

APARTMENT SAFETY

TIPS & BEST PRACTICES

While there is no certainty that you will never be the victim of theft or other crime, you can take the following precautionary measures to deter thieves and protect yourself and your belongings.

Be Prepared

- Keep a building map and the phone numbers of close friends and family whom you can contact in the event of an emergency. Don't rely solely on your cell phone for obtaining contact info.
- Ensure that everyone in your home knows how and when to report suspicious activity or crimes to the Rental Office and the police.
- Avoid having identifying information on your fob and key holder.
- Get to know the residents in your building and watch out for strangers when you are getting your mail, disposing of trash, or doing other activities in and around the building. As you make friends, it's a good idea to exchange phone and apartment numbers in case of emergencies.

Apartment Safety

- Keep blinds closed at night.
- Turn on your exterior patio/balcony light after dark.
- Lock your doors while you are in your home. If a lock is broken, call the office immediately so that maintenance can make the necessary repair.
- Always lock windows and doors when you leave home, while you're sleeping, or when you're unable to monitor the area.
- Always lock your patio door.
- Make sure your home looks occupied when you are not there, especially for an extended period of time. For example, leave an inside light or TV on or have a neighbor or office staff member watch your home (move blinds, collect mail, etc.).
- Use your peephole to identify visitors; do not open the door to strangers.

Call (651) 650-3345 and follow the prompts to reach an on-call staff member 24/7.
