Jewish Salonica Devin E Naar, 2016-09-07 The story of an early twentieth century Sephardic Jewish community in the city called the Jerusalem of the Balkans Richly documented and a pleasure to read Matthias Lehmann author of *Emissaries from the Holy Land* The Mediterranean port city of Salonica Thessaloniki was once home to the largest Sephardic Jewish community in the world The collapse of the Ottoman Empire and the city's incorporation into Greece in 1912 provoked a major upheaval that compelled Salonica's Jews to reimagine their community and status as citizens of a nation state This is the first book to tell the story of this tumultuous transition through the voices and perspectives of Salonican Jews as they forged a new place for themselves in Greek society Devin E Naar traveled the globe from New York to Salonica Jerusalem and Moscow to excavate archives once confiscated by the Nazis Written in Ladino Greek French and Hebrew these archives combined with local newspapers reveal how Salonica's Jews fashioned a new hybrid identity as Hellenic Jews during a period marked by rising nationalism and economic crisis as well as unprecedented Jewish cultural and political vibrancy Salonica's Jews Zionists assimilationists and socialists reinvigorated their connection to the city and claimed it as their own until the Holocaust Through the case of Salonica's Jews Naar recovers the diverse experiences of a lost religious linguistic and national minority at the crossroads of Europe and the Middle East The community's transformation and mobilization as simultaneously flourishing and struggling is fleshed out in a fascinating and inviting narrative *American Historical Review* A compelling account of how the Sephardic Jews of Salonica experienced the transition from being subjects of the multi ethnic multi religious Ottoman empire to living as a minority in the Greek nation state A must read for anyone interested in the history of this unique community Matthias Lehmann author of *Emissaries from the Holy Land*

A History of Muslims, Christians, and Jews in the Middle East Heather J. Sharkey, 2017-04-03 Across centuries the Islamic Middle East hosted large populations of Christians and Jews in addition to Muslims Today this diversity is mostly absent In this book Heather J Sharkey examines the history that Muslims Christians and Jews once shared against the shifting backdrop of state policies Focusing on the Ottoman Middle East before World War I Sharkey offers a vivid and lively analysis of everyday social contacts dress music food bathing and more as they brought people together or pushed them apart Historically Islamic traditions of statecraft and law which the Ottoman Empire maintained and adapted treated Christians and Jews as protected subordinates to Muslims while prescribing limits to social mixing Sharkey shows how amid the pivotal changes of the modern era efforts to simultaneously preserve and dismantle these hierarchies heightened tensions along religious lines and set the stage for the twentieth century Middle East
