Bonnet, 1911 **The Regenerators a Study of the Graft Prosecution, of San Francisco (Classic Reprint)** Theodore Bonnet, 2017-10-11 Excerpt from *The Regenerators a Study of the Graft Prosecution of San Francisco* Dear Sir Permit me to offer you this little book if for no other purpose than to employ you as a pretext for the writing of a foreword Though I do not agree with the writers of the long ago that a book rightly comprehended is but a peg on which to hang a preface redolent of the author's charming personality and palpitant with his life blood I feel that not always should a man hazard himself between book covers without an explanation About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Regenerators; a Study of the Graft Prosecution of San Francisco* Theodore F. Bonnet, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1911 edition Excerpt VIII THE DYNAMITE EXPLOSION A Miracle by Which the Precious Life of a Great Grafters Was Spared and Which Enabled the Regenerators to Inflamm Public Sentiment At no time during the Graft Prosecution was the performance allowed to flag Whenever public interest seemed on the point of drooping something occurred to whip it up And invariably the something served the purposes of the pro prosecution press It was as though some power had contrived a preternaturally ingenious species of drama a piece historique as it were abounding in desperately conflicting events sensational effects picturesque situations unlooked for rencontres calculated to ravish the senses fillip the imagination and keep everybody on the qui vive The times were incessantly feverish It was melodrama from beginning to end Murder was always in the air Conspiracies to kidnap or kill were of monthly occurrence in the press nowhere else To the defendants were continuously imputed the most fiendish designs thus justifying repeated admonitions to the public to be ever on the alert lest the complete subversion of government be effected with the suddenness of a bolt from the blue All of which served to harrow up the souls of the susceptible and inspire them with hatred of the abandoned

wretches who had the audacity to persist in fighting for their liberty Never was this machinery for the firing of public sentiment so active as during the trials of Abraham Ruef His first trial after the repudiation of his immunity contract was begun in April 1908 The trial of Tiley L Ford was then in progress before Judge Lawlor This was the first time that two graft trials ran contemporaneously Hitherto it was the policy of the prosecution to keep their forces united *The Regenerators* Theodore F Bonnet,2016-05-22 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Regenerators; A Study of the Graft Prosecution of San Francisco** Bonnet Theodore F,2016-05-04 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Regenerators** Theodore F. subsequent scandals that brought both him and his party to disgrace The book delves into Ruef s unique characteristics his Jewish ancestry intellectual brilliance and legal acumen and examines how his manipulation of labor politics in San Francisco reflected broader tensions between rapid urbanization big business and the fragility of democratic governance This study also chronicles one of the most determined and revealing graft prosecutions in American history Fueled by the collaboration of crusading editor Fremont Older financier Rudolph Spreckels and a team of notable figures including prosecutor Francis J Heney detective William J Burns and future California Governor Hiram W Johnson the investigation exposed the pervasive corruption linking business and politics Set against the backdrop of San Francisco s recovery from the devastating 1906 earthquake and fire Boss Ruef s San Francisco paints a vivid panorama of a city and era in transition offering a compelling case study of urban bossism reformist zeal and the enduring challenges of political accountability This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1952
