Historical Dictionary of Chad Mario J. Azevedo, Samuel Decalo, 2018-08-15 Having achieved its independence from France in 1960 Chad has run into a series of crises of national building which have continued to haunt it to the present day making it one of the poorest and most politically unstable countries on the globe Chad is a country with sharp geographic and climatic contrasts that puzzle and fascinate the visitor displaying first a monotonous but majestic portion of the Saharan Desert in the north punctuated by plains and high altitudes displayed by the Tibesti mountains where the highest point Emi Koussi reaches 11 204 ft the middle Central Sahelian zone where pastoral transhumance lifestyle predominates but where and nut cultivation and harvesting is possible and an endowed southern tropical zone where the forest and the savanna meet blessed by several long running rivers most notably the Logone and the Chari that empty their waters into centuries old Lake Chad Even though things in Chad seem to have improved during the past 10 years most observers agree that the path to peace reconstruction and economic progress is still long and arduous This fourth edition of Historical Dictionary of Chad contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1300 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Chad **Explorers Journal** , 1954 **The Journal of the National Association of Retail Druggists** National Association of Retail Druggists (U.S.), 1913 Journal of the National Association of Retail Druggists , 1913 **Caccia & sport** , Historical Dictionary of Chad (African Historical Dictionaries/ Historical Dictionaries of Africa) Samuel Decalo, 1987-12 Provides thorough coverage of the archaeology prehistory culture geography politics science religion art and many other aspects of Chad as well as such matters as tourism and recent political unrest This latest edition last 1987 features new tables listing important statistics on its economic conditions including principal crops gross domestic product public finances and main trade partners as well as six maps a list of abbreviations and acronyms and a selected chronology Annotation copyrighted by Book News Inc Portland OR **Library Catalogue: Author catalogue M-Nuo** University of London.
