Saint Thomas More Selected Writings:

Saint Thomas More Thomas More, 2003-04-08 Drawing on a variety of More's late writings this collection provides even readers lacking a background in Renaissance humanism or history with a rich introduction to a startlingly modern man of spiritual principle Thomas More is perhaps most familiar to us from his courageous struggle with Henry VIII unforgettably portrayed in Robert Bolt's classic *A Man for All Seasons* But that final struggle which ended in his execution for treason was only the crowning act in a life that he had devoted to God long before In the first selection in decades made for the general reader from his collected works this volume traces More's journey of moral conviction in his own words and writings Also included is the famous *Life of Sir Thomas More* written by his son in law William Roper In the annals of spirituality certain books stand out both for their historical importance and for their continued relevance The Vintage Spiritual Classics series offers the greatest of these works in authoritative new editions with specially commissioned essays by noted contemporary commentators Filled with eloquence and fresh insight encouragement and solace Vintage Spiritual Classics are incomparable resources for all readers who seek a more substantive understanding of mankind's relation to the divine *Saint Thomas More* Thomas More, 1961-01-01 **Selected Works of St. Thomas More** Sir Thomas More (Saint), 1961 Selected Works ~ of St. Thomas More Thomas More, 1964 *St. Thomas More: Selected Letters* Saint Thomas More, 1961

Selected works of St. Thomas More Thomas More, **The Complete Works of St. Thomas More** Saint Thomas More, 1963 Publication of this volume brings to conclusion the Yale Edition of the Complete Works of St Thomas More a thirty year publishing project of landmark importance in the study of humanism in Western history The volume contains More's earliest works probably written between 1492 and 1522 including English poems a translation and devotional adaptation of Giovanni Francesco Pico's life of his famous uncle Giovanni Pico della Mirandola and a devotional prose work These texts together trace More's earliest career as a humanist through his transition to maturity as a defender of the faith The English poems c 1492-1494 are lively and experimental works written at a time when English poetry was in its doldrums This collection includes verses for a series of painted hangings in More's father's house a lament for Queen Elizabeth wife of Henry VII traditional and sober Fortune verses and a lively medieval comic poem *A Merry Gest of a Sergeant and a Friar* The *Life of Pico* c 1510 is very likely More's earliest prose work and is his only extended translation of another writer's Latin into English The translation is remarkable for its time when sophisticated Latin was difficult to translate into more primitive English The *Last Things* c 1522 is an incomplete prose work that re-creates the tradition of writing on death judgment hell and heaven as objects of meditation With the publication of *St Thomas More Selected Poems* edited by Elizabeth F Rogers 1961 the Yale University Press rated two new editions of the works of St Thomas More One is a complete scholarly edition in fourteen volumes the other a modernized version of selected works in seven volumes *St Thomas More Selected Letters* is the first volume in the *Selected Works* The *History of King Richard III* is Volume 2 in the *Complete Works* These editions to be

published over a period of ten years are designed to serve as standard reference works for many decades to come Sponsored by the Yale University Department of English and the Yale University Library these editions mark a new era in the study of Renaissance literature history and religion *St. Thomas More* Sir Thomas More (Saint),1961 **For All Seasons** Stephen Smith,2017-04-01 For the first time in forty years the selected letters of St Thomas More son husband father friend statesman and martyr are now available in this newly edited volume for the contemporary reader Moving from the days of his youth to the startling drama of his final years this collection serves as a life in letters and offers the reader fresh insight into More s education formation and character visible both in season and out of season in little matters as well as great controversies The first English writer to use the word integrity More struggled to live as well as he wrote with personal virtue solid piety and a well formed conscience These letters reflect all the facets of his humanity and personality and through them one may begin to glimpse the living face of this famous man for all seasons as he was known even in his own time In addition to the letters from Thomas More the book offers introductory notes on the family members friends and other historical figures relevant to his life s history **Yale edition of the works of St. Thomas More** Thomas More,1977
