The background features a dramatic sunset or sunrise over the ocean, with the sun low on the horizon, casting a golden glow across the sky and water. The sky is filled with soft, colorful clouds in shades of orange, yellow, and blue.

Salt Light A Christian Response To Current Issues:

Salt & Light David J. Gyertson,1993 Does anybody in our generation have enough insight to shine a light into the darkness creeping across our land Where can we find thoughtful analysis of tough issues that does not lend itself to simple yes or no answers Analysis that is credible to Christians and non Christians alike **Christian Theological Education and the Response to the Crisis in Zimbabwe** Bekithemba Dube,Gift Masengwe,2025-10-02 The book offers an incisive examination of the governing philosophy of the Zimbabwe African National Union Patriotic Front ZANU PF referred to as Zanupfism characterizing it as marked by callousness and malevolence towards dissenting voices from civil society and opposition factions This pernicious application of power extends beyond mere verbal aggression to encompass militaristic actions engendering a profound generational crisis within Zimbabwe The contributors explore the compelling juxtaposition between President Emmerson Mnangagwa and the biblical Nebuchadnezzar II a ruler notorious for his autocratic reign and expansive ambitions Further critically scrutinizing the complicity of neo Pentecostal prophets in the book reveals how these religious figures promote an esoteric understanding of the divine diverging from a theology rooted in justice thereby enabling the oppressive regime s practices This critique underscores the imperative for prophets to recalibrate their theological perspectives urging them to move beyond magical interpretations of faith toward an authentic engagement with a personal God who champions justice The book further encompasses the complex interplay of political and religious narratives examining how church leaders either bolster or undermine Mnangagwa s political ideology highlighting the tendency among certain religious factions to deify political authority ultimately exacerbating societal inequities In advocating for a transformative theological discourse in Zimbabwe the book asserts that religious narratives must serve as instruments for fostering democracy social justice and equity rather than sustaining a status quo that entrenches authoritarian governance The necessity for unified principled resistance grounded in the collective agency of the populace emerges as a salient theme in the quest for meaningful political and social reform **World Christian** ,1991 **Harsh Realities, Agonizing Choices** Perry C. Cotham,1996 Nine politically hot issues are examined in a pro and con discussion format Key points are explained from the point of view that is understandable to the average person The same points are then compared to related biblical passages The reader will have a clear understanding of both sides of abortion sexual morality homosexuality and other divisive issues They will be challenged to think through their own positions on these issues **Christian Citizenship Training Course, Vol. 2, Form #12.008** Sovereignty Education and Defense Ministry (SEDM),2020-02-06 Good citizenship from a Christian Perspective **Christian Responses to Spiritual Incursions into the 21st Century Church and Society** Nikolaos Asproulis,Stuart Devenish,2020-10-30 This volume provides an account of the surprising in breaking of spiritual life that persists in our culture despite the best efforts of atheist spokespersons and secular theorists Spirituality in its varying forms is irrepressible resisting our attempts to exclude it by continuing to seep through the cracks and leak

through the gaps When it is allowed to manifest itself through the Christian faith tradition it has the power to surprise transform and renew everything it touches This volume contains a series of case studies each of which describes the inner functionings and out workings of the spiritual life as a transformative point of contact between God world society and self Each chapter contains high level inquiry drawing on best practice scholarship that is deeply aware of the needs and opportunities that confront 21st century society *Foundational Issues in Christian Education* Robert W.
