Sexual Orientation And School Policy A Practical Guide For Teachers Administrators And Activists

Christopher Donoghue

Sexual Orientation And School Policy A Practical Guide For Teachers Administrators And Activists:

Sexual Orientation and School Policy Ian K. Macgillivray, 2004 This book helps the reader to understand and mediate the debates that arise when gay lesbian bisexual transgendered intersex and queer questioning students and their families ask for equal treatment from the schools and are opposed by conservative parents Sexual Orientation and School Policy is a case study of one school districts attempt to adopt and implement policies that include sexual orientation This book describes the work of the Safe Schools Coalition who advocate and educate for equal rights for gay lesbian bisexual transgendered intersex and queer questioning GLBTIQ students Concerned Citizens a group of conservative parents opposed the inclusion of sexual orientation in the policies Factors that either facilitated or impeded the implementation of the policies are highlighted as are the strategies employed by the Safe Schools Coalition in educating opponents Advancing Equity and Achievement in America's Diverse Schools Camille M. Wilson, Sonya Douglass Horsford, 2013-09-05 Advancing Equity and Achievement in America's Diverse Schools illustrates how educators students families and community partners can work in strategic ways to build on social cultural and ethnic diversity to advance educational equity and achievement By drawing on the latest data on demographic change constructions of culture and cultural difference and the politics of school reform in urban rural and suburban school communities this volume looks toward solutions and strategies for meaningful educational improvement Contributors consider both the diversity of youth and families served in public schools and the culture of U S schooling highlighting the influence of policy and reform agendas students identities and agency experiences and approaches of diverse educators and the workings of effective school partnerships Chapters also focus on those often overlooked in educational scholarship such as Native Americans students experiencing poverty and or homelessness Muslim students students with special needs and students and educators who are lesbian gay bisexual transgender intersex or queer In all this edited collection stresses the need for high quality education that is inclusive culturally responsive and unifying so all students can experience academic success This book is a meaningful resource for educators policymakers and community based leaders interested in doing such transformative work **Sexuality Matters** James W. Koschoreck, Autumn K. Tooms, 2009-10-15 Sexuality Matters brings together scholars from a variety of epistemological perspectives to explore the multiple ways in which sexuality does indeed matter in the arena of public education This book is arranged into three main thematic areas Policy and Activism Curriculum and Pedagogy and Identity and Lived Experiences each of which explores specific ideas and challenges found within the corresponding topic The special features of this collection include a focus on the implications of sexuality for educational leadership as well as a multi perspectival approach to the exploration of these concerns This text will prove to be especially useful both to scholars who prepare future educational leaders and to practitioners who are seeking ways to deal with the complex social realities of their communities The Oxford Handbook of Social Justice in Music Education Cathy Benedict, Patrick K. Schmidt, Gary Spruce, Paul Woodford, 2015 The Oxford

Handbook of Social Justice in Music Education provides a comprehensive overview and scholarly analyses of challenges relating to social justice in musical and educational practice worldwide and provides practical suggestions that should result in more equitable and humane learning opportunities for students of all ages **The School Services Sourcebook** Cynthia Franklin, Mary Beth Harris, Paula Allen-Meares, 2006-02-02 This comprehensive sourcebook covers every aspect of school service delivery arming practitioners with the nuts and bolts of evidence based practice Each of the 114 chapters serves as a detailed intervention map beginning with a summary of the problem area and moving directly into step by step instructions on how to implement an evidence based program with distinct goals in mind and methods to measure the outcome School based professionals in need of ready access to information on mental health disorders developmental disabilities health promotion child abuse dropout prevention conflict resolution crisis intervention group work family interventions culturally competent practice policy ethics legal issues community involvement accountability and funding can now find high quality and easy to implement strategies at their fingertips A concise user friendly format orients readers to each issue with a Getting Started section then moves smoothly into What We Know What We Can Do Tools and Practice Examples and Points to Remember Quick reference tables and charts highlight the most important information needed for daily reference and lists of further reading and Web resources guide readers in gathering additional information to tailor their practice to suit their students needs Each chapter has been specifically crafted by leaders in their fields with the ultimate goal of giving school based practitioners the tools they need to deliver the best mental health and social services possible to students families and communities This is a must have reference for all school based social workers psychologists counselors mental health professionals and educators *Gay-Straight Alliances* Ian K. Macgillivray, 2014-01-14 A step by step guide to the school club that provides a safe place for LGBT and straight kids A Gay Straight Alliance GSA provides a safe place for students to discuss issues meet others and get support from those who care Gay Straight Alliances A Handbook for Students Educators and Parents explains exactly how to begin this important type of school club that helps build positive relationships and promotes knowledge and tolerance This guide tells students what it takes to start a GSA at their school teachers how best to work with GSAs and helps principals and superintendents to understand the applicable laws Parents who read this book can discover for themselves just how positive an influence the GSA may be in their child's life Beginning a Gay Straight Alliance GSA takes courage as well as the support of educators and parents Gay Straight Alliances A Handbook for Students Educators and Parents discusses all aspects of this type of school club including the issues and challenges students will face when forming it Teachers are given helpful perspectives on how to meet the inevitable concerns of parents and public officials and how to be an effective advisor Principals and school officials are given an overview of the federal laws and the responsibility of schools to adhere to them The book includes appendixes with helpful resources on sexual orientation and gender identity development LGBT issues and schools and the 1984 Federal Equal Access Act Topics in Gay Straight

Alliances A Handbook for Students Educators and Parents include starting a GSA in ten steps how teachers and counselors can work with GSAs including transgender students First Amendment rights 1984 Federal Equal Access Act Title IX a review of federal guidelines for religious expression in public schools school anti harassment policies understanding the opposition with strategies for working with them working with parents common misconceptions about GSAs Gay Straight Alliances A Handbook for Students Educators and Parents is a valuable guide for students wanting to start a Gay Straight Alliance GSA at their school for teachers on how to best work with GSAs for principals and superintendents on GSAs and the law and for parents who have children in schools with GSAs Critical Concepts in Queer Studies and Education Nelson M.

Rodriguez, Wayne J. Martino, Jennifer C. Ingrey, Edward Brockenbrough, 2016-08-30 This book advances a broad constellation of critical concepts situated within the field of queer studies and education Collectively the concepts take up a cross section of scholarship that speaks to various political epistemological theoretical methodological and pedagogical concerns Given the ongoing global centrality of sociocultural and political developments related to the topic of LGBTQ in the twenty first century the concepts in this volume and the issues raised by each contributor will have wide international appeal among researchers scholars educators students and activists working at the intersection of queer studies and education *Handbook of Research on Educational Leadership for Equity and Diversity* Linda C. Tillman, James Joseph Scheurich, 2013-08-21 The rapid growth of diversity within U S schooling and the heightened attention to the lack of equity in student achievement school completion and postsecondary attendance has made equity and diversity two of the principle issues in education educational leadership and educational leadership research The Handbook of Research on Educational Leadership for Equity and Diversity is the first research based handbook that comprehensively addresses the broad diversity in U S schools by race ethnicity culture language gender disability sexual identity and class The Handbook both highly values the critically important strengths and assets that diversity brings to the United States and its schools yet at the same time candidly critiques the destructive deficit thinking biases and prejudices that undermine school success for many groups of students Well known chapter authors explore diversity and related inequities in schools and the achievement problems these issues present to school leaders Each chapter reviews theoretical and empirical evidence of these inequities and provides research based recommendations for practice and for future research Celebrating the broad diversity in U S schools the Handbook of Research on Educational Leadership for Equity and Diversity critiques the inequities connected to that diversity and provides evidence based practices to promote student success for all children **Gender and Sexual Diversity in Schools**

Elizabeth J. Meyer, 2010-06-16 Issues related to gender and sexual diversity in schools can generate a lot of controversy with many educators and youth advocates under prepared to address these topics in their school communities This text offers an easy to read introduction to the subject providing readers with definitions and research evidence as well as the historical context for understanding the roots of bias in schools related to sex gender and sexuality Additionally the book offers

tangible resources and advice on how to create more equitable learning environments Topics such as working with same sex parented families in elementary schools integrating gender and sexual diversity topics into the curriculum addressing homophobic bullying and sexual harassment advising gay straight alliances and supporting a transgender or gender non conforming student are addressed The suggestions offered by this book are based on recent research evidence and legal decisions to help educators handle the various situations professionally and from an ethical and legally defensible perspective

Jsl Vol 18-N2 JOURNAL OF SCHOOL LEADERSHIP,2009-09-16 The Journal of School Leadership is broadening the conversation about schools and leadership and is currently accepting manuscripts We welcome manuscripts based on cutting edge research from a wide variety of theoretical perspectives and methodological orientations The editorial team is particularly interested in working with international authors authors from traditionally marginalized populations and in work that is relevant to practitioners around the world Growing numbers of educators and professors look to the six bimonthly issues to deal with problems directly related to contemporary school leadership practice teach courses on school leadership and policy use as a quality reference in writing articles about school leadership and improvement *LGBT Youth in America's Schools* Sean Cahill,Jason Cianciotto,2023-06-20 Jason Cianciotto and Sean Cahill experts on lesbian gay bisexual and transgender public policy advocacy combine an accessible review of social science research with analyses of school practices and local state and federal laws that affect LGBT students In addition portraits of LGBT youth and their experiences with discrimination at school bring human faces to the issues the authors discuss This is an essential guide for teachers school administrators guidance counselors and social workers interacting with students on a daily basis school board members and officials determining school policy nonprofit advocates and providers of social services to youth and academic scholars graduate students and researchers training the next generation of school administrators and informing future policy and practice **Bridge Leadership** Autumn K. Tooms,Christa Boske,2010-01-01 This is the first chronicle of the history of social justice as a line of inquiry within the field of educational administration Editors Tooms and Boske have amassed a collective voice of leaders in the field of Educational Administration who have broken barriers and expanded the field through their own work and scholarship within a national and international arena Many of these narratives are the first time tellings of the challenges and successes found in the works of this group of scholars of historic significance This collection is written and organized into practical and easy to digest sections They are part history lesson and part practical teaching tool for those who prepare school leaders Anyone from school leaders to academics interested or charged with unpacking the messy intersections between school leadership and issues of social justice will find inspiration and easy to understand explanations of leadership and equity work within the chapters presented Endorsement *Bridge Leadership* is a powerful and fascinating new volume that explores the intersections of social justice and educational leadership What distinguishes it from other social justice work is that it is much more personal than most such texts Many of the book s authors share poignant

excerpts of their life stories and connect them to the theoretical constructs historical events and political struggles of social justice The foregrounding of these personal stories and the bridges they create with social justice gives the volume a raw power not found in other social justice works I could not put the volume down Ulrich C Reitzug University of North Carolina Greensboro [The Sociology of Bullying](#) Christopher Donoghue,2022-06-14 An important new collection on the nature and consequences of bullying School shootings and suicides by young victims of bullying have spurred a proliferation of anti bullying programs yet most of the research done on school bullying has been from psychologists The Sociology of Bullying will be the first volume to present the leading ideas in sociology about bullying among adolescents that moves beyond an individualistic approach and instead offers ideas about how to address bullying as a byproduct of social systems biases and status hierarchies Sociologists investigate the impact of social forces on bullying among adolescents such as inequality heteronormativity militarized capitalism racism cancel culture power and competition Contributors explore a wide range of key topics such as how homophobia and gender normativity encourage bullying how anti bullying curricula can ultimately lead to more bullying and how adolescents use bullying against their friends to improve their own social standing By advancing sociological perspectives on bullying this important volume aims to shift the national conversation from one that focuses on villainizing bullies to one that encourages an inward look at the aspects of our culture that foster bullying behavior among children

Creating Safe and Supportive Learning Environments Emily S. Fisher,Karen Komosa-Hawkins,2013-04-17 The importance of creating safe spaces for lesbian gay bisexual transgender and questioning LGBTQ students in the school environment cannot be overstated It is one of the most prominent issues facing school professionals today and its success has lasting positive effects on the entire student body Drawing on the expertise of researchers and practitioners Creating Safe and Supportive Learning Environments provides a comprehensive examination of the topics most relevant for school professionals The first section lays out the theoretical foundation and background school professionals need to understand the social and political trends that impact LGBTQ individuals the development of sexual orientation and gender identity risk and resilience factors and the intersection of LGBTQ identity with other aspects of diversity The second section explores topics critical for the development of safe supportive school environments including understanding legal and ethical mandates training school personnel addressing bullying and harassment and developing inclusive classrooms Special topics related to counseling LGBTQ students supporting families of LGBTQ students becoming an ally and advocate in the schools and connecting with community resources are also covered CE credit is available to purchasers of this book at www.mensanapublications.com [Unmasking Identities](#) Janna Marie Jackson,2007-08-13 Based on a qualitative research study of gay and lesbian teachers Unmasking Identities explores how gay and lesbian teachers bring together their identities in a climate where the two have historically been pitted against each other Janna Marie Jackson demonstrates that participants made direct and indirect connections between their experiences related to being gay

or lesbian and their classroom practices of promoting social justice and building on students understandings This process of integrating their sexual identities with their roles as teachers was facilitated and inhibited by several factors including the community atmosphere school culture and family status This unique book explores what happens when identities are oppressed and suppressed and the consequences when they finally break free Unmasking Identities provides theoretical understandings and practical advice for teachers administrators and policy makers who are concerned about gay and lesbian issues This engaging text will appeal to those interested in gender studies and issues in education

Foucault and Education Stephen Ball, 2019-05-16 Specially selected by Stephen Ball this is a collection of the best and most interesting recently published papers that use Foucault to analyse destabilise and reclaim educational problems Arguably the best known social theorist in the western world Foucault's work is now widely used by researchers and writers in many fields of social science These papers not only demonstrate the practical applicability of Foucault to things cracked and things intolerable in making them not as necessary as all that they are also transposable in that they offer forms and methods of analysis which can be taken up and applied and used in other settings sectors and policy fields

Curriculum Development in the Postmodern Era Patrick Slattery, 2012-12-06 First Published in 2006 Routledge is an imprint of Taylor Francis an informa company

The School Services Sourcebook, Second Edition Cynthia Franklin, Mary Beth Harris, Paula Allen-Meares, 2012-11-27 The School Services Sourcebook covers every aspect of school service delivery arming practitioners with the nuts and bolts of evidence based practice The second edition has been significantly revised with a new structure including 73 chapters divided into five Parts across thirteen Sections with an additional six chapters included in an online section found on the book's companion website Fifteen new chapters cover key topics such as implementing an RTI framework positive behavioral supports school climate functional behavioral assessment the integration of ethics Autism and suicide school engagement military families Latino immigrant families classroom management transition planning and several chapters that speak to assessment and accountability Each chapter serves as a detailed intervention map quickly summarizing the problem area before presenting step by step instructions on how to implement an evidence based program with clear goals in mind and methods to measure the outcome The concise user friendly format from the first edition has been retained orienting readers to each issue with a Getting Started section then moves smoothly into What We Know What We Can Do Tools and Practice Examples and Key Points to Remember A new section Applying Interventions within Response to Intervention Framework has been added to each chapter to facilitate the implementation of an RTI model Quick reference tables and charts highlight the most important information needed for daily reference and annotated lists of further reading and Web resources guide readers in gathering additional information to tailor their practice to suit their students needs Each chapter has been specifically crafted by leaders in their fields with the ultimate goal of giving school based practitioners the tools they need to deliver the best mental health and social services possible to students families and communities This

sourcebook is an invaluable reference for all school based social workers psychologists counselors mental health professionals educators and administrators Visit the companion website for more information and to access additional book content URL

School Bullying David R. Dupper, 2013-02-14 School Bullying is unique in utilising a larger cultural context and international perspective that broadens the traditional conceptualisation of bullying and that promotes creative approaches to a seemingly intractable and complex problem In addition the book investigates several under the radar forms of bullying e g religious bullying bullying by teachers and other adults in schools as well as the unique challenges in assessing these largely unacknowledged forms of bullying in today s U S public schools

Encyclopedia of the Social and Cultural Foundations of Education Eugene F. Provenzo, Jr., 2008-10-29 More than any other field in education the social and cultural foundations of education reflect many of the conflicts tensions and forces in American society This is hardly surprising since the area focuses on issues such as race gender socioeconomic class the impact of technology on learning what it means to be educated and the role of teaching and learning in a societal context The Encyclopedia of the Social and Cultural Foundations of Education provides a comprehensive introduction to the social and cultural foundations of education With more than 400 entries the three volumes of this indispensable resource offer a thorough and interdisciplinary view of the field for all those interested in issues involving schools and society

Key Features Provides an interdisciplinary perspective from areas such as comparative education educational anthropology educational sociology the history of education and the philosophy of education Presents essays on major movements in the field including the Free School and Visual Instruction movements Includes more than 130 biographical entries on important men and women in education Offers interpretations of legal material including Brown v Board of Education 1954 and the GI Bill of Rights Explores theoretical debates fundamental to the field such as religion in the public school curriculum rights of students and teachers surveillance in schools tracking and detracking and many more Contains a visual history of American education with nearly 350 images and an accompanying narrative

Key Themes Arts Media and Technology Curriculum Economic Issues Equality and Social Stratification Evaluation Testing and Research Methods History of Education Law and Public Policy Literacy Multiculturalism and Special Populations Organizations Schools and Institutions Religion and Social Values School Governance Sexuality and Gender Teachers Theories Models and Philosophical Perspectives A Visual History of American Education
