Inventing Autopia Jeremiah B.C. Axelrod, 2009-06-02 Flat out one of the most interesting books I've read in years To say that a book about California might rank with Kevin Starr's *Americans and the California Dream* or Mike Davis' *City of Quartz* is dangerously high praise but I think Axelrod's book may someday be in that league John Ganim University of California Riverside *Inventing Autopia* thoughtfully weaves together planning and policy history with cultural history to great effect It is sure to change our understanding of the ways in which Los Angeles not only grew and developed but envisioned itself in the era William Deverell author of *Whitewashed Adobe: The Rise of Los Angeles and the Remaking of Its Mexican Past*

The Hammers of Creation Eric J. Sundquist, 2006-03-01 Provides an analysis of the powerful role played by folk culture in 3 major African American novels of the early 20th century *The Autobiography of an Ex-Coloured Man* *Jonah's Gourd Vine* and *Black Thunder* This book explains how the survival of cultural traditions originating in Africa and in slavery became a means of historical reflection

American Body Politics Felipe Smith, 1998 Felipe Smith tracks the emergence of particular gender images such as white witch black madonna mammy and white lady and their impact on early African American literature Smith gives us a remarkable synthesis of historical readings combined with a highly original contribution to the comprehension of racial thought and literary writing

Lift Every Voice and Sing Julian Bond, Dr. Sondra Kathryn Wilson, 2001-02-01 A group of young men in Jacksonville Florida arranged to celebrate Lincoln's birthday in 1900 My brother J Rosamond Johnson and I decided to write a song to be sung at the exercise I wrote the words and he wrote the music Our New York publisher Edward B Marks made mimeographed copies for us and the song was taught to and sung by a chorus of five hundred colored school children Shortly afterwards my brother and I moved from Jacksonville to New York and the song passed out of our minds But the school children of Jacksonville kept singing it they went off to other schools and sang it they became teachers and taught it to other children Within twenty years it was being sung over the South and in some other parts of the country Today the song popularly known as the Negro National Hymn is quite generally used The lines of this song repay me in elation almost of exquisite anguish whenever I hear them sung by Negro children James Weldon Johnson 1935 Pasted into Bibles schoolbooks and hearts *Lift Every Voice and Sing* written by J Rosamond Johnson and James Weldon Johnson in 1900 has become one of the most beloved songs in the African American community taught for years in schools churches and civic organizations Adopted by the NAACP as its official song in the 1920s and sung throughout the civil rights movement it is still heard today at gatherings across America James Weldon Johnson's lyrics pay homage to a history of struggle but never waver from a sense of optimism for the future facing the rising sun of our new day begun let us march on till victory is won Its message of hope and strength has made *Lift Every Voice and Sing* a source of inspiration for generations In celebration of the song's centennial Julian Bond and Sondra

Kathryn Wilson have collected one hundred essays by artists educators politicians and activists reflecting on their personal experiences with the song Also featuring photos from historical archives Lift Every Voice and Sing is a moving illustration of the African American experience in the past century With contributors including John Hope Franklin Jesse Jackson Maya Angelou Norman Lear Maxine Waters and Percy Sutton this volume is a personal tribute to the enduring power of an anthem Lift Every Voice and Sing has touched the hearts of many who have heard it because its true aim as Harry Belafonte explains isn't just to show life as it is but to show life as it should be
