Congress,2009 *Queering Safe Spaces* Son Vivienne,2023-02-13 *Queering Safe Spaces* explains how safe spaces are determined by those with privilege and power those who choose to invite us in or leave us out Whether we encounter boundaries at national borders bathrooms or birth certificates our personal safety and well being are at stake Gender diverse and queer non binary people have bodies brains and hearts that challenge traditional ways of being male female gay straight Black white good and bad These practitioners at the interfaces of policy architecture art curation group work sex work and tattooing explore cancel culture and free speech considering what it takes to be brave In these times of global conflict and binary oppositions there is urgent need for accessible and inclusive spaces everywhere To listen and speak across the ideological voids that divide us we must understand the differences that underpin our feelings of safety and discomfort Re-Conceptualizing Safe Spaces Kate Winter,Andrea Bramberger,2021-10-25 This book broadens the idea of a safe space that is traditionally discussed in feminist studies to include gendered identities intersecting with class race ethnicity sexual orientation and ability within multiple aspects of education This collection showcases work supporting access to education of persistently marginalized individuals **Digest of the United States Supreme Court Reports** ,1928 **Bulletin** ,1918 **Microaggressions, Safe Spaces, and Trigger Warnings** Gary Wiener,2017-12-15 Despite the name trigger warnings have nothing to do with gun control and safe spaces don t necessarily mean state of the art panic rooms Instead these terms and the phrase microaggressions relate to preserving and protecting one s emotional safety In this volume readers will learn about the increased demand for sensitivity in social settings in literature and media and on the
