Reflections on Paradise, 1989 **Sufi Cosmology** Christian Lange, Alexander Knysh, 2022-12-28 This volume discusses the origin and structure of the universe in mystical Islam/Sufism with special reference to parallel realms of existence and their interaction. Contributors address Sufi ideas about the fate of human beings in this and future life under three rubrics: 1. cosmogony and eschatology (where do we come from and where do we go), 2. conceptualizations of the world of the here and now (where are we now), and 3. visualizations of realms of existence, their hierarchy and mutual relationships (where are we in relation to other times and places). Contributors are Christian Lange, Alexander Knysh, Noah Gardiner, Stephen Hirtenstein, Saeko Yazaki, Jean Jacques Thibon, Leah Kinberg, Sara Sviri, Munjed M. Murad, Simon O'Meara, Pierre Lory, Mathieu Terrier, Michael Ebstein, Binyamin Abrahamov, and Frederick Colby. **Reflections of Paradise: The Gardens of**

Fernando Caruncho Gordon Taylor, 2020-09-29 The much anticipated comprehensive survey of one of the world's most acclaimed landscape garden designers famous for his extraordinarily sophisticated use of light and geometry in nature. Spanish landscape designer Fernando Caruncho has spent over four decades impressing the world with his breathtaking garden designs which create a perfect union of architectural design within nature. His sources of inspiration are as diverse as Islamic design, Zen Buddhism, and European Classicism, and the control of light, geometrical scale, and use of local materials are key principles of his design approach. In this book Caruncho personally curates a selection of twenty-six of his international garden projects ranging from private residences to large agricultural estates and public spaces including a vineyard in Italy, a private garden in Biarritz, France, and an expansive estate in New Jersey. Caruncho gives readers a glimpse at his creative thought process through inspirational images, ephemera, and selections from his sketches. *Reflections on Paradise* Susan N. L. of the Mind Douglas E. Christie, 2013 *In The Blue Sapphire of the Mind* Douglas E. *Islam and Other Religions* Irfan Omar, 2013-09-13 This collection of essays assesses various dimensions of dialogue between Islam and other religions, especially Christianity. This book celebrates the work of Professor Mahmoud Ayoub and reflects the themes that are central in his scholarship, spanned over the last three decades and which are more relevant than ever at the inauguration of the twenty

first century The themes reflected are the Qur'an and hadith theology and philosophy and Islam's interaction with other religions Ayoub needs no introduction to those familiar with and engaged in inter religious dialogue in general and Muslim Christian Jewish dialogue in particular He is a well known Muslim scholar and historian of religion currently director of the Islamic studies program in the department of religion at Temple University in Philadelphia His broad area of interest is of course Islamic studies but he has also exerted considerable scholarly efforts in comparative religion As evidenced from Dr Ayoub's works he moves with ease between philosophy and mysticism scripture and tradition and between Islam and other religions As a Muslim Ayoub has provided a model of being religious which combines openness to others without compromising rigorous historical scholarship Contributors to this volume include some of his close friends and colleagues as well as former students both Muslim and Christian This book was previously published as a special issue of *Islam and Christian Muslim Relations*

Spiritual Care Reflections from a Hospice Chaplain Jr. Charles J Lopez, 2015-10-13 From the good sisters and monks of the 11th century hospice care grew through the passions of 20th century people like Dame Cecily Saunders and Elizabeth Kubler Ross and into the recognized modality it is today of compassionate and palliative care for those who are on their final journey from this world Pastor Lopez rightly fills this name as he reaches out not only to patients and their families but the team of nurses doctors social workers and caregivers who offer their hands and hearts to those in need Within these pages you will find practical and compassionate words along with hands and a heart that knows the pain of loss and feet that are willing to accompany the reader on their journey

Afro-Atlantic Flight Michelle D. Commander, 2017-03-02 In *Afro Atlantic Flight* Michelle D Commander traces how post civil rights Black American artists intellectuals and travelers envision literal and figurative flight back to Africa as a means by which to heal the dispossession caused by the slave trade Through ethnographic historical literary and filmic analyses Commander shows the ways that cultural producers such as Octavia Butler Thomas Allen Harris and Saidiya Hartman engage with speculative thought about slavery the spiritual realm and Africa thereby structuring the imaginary that propels future return flights She goes on to examine Black Americans cultural heritage tourism in and migration to Ghana Bahia Brazil and various sites of slavery in the US South to interrogate the ways that a cadre of actors produces Africa and contests master narratives Compellingly these material flights do not always satisfy Black Americans individualistic desires for homecoming and liberation leading Commander to focus on the revolutionary possibilities inherent in psychic speculative returns and to argue for the development of a Pan Africanist stance that works to more effectively address the contemporary resonances of slavery that exist across the Afro Atlantic

Psychoanalytic Reflections on Politics Fatherlands in mothers hands is a playful exploration of how people s desires fantasies and emotions shape political events and social phenomena It highlights the mythical sources of today s political projects the power of political imagination and the function of symbolism in political thought Eszter Salg argues that the driving force for the formation of political communities is fantasy illusions in a Winnicottian sense phantasies in a Lacanian sense phantoms as described by Nicolas Abraham and Maria Torok and dreams as interpreted by S ndor Ferenczi She introduces the metaphor of the fantastic family as a symbolic representation of political communities both to reflect on people s deeply felt desire to find in public life the resolution love and wholeness of early childhood and to unveil the political elite s readiness to don the mask of the ideal parent The book is divided into two parts The first part of the book explores the theories of Donald Winnicott and Jacques Lacan the matrimony on the stage of politics between the good enough mother and the Symbolic Father which inaugurates the story of democracy s fantastic family The second part presents the fantastic families of selected countries such as Hungary Italy and the world community to explain the proliferation of cosmogony projects and to document the failure of the political elites to offer a satisfactory performance of their maternal and paternal functions Psychoanalytic Reflections on Politics Fatherlands in mothers hands presents a new way of considering the art of politics based on the understanding that people perceive reality through imagination and unconscious fantasy It will be of interest to psychoanalysts and academics from across the disciplines of politics psychology anthropology sociology philosophy literature and art **Beyond Tahiti** Bud Higgins,2011-02-10 Nathan Thomas Cole a disillusioned product of the Gen X tribe seemingly has it all but he still lacks true happiness He doesnt know it yet but Nathan is about to have his greatest wish finally fulfilled Nathan awakens one morning to discover he has become the master of his own universe He soon realizes he is completely alone on a deserted tropical island unsure of how he arrived how long he has been there or if he is even really there at all Quickly his nightmarish transcendence into mental and physical survival begins every minute bringing a new and unusual experience He encounters moments of tranquility and happiness as well as moments of uncertainty and terror Unexplained events and scattered scenes from Nathans life begin to play out in random sequence as characters from his past bring him face to face with the shocking truth he has been desperately chasing As the island begins to come alive Nathan must decide if his subconscious mind has come out to play or if the mysterious island is truly providing him with an exclusive key back to his own lost past unlocking the present and propelling him perilously forward into a dark and questionable future
