Is Your Marriage Losing The Glow And The Spark It Started With? Is Your Love For Your Partner Growing Stale? Imagine Getting Back All the Butterflies and Flutters You Had When You First Met. Do You Want To Get Closer To Your Lover More Than Ever Before? When a love relationship grows stale, it may simply be a speed bump in the normal terrain of a long-term relationship. But most couples tend to believe something is wrong. You hear people say, "Maybe I chose the wrong partner," "Maybe my partner doesn't care about me," "Our relationship feels empty," "There's no spark left," "We don't hate each other," "Our relationship just feels flat," "There's no magic left." What if you could bring back the magic, the butterflies and flutters you had when you first met? In this powerful relationship book, a top-notch relationship expert, Paul McLovett, exposes what makes love grow stale in marriage: the 3 long-term relationship killers, the 7 greatest challenges of love relationships, and how to overcome them; the 10 ways to quickly and easily bring the spark back into your relationship; and much more. The secret information in this book will create the spark and bring the magic back in any marriage. Guaranteed. Colin Cooper, PhD, Marriage Counsellor. Reigniting Your Marriage Toyin Fakorede, 2015-10-08. Songs of Solomon 8:6-7: "Wear me as a signet ring on your heart, as a ring on your hand. Love is as overpowering as death. Devotion is as unyielding as the grave. Love's flames are flames of fire; flames that come from the Lord. Raging water cannot extinguish love, and rivers will never wash it away. If a man exchanged all his family's wealth for love, people would utterly despise him. The scripture above describes the intensity of the love that should exist between couples, especially when the relationship has just begun or early in marriage. In this passionate loving state, no storm or life challenges can extinguish the love; such couples share. However, there are certain attitudes and behaviours that can gradually extinguish love if care is not taken. Proverbs 26:22: "When there is no wood, the fire is extinguished. The wood represents several things we do or fail to do in marriage that can erode love, e.g. when mutual respect is somewhat lacking in a relationship, when couples fail to spend quality time together, when conflicts and anger are becoming regular, and many more. In this book, you will find out how to understand the needs of your spouse, re-ignite the passion you once shared, bring back intimacy and romance into your relationship, stay spiritually connected to your spouse, resolve pressing issues, become your spouse's best friend, and stay strong in your relationship. No one can go back and change
