorations the existence of a loyal and reunified nation long before it was actually a fact Neff reveals that as Northerners and Southerners honored their separate dead they did so in ways that underscore the limits of reconciliation between Union and Confederate veterans whose mutual animosities lingered for many decades after the need of the war

Ultimately Neff argues that the process of reunion and reconciliation that has been so much the focus of recent literature either neglects or dismisses the persistent reluctance of both Northerners and Southerners to forgive and forget especially where their dead were concerned *Redburn; ; White-Jacket; ; Moby-Dick* Herman Melville,1929 This volume prints the texts of Redburn White Jacketm and Moby Disk from The Northwestern Newberry Edition of The Writings of Herman Melville edited by Harrison Hayford Hershel Parker and G Thomas Tanselle and publisedbe by Northwestern University Press and The Newberry Library with the permission of the publishers This is volume 8 of the 7 volume set of The Library of America

Uncertain Chances Maurice S. Lee,2013-06-06 Maurice Lee s study illustrates how writers such as Poe Melville Douglass Thoreau Dickinson and others participated in a broad intellectual and cultural shift in which Americans increasingly learned to live with the threatening and wonderful possibilities of chance *American Poetry and Prose* Norman
