Reflecting His Image:

In His Image Michael J. Wilkins, 2020-04-06 A Disciple will be like his teacher Luke 6 40 What does it mean to be a follower of Jesus The ultimate goal of discipleship is to be like the Teacher to be like Jesus Himself Every Christian wants to understand what that means But even if we understand it is it possible Michael Wilkins asserts that it s not only possible it s a life that all Christians are called to not just a select few So why do we so seldom experience it As Wilkins points out even the first followers of Jesus had a hard time grasping what it meant to be His disciples Like them our difficulty often lies in not clearly understanding who Jesus is not recognizing the resources available to us as God s children or not believing who we are to be as Christ s followers But like the early disciples our lives can radically change If we want to follow Jesus we can become like Him Jesus takes us exactly as He finds us writes Wilkins and transforms us into His likeness So come learn what it means to walk with Jesus and reflect His image to the real world *Reflecting Christ* Ellen G. White, 2009-08 During her 70 year ministry the author spoke through her pen to young people to church members and to the world in the *The Youth s Instructor* the *Review and Herald* and *The Signs of the Times* Selections for this book have been drawn from these three periodicals as well as from her books and previously unpublished manuscripts and letters Foreword **Reverentially Turning to God from Idols Devotional** Gregory L. Madison, 2023-04-20 The idols of addiction must be dealt with through reverence for God just as they are chosen through our irreverence Reverentially Turning to God from Idols is 365 day reading It is a combination of *Addiction A Tug of War* *Quality Sobriety Volumes 1 5* *Turning to God from Idols* as well as a few other works by Gregory Madison The epitome of reverencing God is the mind of Christ It is impossible for someone abiding in Christ to relapse **Reflecting His Image** K. P. Yohannan, 1998 *George Peele* David Bevington, 2017-03-02 David Bevington s volume on George Peele looks at the literary achievement of that dramatist and author who was born in London some time around 1556 8 was educated at Oxford and returned to London to become a prolific writer until his death in 1596 He died at the age of forty in poverty and was never far from the threat of debtors prison throughout his adult life Peele like Greene and Marlowe was caricatured in his immediate afterlife as the embodiment of a popular and thriving literary culture in London of the late sixteenth century a world that was competitive and relentlessly unforgiving in its economic pressures but also colourful adventuresome and vital This volume collects together for the first time the best contemporary published work on Peele by a group of renowned scholars They discuss Peele s *Lord Mayor s Pageants Court Entertainments* occasional poems and his plays *The Arraignment of Paris* *The Old Wives Tale* *The Battle of Alcazar* *Edward I* *David and Bathsheba* and *Titus Andronicus* The essays are accompanied by David Bevington s substantial introduction which discusses Peele s life and works particularly in the context of the other five University Wits *Finding Freedom in Jesus* JP Foster, Matt Williams, 2025-11-04 *Finding Freedom in Jesus* explores 21 biblical terms that reveal our identity as believers in Christ empowering us to grow and be transformed by the truth These terms serve as guiding principles helping us overcome past

God's Glory Alone---The Majestic Heart of Christian Faith and Life David VanDrunen,2015-12-01 Renowned scholar David VanDrunen tracks the historical and biblical roots of the idea that all glory belongs exclusively to God God s Glory Alone is a beautiful reflection on how commitment to God s glory alone fortifies us to live godly lives in this present age Reinvigorating one of the five great declarations of the Reformation soli Deo gloria VanDrunen Examines the development of this theme in the Reformation in subsequent Reformed theology and confessions and in contemporary theologians who continue to be inspired by the conviction that all glory belongs to God Turns to the biblical story of God s glory beginning with the pillar of cloud and fire revealed to Israel continuing through the incarnation death and exaltation of the Lord Jesus Christ and culminating in Christ s Second Coming and the glorification of his people Addresses several of today s great cultural challenges and temptations that attempt to draw us away from a God centered instead of self centered way of life This book leads you into a renewed sense of awe and adoration for our Creator and Redeemer as it mines deeply into the biblical and theological truths about God s glory that

stand at the center of the Christian faith THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God s glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

Remains of ... William Howels, extracts from his sermons, taken down [& ed.] by W.P. Moore William Howels,1852 Cornelius Henrici Hoen (Honiuss) and his Epistle on the Eucharist (1525) Bart Jan Spruyt,2006-11-01 This book is about Cornelius Henrici Hoen and his well known treatise on the Eucharist published in 1525 and answers questions like Who actually was Hoen What made him dissent from the current belief in transubstantiation What were the sources of his dissent and what was his relationship to famous contemporaries like Erasmus Luther Zwingli and Bucer And how influential has his treatise been After a more detailed portrait of Hoen s life the chapters on the origins of his ideas establish that Hoen was not only dependent on Erasmus and Luther but actually revived age old heretical arguments first proposed in the high Middle Ages and later defended by Hus and Wyclif and popularized by Lollards and Hussites in the late medieval Burgundian Netherlands The book also describes Hoen s influence on Reformation thought and contains an edition of the original Latin text and of a contemporary German translation **Lalita Sahasranama , For The Gospel and The Church , A Church for a Secular World** Marinus De Jong,2025-09-25 The relationship between the Church and the world has been a subject of debate since the Church s earliest days Stanley Hauerwas with his emphasis on the Church as polis has made a significant contemporary contribution one that has also faced strong criticism This study examines the distinctive insights of second generation neo Calvinist theologian Klaas Schilder 1890 1952 on this issue Neo Calvinism is renowned for its development of Reformed theology particularly in this area and Schilder builds on this tradition with a critical eye Engaging with the increasing secularity of the twentieth century he carefully interacts with Karl Barth s writings while refining his own perspective In doing so Schilder s position comes close to the Anabaptist stance of Hauerwas yet remains firmly rooted in the Reformed understanding of creation **Preparing For And Fostering Harmony in Marriage** Reverend George Sukhdeo,2017-07-20 Preparing for and Fostering Harmony in Marriage is not just a book about how to help couples eliminate the risk of divorce Rather it is a guide for those who desire to have a healthy harmonious and godly marriage based on biblical principles As author George Sukhdeo notes A marriage with Christ at its centre is much more than having someone to do the dishes after dinner take care of you when you re sick or help you make the car payment every month A godly marriage excels at compromise and glories in selflessness It is filled with challenging work but it is also a

By looking at the nightly news and simply observing for themselves the denigration of homes and communities across our country many would agree that family foundations are cracking and shifting out of place This has resulted in untold devastation within the home and our other social systems therefore many households and lives have simply given way and collapsed under the weight of a host of societal pressures Many believe that a generation of social experimentation along with our cultures fixation at redefining virtually every foundational institution especially the first human institution marriage are responsible for placing the family and society on very shaky ground indeed leaving a very dubious moral and economic legacy for successive generations When cracks begin to appear upon the walls of a house it may indicate a shifting or damaged foundation which may indicate poor foundation work As a result builders typically reexamine the blueprints the master plan to determine the manner and materials with which the house and foundations built in order to pinpoint and repair a weak or damaged foundation It is the authors conviction that in many households within society weak or faulty spiritual and moral foundations have been laid

resulting in the cultural cataclysm we witness throughout our land In his book *The House that God Built Gods Master Plan for Marriage and His Blueprint for Blessing Book One* of his *Strong Foundation for Strong Families* series the author discusses the need for a RE Vision of marriage and the familybut not by redefining replacing or removing these honorable foundations and pillars which have supported societies from the beginning of time Rather by employing the word RE Vision he calls for a refocusa fresh new look at Gods original design for the marriage and family This plan is found in Gods Holy Word specially the first two chapters of the Book of Genesis because this he feels is where marriage family and social systems began Therefore the book is a thorough exposition of the first chapters of Genesis which explore the motivations and the methods through which God Himself built His house the heavens and the earth This study provides keen spiritual and practical insights as to how we can build our homes according to Gods plans so as to receive His best blessings upon our homes and upon our communities
