Refutation Of Moral Relativism Interviews With An Absolutist:

A Refutation of Moral Relativism Peter Kreeft, 2009-12-04 No issue is more fateful for civilization than moral relativism History knows not one example of a successful society which repudiated moral absolutes Yet most attacks on relativism have been either pragmatic looking at its social consequences or exhorting preaching rather than proving and philosophers arguments against it have been specialized technical and scholarly In his typical unique writing style Peter Kreeft lets an attractive honest and funny relativist interview a Muslim fundamentalist absolutist so as not to stack the dice personally for absolutism In an engaging series of personal interviews every conceivable argument the sassy Black feminist reporter Libby gives against absolutism is simply and clearly refuted and none of the many arguments for moral absolutism is refuted

The Moral Disciple Kent A. Van Til, 2012-08-13 The ability to judge good from bad right from wrong is a uniquely human characteristic However given the complexity of life it is often difficult to discern which choice to make where our responsibilities lie or what the consequences of an action or of a nonaction will be In *The Moral Disciple* Kent Van Til surveys the skills and dispositions that we need to address moral issues responsibly This basic introduction to Christian ethics the systematic evaluation of morality highlights the centrality of Christ and the Christian faith in moral formation and it offers an ethical framework to guide Christians as they engage a host of moral dilemmas including those surrounding wealth sexuality and the end of life Using easy to read prose and defining terms carefully Van Til provides an accessible introduction to this crucial and practical subject

How to Do Apologetics Patrick Madrid, 2016-07-13 From one of the most respected names in Catholic Apologetics Patrick Madrid comes the new book *How to Do Apologetics Making the Case for Our Faith* And it couldn t be more timely Seismic cultural shifts and increased attacks on religious liberty often place Christians in the uncomfortable position of having to defend their beliefs even their belief in God when their Faith is called into question by atheists agnostics Protestants or people from other religions This book is the apologist s toolkit covering all the topics you need to understand and apply Patrick Madrid s own

successful approach to giving reasons to believe Using logic arguments and evidence to defend the Truth Apologetics with atheists moral relativists and non Christians Special advice and examples for use with Protestants as well as lukewarm or inactive Catholics Proven strategies for responding graciously to opponents Making a compelling case for God Jesus Christ and the Catholic Church What you need to do apologetics well PLUS Patrick Madrid s recommended books CDs and a glossary of key apologetics terms Patrick Madrid shows how YOU can demonstrate confidently and effectively that Catholic teaching is reasonable consistent and compelling

Relational Apologetics Michael C. Sherrad,2015-06-24 Defending the Christian faith by demonstrating its reality Relational Apologetics is about your life becoming a defense of the Christian faith Every relationship you have is an opportunity for you to connect people to their creator by displaying your hope both in word and deed Defending your faith is not just about answering questions and proving that God exists It is about showing that He is real by the way you live It is about demonstrating the power of God through your holiness And it is about drawing people to Jesus through your kindness Using stories and drawing on personal experiences Sherrard teaches the importance of holiness treating skeptics with respect engaging in authentic conversations instead of shouting matches and having well thought out answers to the skeptic s questions The book doesn t delve deeply into the scientific and philosophical arguments for the existence of God and the validity of Christianity Rather it provides solid simple and easily remembered reasons why one should believe in each It will also teach essential relational skills that are necessary for talking to skeptics and maintaining healthy relationships with them

pro life message can compete in the marketplace of ideas if Christians properly understand and articulate that message In light of the 50th anniversary of Roe v Wade too many Christians do not understand the essential truths of the pro life position making it difficult for them to articulate a biblical worldview on issues like abortion cloning and embryo research This second edition of The Case for Life now with added content provides intellectual grounding for the pro life convictions that most evangelicals hold Author Scott Klusendorf simplifies the debate the sanctity of life is not a morally complex issue The debate turns on one key question What is the unborn In this timely ebook Klusendorf teaches readers what the role of the pro life Christian should be and how to lovingly and winsomely engage in questions and objections Timely Covers current hot button topics related to abortion cloning and embryo research Ideal for Christians or Anyone Curious about the Pro Life Movement Written for those looking to learn more about the pro life argument and why it matters Logically Grounded Klusendorf explains the core of the argument and how to engage in a thoughtful and loving way Additional Content Includes two new chapters on how to organize material for a pro life talk and what it means to be pro life **DEFENDING**

EVANGELICALISM William C. Roach, 2020-11-15 This book is an important part of the historical record of Dr Norman L Geisler It displays Geisler s intellectual gifts and devotion to the Lordship of Christ in his defense of Christianity and classic evangelicalism This book written by one of Geisler s long time and trusted assistants will be of importance to those who want a first hand interpretation of Geisler and the significance of Geisler s method for present day evangelicalism It provides a clear assessment of the impact of Geisler s embrace of classical realism classical theism the doctrine of inerrancy in the context of twentieth century evangelical theology while providing a way forward to apply Geisler s method in the twenty first century Encyclopedia of Criminal Justice Ethics Bruce A. Arrigo, 2014-07-17 Federal state county and municipal police forces all have their own codes of conduct yet the ethics of being a police officer remain perplexing and are often difficult to apply in dynamic situations The police misconduct statistics are staggering and indicate that excessive use of force comprises almost a quarter of misconduct cases with sexual harassment fraud theft and false arrest being the next most prevalent factors The ethical issues and dilemmas in criminal justice also reach deep into the legal professions the structure and administration of justice in society and the personal characteristics of those in the criminal justice professions The Encyclopedia of Criminal Justice Ethics includes A to Z entries by experts in the field that explore the scope of ethical decision making and behaviors within the spheres of criminal justice systems including policing corrections courts forensic science and policy analysis and research This two volume set is available in both print and electronic formats Features Entries are authored and signed by experts in the field and conclude with references and further readings as well as cross references to related entries that guide readers to the next steps in their research journeys A Reader s Guide groups related entries by broad topic areas and themes making it easy for readers to quickly identify related entries A Chronology highlights the development of the field and places material into historical context a Glossary defines key terms from the fields of law

and ethics and a Resource Guide provides lists of classic books academic journals websites and associations focused on criminal justice ethics Reports and statistics from such sources as the FBI the United Nations and the International Criminal Court are included in an appendix In the electronic version the Reader s Guide index and cross references combine to provide effective search and browse capabilities The Encyclopedia of Criminal Justice Ethics provides a general non technical yet comprehensive resource for students who wish to understand the complexities of criminal justice ethics Sola Scriptura in Asia Yongbom Lee,Andrew R. Talbert,2018-11-09 The echo of Luther s hammer resounds in Asia five hundred years after the Wittenberg controversy the cross is a flashpoint in China Korea seeks ecclesiastical reform the mystical union thrives in Laos even Kant whispers in old Batavia The diversity of ideas and influences of the Reformation is as broad and fascinating as the continent resisting reduction to the postcolonial movement and demonstrating an affinity with Protestant foundations that somehow remains uniquely Asian This volume brings together the reflections of Christian academics from the continent to offer a sample of the theological work that remains largely inaccessible to the broader scholarly community with contributions in the fields of theology biblical studies philosophy and Christian higher education If the quincentennial of the Reformation has revealed anything it is the inauguration of Asia as the locus of biblical and theological scholarship for the next five hundred years Introducing Apologetics James E. Taylor,2006-03 A fresh comprehensive survey of the many methods of Christian apologetics using a unique whole person approach **Love, the Ultimate Apologetic** Art Lindsley,2009-09-20 Defending the Christian faith is a multidimensional task But central to that task must be the presentation and example of the uniqueness of Christian love Author and apologist Art Lindsley explores the persuasive and illuminating power of Christ like love expressed in commitment conscience community and courage Such love Lindsley shows us does indeed bear ultimate witness to the living truth of Jesus Christ *Christianity and Rabbinic Judaism* Jonas E. Alexis,2011-12-29 The simple step of a courageous individual is not to take part in the lie One word of truth outweighs the world Alexander Solzhenitsyn In this penetrating and provocative work Jonas E Alexis challenges common assumptions about the relationship between Christianity and Rabbinic Judaism and provides compelling evidence from history and theology that demonstrates the extent to which modern Judaism has been defined by the Pharisaic and Rabbinic schools of thought As Alexis meticulously documents there has been a constant struggle between Christianity and Rabbinic Judaism since the time of Christ a struggle that will define the destiny of the West Islam according to Christianity is a historically and theologically false religion since it denies both Jesus s deity and His work of salvation at the Cross But Rabbinic Judaism Alexis argues is equally false and in many respects more dangerous to Christianity and the West than Islam since at its root Rabbinic Judaism wages war against the Logos the system of order in the world embodied by Christ In this painstakingly scholarly yet readable work Alexis maintains that Rabbinic Judaism defined by the Pharisaic teachings now codified in the Talmud that Jesus sought to correct is a categorical and metaphysical rejection of Christianity a rejection that has had and will continue to have severe
