English Primary Colors 6 Teacher's Book Diana Hicks, Andrew Littlejohn, 2008-04-14 American English Primary Colors is a new 6 level course for young learners from six to eleven years old The accompanying Teacher s Book provides step by step guidance as well as photocopiable worksheets progress tests and ideas for classroom activities Extra support and practical ideas are included in the A Z of teaching young learners at the back of the book **Talking, Drawing, Writing** Martha Horn, Mary Giacobbe, 2023-10-10 In the early grades talking and drawing can provide children with a natural pathway to writing yet these components are often overlooked In Talking Drawing Writing Lessons for Our Youngest Writers authors Martha Horn and Mary Ellen Giacobbe invite readers to join them in classrooms where they listen watch and talk with children then use what they learn to create lessons designed to meet children where they are and lead them into the world of writing The authors make a case for a broader definition of writing advocating for formal storytelling sessions in which children tell about what they know and for focused sketching sessions so that budding writers learn how to observe more carefully The book s lessons are organized by topic and include oral storytelling drawing writing words assessment introducing booklets and moving writers forward Based on the authors work in urban kindergarten and first grade classes the essence and structure of many of the lessons lend themselves to adaptation through fifth grade The lessons follow a consistent format What s going on in the classroom What do children need to learn next Materials needed to teach the lesson Language used in each lesson Reasons behind why certain books are chosen and suggestions for additional children s books The authors show the thinking behind their teaching decisions and provide a way to look at and assess children s writing giving us much more than a book of lessons they present a vision of what beginning writing can look and sound like Perhaps most powerfully they give us examples of the language they use with children that reveal a genuine respect for and trust in children as learners *Historical Papers Delivered Before the Society of Colonial Wars of the State of Michigan* ,1908
