

# SEXUAL WISDOM

— A GUIDE —  
FOR PARENTS,  
YOUNG ADULTS,  
EDUCATORS,  
AND PHYSICIANS

Richard Wetzel, M.D.

"The widespread reading—and heeding—of this book, by every conceivable element of the American population—students, teachers, clergy, parents, singles, divorcees, everyone in the 'helping professions,' and everyone else—would change the nature of our collapsing civilization. It is an incalculably valuable book."—Thomas Howard, author of *C.S. Lewis: Man of Letters*

*Catholic Sexual Morality* Robert L. Fastiggi,2018-01-04 Many people today believe that the traditional Catholic view of sex is antiquated unrealistic and potentially harmful In *Catholic Sexual Morality* Dr Robert Fastiggi asks whether the permissive sexual attitude of today's culture is really contributing to deeper love better relationships and true happiness for men women children and families He begins with the example of St Augustine who recognized he was a slave to lust and in need of true freedom Fastiggi then examines the foundations for Catholic sexual morality in Scripture reason and human experience The hope is that people will realize that the Catholic Church is not against sex but sees sexual intimacy as something so beautiful and life giving that it requires the stability of marriage for its true and rightful expression Catholic Sexual Morality is grounded in the belief that the church's teachings on sex correspond to God's plan for human happiness These teachings are challenging and the church understands how easy it is to fail in sexual matters God's mercy however is more powerful than human weakness and sin This book explains the reasons why the Catholic Church teaches as she does on matters such as pornography masturbation fornication adultery contraception divorce and homosexual acts It presents these teachings in a realistic way with full recognition of the reasons why people reject them The ultimate desire is to help people understand that Catholic sexual morality is not a creation of church leaders but a response to what God has made known to us in Sacred Scripture and the natural law In a world filled with infidelity divorce wounded children and broken hearts the wisdom of traditional Catholic sexual morality deserves a more sympathetic view not just because it is Catholic but because it is true
