James, 2011 Sailing Solo Alone This true story has three main characters Some guy in a boat an 18ft yacht called Solo and the Sea a rather bad tempered sea The budding sailor buys this yacht takes it for a spin up and down the river a couple of times raises the sails once or twice swabs the decks and reads a manual or two Then before he knew it our hero for want of a better word is in the middle of the North Sea It s October it s extremely windy it s the dead of night and more than that he s out there alone The Sea has one attempt at killing him The boat somehow stays upright more by luck than anything else He even manages to find a safe haven for the night Does he stay there No He actually sets out to sea at three o clock in the morning If you wanted to be charitable you might have said it was quite a nice night for a bit of a sail And it was At first But this was the North Sea The North Sea in winter As he left the pier heads looking seaward it was as dark as doomsday out there And it was only going to get darker It wouldn t be long before he realised buying a yacht called Solo may not have been one of his better ideas All a little late by then
