Sexual Behaviour and HIV/AIDS in Europe Michel Hubert, Nathalie Bajos, Theo Sandfort, 2004

Sexuality and Gender in Postcommunist Eastern Europe and Russia Edmond J Coleman, Theo Sandfort, 2014-05-22 Important new findings on sex and gender in the former Soviet Bloc Sexuality and Gender in Postcommunist Eastern Europe and Russia is a groundbreaking look at the new sexual reality in Central Eastern and Southeast Europe after the fall of communism The book presents the kind of candid discussion of sexual identities sexual politics and gender arrangements that was often censored and rarely discussed openly before the breakup of the Soviet Union in 1987 Authors from a variety of disciplines examine how the changes caused by rapid economic and social transformation have affected human sexuality and

if those changes can generate the social tolerance necessary to produce a well rooted democracy The first theoretical and empirical body of work to sexuality in post transitional countries *Sexuality and Gender in Postcommunist Eastern Europe and Russia* examines the effects of the profound social transformation taking place in the former Soviet Union Through an interdisciplinary perspective the book addresses vital issues of this transformation including gender relations gender roles and sex norms in transition sexual representations in the media patterns of adult sexual behavior gay and lesbian issues sex trafficking health risks and sex education The book also presents a critical examination of whether the fall of communism has in fact induced changes in sexuality and gender relations *Sexuality and Gender in Postcommunist Eastern Europe and Russia* examines the changes in sex and gender in countries in transition including the negative consequences of Serbia s state directed non development during the 1990s the causes and consequences of trafficking in women from the Russian Federation the ongoing debate over human rights for sexual minorities in Romania the effects of two Yugoslavian films released in the 1990s that feature transgender characters sexualities in transition in Croatia problems created by changes in sexual behavior among urban Russian adolescents the social and legal state of lesbians in Slovenia *Sexuality and Gender in Postcommunist Eastern Europe and Russia* fills in the gap in the current knowledge and understanding of the effects of the profound social changes taking place in Central Eastern and Southeast Europe The book is an essential read for academics and researchers working in gender studies political science and gay and lesbian studies Handy tables and figures make the information easy to access and understand *Reproductive Health Behaviour of Young Europeans* Nathalie Bajos, Agnès Guillaume, Osmo Kontula, 2003-01-01 This publication is the first volume of a report which examines the reproductive health behaviour of young people in Europe It focuses on contraceptive practices and the use of abortion amongst young adults and trends in teenage sexual behaviour in terms of pregnancies sexually transmitted diseases and HIV infections These discussions provide a background for research into the possible impact of legislation and government policy on the role of the welfare system the institutional framework of reproductive health services and education *Sexual Life in Sweden* Hans Zetterberg, 2021-10-14 Now available in English *Sexual Life in Sweden* is a classic piece of sex research by one of Sweden s most distinguished social scientists Sponsored by the Royal Commission on Sex Education more than thirty years ago it remains the only study of sexual behavior in a randomly selected adult population sample ever funded by a government Because an astonishing response rate was achieved 91 percent during the course of Zetterberg s research the claim that Sweden is one of the few countries where generalizations about national sexual behavior can be made may be stated with confidence Zetterberg s study matches the gender of interviewers to that of subjects From a theoretical perspective Zetterberg analyzes the change in Sweden from a restrictive to a contraceptive society The study makes it clear that with over 1 000 acts of intercourse for every live birth 90 percent of sexual activity between consenting adults in modern Sweden does not result simply for procreation Nevertheless the research yields a picture of a highly responsible society Zetterberg

explores the emergence of two powerful new norms when having sex you must use contraception and when in an existing sexual relationship you must not start another one He also examines the issue of abortion as part of a concept of social justice The author compares the behavior of those who experience an unwanted pregnancy with those who do not and explains that abortion is seen by Swedes as part of the provision of the welfare and social justice system Included is an examination of the sexual behavior of young people the age of their first sexual experience the circumstances surrounding it whether positive parental involvement in their children's lives has any influence on their sexual conduct and sex education programs in the schools This translation of Zetterberg's study has been prepared by British sociologist Graham Fennell who also authored a new introduction positioning Zetterberg's work in the history of sex research and comparing its findings with contemporary studies in Scandinavia Western Europe and North America In light of the ongoing controversies about sex education its conclusions remain relevant to policy discussions today

Sexual Interactions and HIV Risk

Mitchell Cohen, Gustavo Guizzardi, Dominique Hausser, Luc Van Campenhoudt, 2003-12-16 This work examines the theories and perspectives involved in the study of sexual risk behaviour and HIV It provides a framework for analysis based on sexual interactions and their social context

The Dutch Response to HIV Theo Sandfort, 1998 Using the Dutch example this book documents and discusses prevention policy and provides an instructive case study for other countries with relevance for policy makers now and in the future

Sexuality in Europe Dagmar Herzog, 2011-08-18 This original book brings a fascinating and accessible account of the tumultuous history of sexuality in Europe from the waning of Victorianism to the collapse of Communism and the rise of European Islam Although the twentieth century is often called the century of sex and seen as an era of increasing liberalization Dagmar Herzog instead emphasizes the complexities and contradictions in sexual desires and behaviours the ambivalences surrounding sexual freedom and the difficulties encountered in securing sexual rights Incorporating the most recent scholarship on a broad range of conceptual problems and national contexts the book investigates the shifting fortunes of marriage and prostitution contraception and abortion queer and straight existence It analyzes sexual violence in war and peace the promotion of sexual satisfaction in fascist and democratic societies the role of eugenics and disability the politicization and commercialization of sex and processes of secularization and religious renewal

Handbook of European Societies Stefan Immerfall, 2009 European integration is one of the most ambitious and socially far reaching developments in world politics and in world economics Against growing opposition and despite increasing social heterogeneity the European Union continues to expand and to acquire new competences But to what extent is the self proclaimed ever closer union among the peoples of Europe a social reality In which ways is the political European project anchored in social developments How does social change impinge upon political integration Societal trends in multi cultural multi ethnic multi lingual and socially diverse Europe have never been studied systematically Handbook of European Societies Social Transformations in the 21st Century sets to rectify this neglect of societal developments in Europe providing

a groundwork for the sociology of European integration The book portrays social life and social relations in the enlarged Europe and gives a perspective on the European Union as an evolving social entity Handbook of European Societies is a pioneering source book analyzing the current social patterns on the continent It covers a representative selection of major topics of social concern and sociological relevance such as Collective Action Consumption Identity Power Structure Sexuality Stratification and Well being Each contribution probes key developments in a strictly comparative manner The Handbook thus offers a detailed look into the intricacies of the national societies of Europe and into the prospect of an emerging European society The Editors have enlisted leading researchers to synthesize existing knowledge and to make use of many different data sources in a straight forward style The contributions stay away from jargon simple labeling and sweeping assertions Instead they provide solid and accessible information on a wide variety of social trends and processes within and across European societies

Researching Sexual Behavior John Bancroft,1997-10-22 These 22 contributions from the April 1996 meeting hosted by the Kinsey Institute at Indiana U present international perspectives on debates about methodological differences in surveys of sexual behavior and in particular the difficulties with generalizing methods across contrasting cultures The authors discuss key issues relating to both qualitative and quantitative methods including adaptations of method for groups the use of survey data to measure change in behavior over time and participation bias Annotation copyrighted by Book News Inc Portland OR

AIDS in Europe Jean-Paul Moatti,2000 Major changes in the nature and dynamics of the AIDS epidemic over the last few years are reflected in changing epidemiological trends as well as in the progress made in biomedical research and treatment AIDS in Europe brings together papers from leading social science researchers to look at the opportunities and challenges these changes bring and the different ways in which they are being responded to in both western and eastern Europe Papers are organised under three headings new challenges for HIV prevention care of people living with HIV AIDS in a new therapeutic context AIDS public policies from specialisation to normalisation AIDS in Europe provides a comprehensive overview of current social and behavioural research on HIV and AIDS for all health professionals

Sexuality Repositioned Belinda Brooks-Gordon,2004-06 This book aims to explore some of the social and moral censures contours and controversies that shape and mark the boundaries of sexuality

HIV Epidemics in the European Region Lucy Platt,Emma Jolley,Vivian Hope,Alisher Latypov,Peter Vickerman,Ford Hickson,Lucy Reynolds,Tim Rhodes,2015-02-12 This report describes the dynamics of HIV epidemics among vulnerable and high risk populations in the European region in particular people who inject drugs sex workers and men who have sex with men It aims to inform future HIV responses and guide HIV prevention surveillance and research

Sexual Behaviour and Health in Older Adults Lee Smith,Igor Grabovac,2023-02-06 This book provides a comprehensive overview for those interested in research and promoting sexual health in older people as well as a go to guide on the topic of sexual behaviour in older adults Sexual activity is an essential part of intimate relationships though it tends to decline in frequency as people grow older Nevertheless for many older

people sex still remains an important part of their life There s a common misconception that as people age they lose their interest in sex and capacity for sexual behaviour This is not the case as a number of national surveys show The new research presented here indicates that the less sex older people have the more likely they are to experience mental and physical health problems Men and women who reported a decrease in the frequency of sexual activities were also more likely to report a deterioration in self perceived health Additionally men with erectile dysfunction were also more likely to be diagnosed with cancer or coronary heart disease This research has also determined that older adults who experience a decline in sexual activity report poorer well being than those who maintain their levels of sexual desire activity and function in later life and that men who remain sexually active in later life continue to have better cognitive performance compared to those who don t Despite these health benefits medical professionals do little to promote sexual activity in older adults and the literature suggests that there is a lack of knowledge on how to approach the subject and how to promote such activities This is the first comprehensive book specifically exploring all areas of sexual behaviour and health in older adults and drawing on the latest research in this area It offers a valuable resource for researchers and clinicians in various health fields medicine nursing occupational therapy psychology public health etc as well as students in undergraduate and graduate programs

Demography: Analysis and Synthesis, Four Volume Set Graziella Caselli, Jacques Vallin, Guillaume

Wunsch, 2006-01-03 This four volume collection of over 140 original chapters covers virtually everything of interest to demographers sociologists and others Over 100 authors present population subjects in ways that provoke thinking and lead to the creation of new perspectives not just facts and equations to be memorized The articles follow a theory methods applications approach and so offer a kind of one stop shop that is well suited for students and professors who need non technical summaries such as political scientists public affairs specialists and others Unlike shorter handbooks Demography Analysis and Synthesis offers a long overdue thorough treatment of the field Choosing the analytical method that fits the data and the situation requires insights that the authors and editors of Demography Analysis and Synthesis have explored and developed This extended examination of demographic tools not only seeks to explain the analytical tools themselves but also the relationships between general population dynamics and their natural economic social political and cultural environments Limiting themselves to human populations only the authors and editors cover subjects that range from the core building blocks of population change fertility mortality and migration to the consequences of demographic changes in the biological and health fields population theories and doctrines observation systems and the teaching of demography The international perspectives brought to these subjects is vital for those who want an unbiased rounded overview of these complex multifaceted subjects Topics to be covered Population Dynamics and the Relationship Between Population Growth and Structure The Determinants of Fertility The Determinants of Mortality The Determinants of Migration Historical and Geographical Determinants of Population The Effects of Population on Health Economics Culture and the Environment

Population Policies Data Collection Methods and Teaching about Population Studies All chapters share a common format Each chapter features several cross references to other chapters Tables charts and other non text features are widespread Each chapter contains at least 30 bibliographic citations

International Handbook on Adolescent Health and Development Andrew L. Cherry,Valentina Baltag,Mary E. Dillon,2016-11-21 This comprehensive reference uses an ecological perspective to sort out the complex mix of biological psychological social and other factors influencing adolescent health as well as shaping professional responses to the needs of adolescents Describing critical concerns at the global level and innovative strategies from selected countries the book urges readers to develop and support practices and policies to enhance optimal youth development Expert coverage centers on key areas the global state of adolescent health and development adolescent health issues and public health answers making health systems more responsive to youth and improving school health services And bedrock themes such as social determinants of health young people s right to health care and health and gender disparities are discussed throughout these chapters Included among the topics The epidemiology of adolescent health Adolescent sexual health and sexuality education Restorative justice and the mental wellbeing of adolescents Critical issues in adolescent nutrition needs and recommendations Towards an adolescent competent workforce Pairing children with health services the changing role of school health services in the 21st century The International Handbook on Adolescent Health and Development is essential to medical schools public schools and college libraries teaching faculty graduate and post graduate students in public health medicine social work other behavioral sciences and health disciplines e g nursing allied health as well as practitioners interested in better orienting their services to the health needs of adolescents

AIDS Research at EC Level Andre E. Baert,1995 At EC level the fight against AIDS one of the major health problems and socioeconomic diseases today is also part of the specific RTD programme in the field of biomedicine and health About 600 research teams are collaborating within 30 concerted actions networks that are underpinned by centralised facilities For example the epidemiology research networks are monitored by the WHO EC collaborating centre in St Maurice France Common experiments on animal models antiviral screening genetic analysis of multiple virus strains and provision of reagents for vaccine development are also centralized facilities in AIDS research carried out under the principles of subsidiarity and Community added value This publication presents an overview of their ongoing research activities in disease control and prevention viro immunological research clinical research and vaccine development Covered by Current Contents Life Sciences ISI volume 38 no 19 May 1995 p 11 12 Therefore for anyone doing AIDS research this is a must volume to have in order to understand what the European Community is doing in AIDS research Highly recommended for all medical and academic libraries H Robert Malinowsky The University of Illinois Chicago USA AIDS Book Review Journal no 27 June 1996

Sexual Interactions and HIV Risk Mitchell Cohen,Gustavo Guizzardi,Dominique Hausser,Luc Van Campenhoudt,2003-12-16 How sexual risk is negotiated between partners is an area of considerable theoretical interest with

the dominant models of analysis focusing on individual decisions to engage in sexual behaviour and relying on rational decision making This work based on the findings from work coordinated by the Centre d Etudes Sociologiques in Brussels offers a social critique of the theories and perspectives which have currently been brought to bear in the study of sexual risk behaviour and HIV Leading European researchers offer a conceptual framework for analysis based on sexual interactions and their social context The practical relevance of new perspectives on sexual behaviour in the context of HIV AIDS prevention is also discussed

Promoting Young People's Sexual Health Roger Ingham, Peter Aggleton, 2006-09-27 Valuable contributions on different aspects of sexual and reproductive health among young people are presented in this book with a focus on developing country contexts Key discussions on issues relating to young people and their sexual activities are brought together in one volume exploring how these issues are affected by the wider contexts in which they live The interdisciplinary team of contributors examine the practical and ideological barriers that inhibit progress in the development of educational and service level improvement of young people s sexual health as well as presenting examples of efforts made to overcome such difficulties *Promoting Young People s Sexual Health* looks to the future proposing ways forward in terms of policy and legislative changes necessary for long term improvements in young people s sexual health

Sexual Behaviour And Hiv aids In Europe Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sexual Behaviour And Hiv aids In Europe has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sexual Behaviour And Hiv aids In Europe has opened up a world of possibilities. Downloading Sexual Behaviour And Hiv aids In Europe provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sexual Behaviour And Hiv aids In Europe has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sexual Behaviour And Hiv aids In Europe. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sexual Behaviour And Hiv aids In Europe. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sexual Behaviour And Hiv aids In Europe, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Sexual Behaviour And Hiv aids In Europe has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sexual Behaviour And Hiv aids In Europe Books

1. Where can I buy Sexual Behaviour And Hiv aids In Europe books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
