Reflections Of God Inspirational Inspiring Devoti:

The Inspiration of God Dr. Allen K. Hand Sr., 2022-05-04 Firstly the objective of that research was to assess the actions of the Civil Rights and the Progressive National Baptist Convention Inc PNBC movements Based on 37 returns to a questionnaire of 39 reduced to 24 identified key criteria e mailed to 158 persons across the country with forwarding permission 92% of the respondents indicated that they either agreed or strongly agreed that the actions of the Civil Rights and PNBC movements were inspired of by God Additionally this research identified some serious concerns and issues that each movement mainly PNBC has to address if each will continue to exist survive Secondly the objective of that research was to document our history through our struggles through our pains and gains through our good times and bad times through the ups and the downs in other words good bad or indifferent it is what it is our story his story not their story Rev Dr Herbert D Daughtry Sr constantly admonished us to make history to interpret history and to record history or something to that effect and not necessarily in that order When we do not do it ourselves in an accurate precise truthful etc manner then others will tell their story which nine out of ten times usually is not accurate precise truthful etc The old prophet acclaimed And the LORD answered me and said Write the vision and make it plain upon tables that he may run that readeth it Habakkuk 2 2 Thirdly and lastly the objective of that research was to share information that we do not want to be locked in our minds only to take it to the so called grave Many persons who were super knowledgeable as I define it about so many things that could have blessed the world took that super valuable information to the grave what a tremendous lost As an aside the lost is on multiple levels Level one we lost them Level two we lost what they did not share with us while they were alive Level three we lost the value of that buried information That is someone could have taken that information and transformed it to new information For example Dr Gabriel A Oyibo solved the Unified Field Theorem that Albert Einstein did not live long enough to solve So many things evolved from solving that equation Just think what would have happened to those many things that evolved from solving that equation if Dr Oyibo would not have solved that theorem All those many things that evolved from solving that equation would not be in existence Level four those persons who took from those many things that evolved from solving that equation and incorporated that value into what they were doing Etc etc etc The number of these levels conceivably and theoretically approaches infinity That is there is no end to the theoretical lost when just one person does not bless the world with their knowledge wisdom and understanding *Priestly and Prophetic Reflections: a Weekly Devotional from the Fisk Memorial Chapel* Reverend Jason Richard Curry Ph.D., 2017-02-17 Many of the people that I admired over the years were local or nationally renowned ministers and pastoral who were also authors and scholars Some of these individuals received both national and international recognition for their contribution to the church and the academy e g Dr Samuel DeWitt Proctor Dr Howard Thurman Bishop Vashti McKenzie and Dr Cheryl Townsend Gilkes while others received love acclaim gratitude from their congregants and constituents of their church and local community Women of UnShakable

Pingel, 2025-10-07 Be Refreshed in the Revolutionary Power of God's Word. Blending the bold spirit of the American Revolution with the unshakable truth of God's Word, *Sacred Inspiration* is a fresh, inspiring take on Christian discipleship and servant leadership. Whether you're a history enthusiast or simply seeking deeper spiritual growth, this devotional will stir your heart and strengthen your walk with Christ. Author and educator Jim Pingel masterfully weaves stories and lessons from the Revolutionary War into short, powerful devotionals that apply directly to modern life. From battlefield courage to the quiet strength of everyday believers, each reflection draws striking parallels between America's fight for freedom and the Christian's daily battle against sin, death, and the devil. But this book isn't just about the past; it's about your present and future. Through Scripture reflection and historical insight, you'll be reminded that no matter the hardship or setback, Jesus is with you. His Word equips, sustains, inspires, and transforms. Uplifting, relevant, and deeply rooted in the Gospel, *Sacred Inspiration* is more than a history-inspired read; it's a timely reminder that the Good News of Christ is as vital today as it was then. And you can't get enough Good News these days. **Everyday Inspiration from God's Creation** Barbour Publishing, 2014-02-01 Our
