DEVASTATION POINT Paul R. Kirk, 2015-05-19 DEVASTATION POINT What would you do if you were stranded halfway around the world when it crumbled The world collapsed after the spread of the hyper aggressive H5N1 Avian plague and several airborne mutations By simply breathing the air billions upon billions around the world died in less than a few months time Soon after technology and infrastructure disintegrated Electricity is gone there are no cell phones Internet television or much else Humanity lies in waste disease and ruin Among the remaining survivors one very rare gene in the human DNA surfaced as resistant to the onslaught Stuck in the remote mining town of Mudgee Australia Airborne Special Forces Colonel Connor MacMillen survives the dark and dangerous times Motivated by family he intends to get home to Pittsburgh Pennsylvania or rather the Fayette Mountains south of Pittsburgh He has unfinished business to attend to there After four impossible years traveling in a post apocalyptic world Connor Mac lands in San Francisco and commences the last leg of his journey across the continental United States DEVASTATION POINT begins Connor Mac s exploits in the fifth year of the New Dark Ages as he encounters a strange and changed America turned upside down by the Cuckoo Flu Encountering new friends as well as making fierce enemies along the way his personal journey reveals a furious and confident fight for life But unbeknownst to Connor Mac his journey to get home is noticed by those still in power in America and they re looking for him It seems he is decidedly different than most men left standing While all living

men are infertile he is still able to reproduce And that changes everything DEVASTATION POINT takes a comprehensive look at how one man trained by America s best would respond to a world completely altered by the pandemic destruction To Connor Mac family connections are critical and returning home can be a prime motivator for one last and final mission DEVASTATION POINT stands head and shoulders over the pulp that permeates the post apocalyptic genre A full and complete first novel of over 250 000 words aficionados of the post apocalyptic genre will fully enjoy reading this This is an exploration of what it might take to smartly survive the apocalypse and still retain the higher elements of what it means to be human Sorry but there are no Zombies The Routledge Handbook of Disability and Sexuality Russell Shuttleworth,Linda Mona,2020-12-29 This handbook provides a much needed holistic overview of disability and sexuality research and scholarship With authors from a wide range of disciplines and representing a diversity of nationalities it provides a multi perspectival view that fully captures the diversity of issues and outlooks Organised into six parts the contributors explore long standing issues such as the psychological interpersonal social political and cultural barriers to sexual access that disabled people face and their struggle for sexual rights and participation The volume also engages issues that have been on the periphery of the discourse such as sexual accommodations and support aimed at facilitating disabled people s sexual well being the socio sexual tensions confronting disabled people with intersecting stigmatised identities such as LGBTBI or asexual and the sexual concerns of disabled people in the Global South It interrogates disability and sexuality from diverse perspectives from more traditional psychological and sociological models to various subversive and post theoretical perspectives and queer theory This handbook examines the cutting edge and sometimes ethically contentious concerns that have been repressed in the field With current international and comprehensive content this book is essential reading for students academics and researchers in the areas of disability gender and sexuality as well as applied disciplines such as healthcare practitioners counsellors psychology trainees and social workers Extremist Mindsets and Strategies S. Clara Kim,2021-06-11 Presenting an analysis of modern day extremism this book explores how any group of people or participants in a movement political ideological racial ethnonational religious or issue driven can adopt extremist mindsets if they believe their existence or interests are threatened Looking beyond fringe resistance groups already labeled as terrorists or subversives the author examines conventional organizations political parties religious groups corporations interest groups nation states police and the military that deploy extremist strategies to further their agendas Dynamics of mutual causation process between dominant and resistant extremist groups are explored including how resistant extremisms surface in response to oppressive and abusive measures advanced by the dominant groups to further their interests and maintain supremacy through systemic injustices as happens in slavery caste systems patriarchy colonialism autocracy exploitive capitalism and discrimination against minorities State, Power, Crime Roy Coleman,Joe Sim,Steve Tombs,David Whyte,2009-10-16 Following the outstanding introduction by the authors there are fifteen excellent original articles devoted

to an integrated theory of the relationship between the state and crime This work is on the cutting edge of critical criminology It is a must read William J Chambliss Professor of Sociology The George Washington University USA This book is a superb compilation of original papers by an impressive roster of authors While the articles cover a wide range of empirical issues from Northern Ireland and corporate crime to youth crime and heterosexual hegemony they all explore the implications strategies and mechanisms of state power There isn't a weak paper here all are extensively documented well written persuasive and scholarly in the very best sense Professor Laureen Snider Queens University Canada State Power Crime is a hugely important book for these times Bringing together some of the most original minds in criminology it offers a critical analysis of the state how it constructs crime responds to it and at times engages in the very same The book is essential reading for anyone interested in justice freedom and equality Paddy Rawlinson London School of Economics Featuring contributions by many of the leading scholars in the field this seminal text explores the key themes and debates on state power today in relation to crime and social order It critically evaluates a range of substantive areas of criminological concern including terrorism surveillance violence and the media State Power Crime provides historical overviews of key theories about state power assessment of the relationship between crime criminal justice and the state analysis of the development of law and order policy discussion of the impact of structural fissures such as gender race and sexuality an overview of current research and writing critical reflection on the future direction of research and analysis advice on further reading In 1978 with the publication of Hall et al's Policing the Crisis and Poulantzas's State Power Socialism the complexity of the state's interventions in maintaining a capitalist social order were laid bare for critical criminological analysis State Power Crime offers an up to date and comprehensive examination of the challenges posed by state power in relation to both criminal and social justice

Animal Homosexuality Aldo Poiani,2010-08-19 Homosexuality is an evolutionary paradox in search for a resolution not a medical condition in search for a cure Homosexual behavior is common among social animals and mainly expressed within the context of a bisexual sexual orientation Exclusive homosexuality is less common but not unique to humans Poiani and Dixson invite the reader to embark on a journey through the evolutionary biological psychological and sociological aspects of homosexuality seeking an understanding of both the proximate and evolutionary causes of homosexual behavior and orientation in humans other mammals and birds The authors also provide a synthesis of what we know about homosexuality into a biosocial model that links recent advances in reproductive skew theory and various selection mechanisms to produce a comprehensive framework that will be useful for anyone teaching or planning future research in this field

Demanding Sex: Critical Reflections on

the Regulation of Prostitution Marina Della Giusta, 2016-05-13 Interrogating supply demand from an inter and multi disciplinary perspective this collection broadens engagement beyond the routine analysis of the locus of violence in prostitution and the validity of the prostitute s consent A focus on the supply demand dynamic brings into play a range of other societal economic and psychological factors such as the social construction of sexuality the viability of alternative choices for prostitutes and clients and the impact of regulatory regimes on the provision of sexual services The factors which underlie each component of the supply demand dyad are also studied and an examination is made of their dynamic interrelation The collection emphasizes the importance of rendering policy makers alert to the evidence emerging from empirical studies conducted in different fields of enquiry in the hope of moving beyond polarity and politics at the local national and international level

Toxic Masculinity Esther De Dauw, Daniel J. Connell, 2020-08-25 Contributions by Daniel J Connell Esther De Dauw Craig Haslop Drew Murphy Richard Reynolds Janne Salminen Karen Sugrue and James C Taylor The superhero permeates popular culture from comic books to film and television to internet memes merchandise and street art *Toxic Masculinity Mapping the Monstrous in Our Heroes* asks what kind of men these heroes are and if they are worthy of the unbalanced amount of attention Contributors to the volume investigate how the super hero in popular culture conveys messages about heroism and masculinity considering the social implications of this narrative within a cultural re production of dominant hegemonic values and the possibility of subaltern ideas norms and values to be imagined within that re production Divided into three sections the volume takes an interdisciplinary approach positioning the impact of hypermasculinity on toxic masculinity and the vilification of other identities through such mediums as film TV and print comic book literature The first part *Understanding Super Men* analyzes hegemonic masculinity and the spectrum of hypermasculinity through comics television and film while the second part *The Monstrous Other* focuses on queer identity and femininity in these same mediums The final section *Strategies of Resistance* offers criticism and solutions to the existing lack of diversity through targeted studies on the performance of gender Ultimately the volume identifies the ways in which superhero narratives have promulgated and glorified toxic masculinity and offers alternative strategies to consider how characters can resist the hegemonic model and productively demonstrate new masculinities

Sexual Strategy Phoenix Introduction

In today's digital age, the availability of Sexual Strategy Phoenix books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sexual Strategy Phoenix books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sexual Strategy Phoenix books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sexual Strategy Phoenix versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sexual Strategy Phoenix books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sexual Strategy Phoenix books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sexual Strategy Phoenix books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sexual Strategy Phoenix books and manuals for download have transformed the way we access information. They provide a

cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sexual Strategy Phoenix books and manuals for download and embark on your journey of knowledge?
