**New Sociologies of Sex Work** Kate Hardy, Sarah Kingston, 2016-05-06 Sex work studies have seen an expansion in publications over the past decade drawing together disciplines from across the social sciences namely sociology criminology and social policy There has however been a tendency for research and writing to focus on the more obvious aspect of the sex industry the visible elements of female street prostitution and those features which attract media attention such as the criminalised aspects of the sex trade The sex industry is diverse in terms of its organisation presentation participants and how it is located in the broader context of globalisation and regulation there is a need for publications which demonstrate this breadth This book

makes an outstanding contribution to the sociology of sex work through advancing theoretical policy methodological and empirical ideas as each chapter pushes the boundaries of a specific area by offering new and critical research as well as commentary

**Women Who Buy Sex** Sarah Kingston, Natalie Hammond, Scarlett Redman, 2020-05-10 Drawing on empirical data from women who pay for sexual services and those who provide services to women this ground breaking study is the first of its kind in the UK detailing the experiences of women who pay for sex in an explicit direct prearranged way Unlike previous research on clients which has predominantly focused on men who buy sex or women who engage in romance tourism in places such as the Caribbean this innovative research offers new and original insights into the demand side of commercial sex Too often it is assumed that only men pay for sex from women or other men Women are assumed to be service providers and are unimaginable as clients This book therefore offers a radical departure from existing scholarship on commercial sex In addition the book examines the experiences of couples who pay for commercial sex a client group that has received scant investigation The book explores women s reasons for their engagement in commercial sex services their backgrounds and characteristics their strategies for remaining safe and managing potential risks as well as their sexual health strategies The nature of sexual service bookings with women clients is also examined exploring the types of services women seek the places where bookings occur and the fees they pay Finally the experiences of men women and trans sex workers who provide sexual services to women are examined By drawing on our unique data and comparing it to the literature on men clients we present our theory Converging Sexualities We argue that commercial sex is a site of behavioural convergence and that women clients are behaving in ways that could be described as masculine or feminine Our study therefore offers new ways to understand sexuality This book will be of interest to researchers in the field of sexuality sex work and women s behaviour

**Street Sex Workers' Discourse** Jill McCracken, 2013-04-17 Incorporating the voices and insights of street sex workers through personal interviews this monograph argues that the material conditions of many street workers the physical environments they live in and their effects on the workers bodies identities and spirits are represented reproduced and entrenched in the language surrounding their work As an ethnographic case study of a local system that can be extrapolated to other subcultures and the construction of identities this book disrupts some of the more prevalent academic and lay understandings about street prostitution by providing a thorough analysis of the material conditions surrounding street work and their connection to discourse McCracken offers an explanation of how constructions can be made differently in order to achieve representations that are generated by the marginalized populations themselves while placing responsibility for this marginalization on the society in which these people live

**Sex Workers and Their Clients** Jerald L. Mosley, 2020-12-15 This book draws on the voices of sex workers and their clients to critically assess the criminalization of prostitution in favour of decriminalization It does so by contrasting their voices with the claims made by prohibitionists those advocating the prohibition of prostitution or at least the prohibition of the purchase of sexual services

and notes scholarly research that gives context to those accounts and claims Each chapter is dedicated to a particular issue which is given currency in academic and public debates on sex work The first part of each chapter reviews the state of research and publicly aired contentions and the second part compares sex workers voices with claims from prohibitionists It highlights the gap between what many sex workers have to say about themselves and what theorizing prohibitionists say about all prostitution It argues that there is often a striking contrast in attitude perspective interpretation and valuation This books speaks primarily to prohibitionist thinking and sex work stereotyping and secondarily to the debate on decriminalization of sex work

*Rethinking Prostitution* Graham Scambler,2003-09-02 The growth of AIDS has focused renewed attention on the institution of prostitution In contrast to the moral panic reaction of some sectors of society very different initiatives are being displayed by other groups in relation to the need to scrutinize the social moral and legal status of prostitution and to reflect on the arguments in support of and against legalising brothels paying particular concern to prostitutes own health *Rethinking Prostitution* covers male as well as female sex workers and considers in detail their status in law drugs issues of health and health care the changing nature of sex work partners boyfriends and pimps and the potential for redefining prostitution By drawing on the expertise of researchers across all aspects of the industry this up to date text focuses on an institution and industry ripe for re assessment *Rethinking Prostitution* will be of considerable interest to students lecturers and researchers in medical sociology and women s studies as well as to social workers in training and practice
