**Laura Borchert**

## **Sexualities Identities Behaviors And Society:**

**Sexualities** Michael S. Kimmel, 2015 Featuring a variety of readings this interdisciplinary anthology addresses such key questions as How are sexualities socially constructed Why are sexualities more than just natural urges or drives and How are sexualities personal social and political **Sexualities Identities Behaviors and Society** Second Edition focuses on gender using multiple disciplines international populations and theories to explore sexualities Edited by Michael Kimmel and the Stony Brook Sexualities Research Group the readings including several written specifically for this volume will grab students attention Topics range from the motivations of X rated movie stars to vibrator use to gendered sexual fantasies The text considers same sex orientation people of color and global populations throughout **Sexualities** Michael S. Kimmel, Rebecca

Plante, Rebecca F. Plante, 2004 Featuring both first person narratives and more traditional research articles this anthology addresses such key questions as What is the social construct of sexualities How is it more than a simple product of natural urges or drives and How is the sexual personal social and political Central to the book is the incorporation of gender and sexual orientation as the axes around which sexual identity and activity revolve **Sexualities** Michael S. Kimmel, Rebecca

F. Plante, Rebecca Plante, 2004 This anthology of readings addresses the key questions in interdisciplinary sexualities studies What is the social construction of sexualities How do sexualities vary in US society and in others How is the sexual personal social and political **Sexualities in Context** Rebecca F. Plante, 2006 Sexualities in Context presents focused overviews and explorations of some of the most timely issues in the social construction of sex **George W. Bush and the War on**

**Women** Barbara Finlay, 2008-02-29 This book takes a devastating look at the actions and policies of the George W Bush administration in terms of their impact on women in the United States and abroad Surprisingly this is a largely ignored aspect of Bush s presidency even though his policies have in many ways reversed or inhibited women s progress over the past three decades While the media have focused on his opposition to abortion Bush s less publicized anti feminist agenda has in fact been much more extensive He has opposed women s interests in multiple ways from shutting down women s offices in the government to de funding programs that assist women from opposing global women s rights treaties to supporting anti feminist organizations Contrary to his public claims that W stands for Women his policies appointments and actions reveal a strongly patriarchal bent This book also includes a chapter on the negative effects on women of the wars in Afghanistan and Iraq **Sociology of Sexualities** Kathleen J. Fitzgerald, Kandice L. Grossman, 2024-09-04 Sociology of

Sexualities is an insightful exploration of sexuality through a sociological lens offering a comprehensive understanding of sexualities and gender identities The Third Edition brings to light the current societal challenges faced by LGBTQ and reproductive rights the influence of technology on sexuality and the impact of the COVID 19 pandemic on sexual behaviors

**Sexualities in Context** Rebecca Plante, 2014-11-13 Written in an accessible and clear manner Sexualities in Context presents focused overviews and explorations of some of the most timely issues in the social construction of sex This brief text

is the only book of its kind to address sexualities from a social perspective Plante's analysis of the context of sexuality sexual behaviors and identities is both intelligent and readable With contemporary topics such as hooking up sexual fantasies and bisexualities along with examples of how to apply critical thinking students are empowered to think outside their comfort zones and encouraged to explore the topic of sex in a new context Introduction to Sociology George Ritzer,2017-09-15 This Fourth Edition of George Ritzer's Introduction to Sociology shows students the relevance of sociology to their lives While providing a rock solid foundation Ritzer illuminates traditional sociological concepts and theories as well as some of the most compelling contemporary social phenomena globalization consumer culture the digital world and the McDonaldization of society With examples on every page from current events and contemporary research and stories about public sociologists who are engaging with the critical issues of today the text demonstrates the power of sociology to explain the world and the diversity of questions that sociologists seek to answer New to this Edition New Trending boxes focus on influential books written by sociologists that have become part of the public conversation about important issues Replacing Public Sociology boxes these boxes demonstrate the diversity of sociology's practitioners methods and subject matter and feature such authors as Michelle Alexander The New Jim Crow Elizabeth Armstrong and Laura Hamilton Paying for the Party Randol Contreras The Stick Up Kids Matthew Desmond Evicted Kimberly Hoang Dealing in Desire Arlie Hochschild Strangers in Their Own Land Eric Klinenberg Going Solo C J Pascoe Dude You're a Fag Lori Peek and Alice Fothergill Children of Katrina Allison Pugh The Tumbleweed Society Updated examples in the text and Digital Living boxes keep pace with changes in digital technology and online practices including Uber bitcoin net neutrality digital privacy WikiLeaks and cyberactivism New or updated subjects apply sociological thinking to the latest issues including the 2016 U S election Brexit the global growth of ISIS climate change President Trump's proposed Mexican border wall further segmentation of wealthy Americans in the super rich transgender people in the U S armed forces charter schools the legalization of marijuana the Flint water crisis fourth wave feminism *Essentials of Sociology* George Ritzer,2016-01-12 Join the conversation with one of sociology's best known thinkers Essentials of Sociology Second Edition adapted from George Ritzer's Introduction to Sociology Third Edition provides the same rock solid foundation in a shorter and more streamlined format Like the original Ritzer text Essentials of Sociology illuminates traditional sociological concepts and theories and focuses on some of the most compelling contemporary social phenomena globalization consumer culture the Internet and the McDonaldization of society As technology flattens the globe students are challenged to apply a sociological perspective to their world and to see how public sociologists are engaging with the critical issues of today Investigating Social Problems A. Javier Trevino,2017-12-21 A Javier Trevi o working with a panel of experts thoroughly examines all aspects of social problems providing a contemporary and authoritative introduction to the field Each chapter is written by a specialist on that particular topic and the unique contributed format ensures that the research and examples provided are the most current and relevant

available The text is framed around three major themes intersectionality the interplay of race ethnicity class and gender the global scope of many problems and how researchers take an evidence based approach to studying problems **Culture, Society and Sexuality** Richard Parker, Peter Aggleton, 2007-01-24 Clearly structured and presented this new and revised edition brings together a broad and international selection of readings to provide insights into the social cultural political and economic dimensions of sexuality and relationships **The Homeschool Choice** Kate Henley Averett, 2021-05-04 Honorable Mention Sex Gender Section Distinguished Book Award given by the American Sociological Association The surprising reasons parents are opting out of the public school system and homeschooling their kids Homeschooling has skyrocketed in popularity in the United States in 2019 a record breaking 2.5 million children were being homeschooled In **The Homeschool Choice** Kate Henley Averett provides insight into this fascinating phenomenon exploring the perspectives of parents who have chosen to homeschool their children Drawing on in depth interviews Averett examines the reasons why these parents choose to homeschool from those who disagree with sex education and LGBT content in schools to others who want to protect their children's sexual and gender identities With eye opening detail she shows us how homeschooling is a trend being chosen by an increasingly diverse subset of American families at times in order to empower or constrain children's gender and sexuality Ultimately Averett explores how homeschooling as a growing practice has changed the roles that families schools and the state play in children's lives As teachers parents and policymakers debate the future of public education **The Homeschool Choice** sheds light on the ongoing struggle over school choice **Women's Lives** Claire A. Etaugh, Judith S. Bridges, 2017-10-16 This cutting edge and comprehensive fourth edition of **Women's Lives** A Psychological Perspective integrates the most current research and social issues to explore the psychological diversity of girls and women varying in age ethnicity social class nationality sexual orientation and ability Written in an engaging and accessible manner its use of vignettes quotes and numerous pedagogical tools effectively fosters students engagement active learning critical thinking and social activism New information covered includes neoliberal feminism standpoint theory mujerista psychology Chapter 1 LGBT individuals and individuals with disabilities in media Chapter 2 testosterone testing of female athletes precarious manhood Chapter 3 raising a gender non conforming child impact of social media on body image Chapter 4 gender differences in narcissism and Big Five personality traits women video game designers Chapter 5 asexuality transgender individuals sexual agency Viagra for women controversy Chapter 6 adoption of frozen embryos controversy Chapter 7 intensive mothering integrated motherhood living apart together same sex marriage Chapter 8 single sex schooling controversy Chapter 9 combat roles opened to U.S. women managerial derailment Chapter 10 work hours dilemmas of low wage workers Chapter 11 feminist health care model health care for transgender individuals Affordable Care Act Chapter 12 feminist critique of CDC guidelines on women and drinking Chapter 13 cyberharassment gendertrolling campus sexual assault Chapter 14 transnational feminism men and feminism Chapter 15 **Women's Lives** stands apart from other texts

on the psychology of women because it embeds within each topical chapter a lifespan approach and robust coverage of the impact of social cultural and economic factors in shaping women's lives around the world. It provides extensive information on women with disabilities, middle aged and older women and women in transnational contexts. Its up to date coverage reflects current scientific and social developments including over 2 200 new references. This edition also adds several new boxed features for student engagement. In The News boxes present current often controversial news items to get students thinking critically about real life applications of course topics. Get Involved boxes encourage students to actively participate in the research process. What You Can Do boxes give students applied activities to promote a more egalitarian society. Learn About the Research boxes expose students to a variety of research methods and highlight the importance of diversity in research samples by including studies of underrepresented groups.

**Sociologists in Action** Kathleen Odell

Korgen, 2013-03-14 Brings the subject matter of sociology to life for students. Linking theory and practice, this textbook explores how sociological knowledge is used in the community to fight for social change and justice.

*Corpus* M. Casper, P. Currah, 2011-06-20 *Corpus* begins with the argument that traditional disciplines are unable to fully apprehend the body and embodiment and that critical study of these topics urgently demands interdisciplinary approaches. The collection's 14 previously unpublished essays grapple with the place of bodies in a range of twenty-first century knowledge practices including trauma, surveillance, aging, fat, food, feminist technoscience, death, disability, biopolitics, and race among others. The book's projected audience includes teachers and scholars of bodies and embodiment, interdisciplinary scholars and practitioners, and scholars interested in any of the substantive content covered in the book. The collection could be adopted in courses on the body at advanced undergraduate and graduate levels including cultural studies, queer gender and sexuality studies, body and power, biopolitics, intersectional approaches to the body, anthropology of the body, sociology of the body, embodiment and space, digital bodies, anthropology of knowledge production, health, illness, and medicine studies, science knowledge and technology studies, and philosophy and social theory.

*Men and Sex* Philip Graham, 2017-07-20 *Men and Sex* provides a comprehensive yet accessible account of male sexuality by using the theoretical concept of the sexual script to illuminate different aspects of men's sexual behaviour. Graham begins by discussing different theories of sexuality before providing a more detailed description of sexual script theory. This proposes how male sexual behaviour can be explained as a result of cultural influences modified by individual experience and personality as well as by interaction with others. Individual chapters detail the development of sexual scripts in childhood and adolescence, masturbation, cultural influences on sexuality, heterosexual behaviour, variations and problems in sexual functioning, homosexual behaviour, transsexualism, procreative sex, coercive sexual behaviour, the impact of physical and mental health problems on sexuality, and sexuality and pornography. The concluding chapter looks at the future of male sexuality. The book makes a valuable contribution to the burgeoning literature on masculinity studies.

**Mobility, Sexuality and AIDS** Felicity Thomas, Mary Haour-Knipe, Peter Aggleton, 2009-10-16

Mobility Sexuality and AIDS recognises the complex relationships between individual circumstances different forms of migration and the different ways in which communities and states respond It will be invaluable for students and academics of migration development studies anthropology sociology geography and public health      *Body and Gender* Roberta Sassatelli, Rossella Ghigi, 2023-12-11 Even though we often think of bodies as natural and given or else as freely plastic objects bodies are both constructed and fundamental to our sense of self This book investigates the body as an essential vector of inequality shaped by institutions interaction and culture and how in turn it contributes to partly modify them Sassatelli and Ghigi show how the process of embodiment is at the same time naturalized and contested particularly evident in the case of gender Drawing on classical sociological research about modernity and contemporary studies that emphasize intersectionality the book looks at how the gendered body has been conceptualized with special attention to body politics the power of appearance and the representation of embodied identity It also considers the interplay between body sex and sexuality and the way gendered bodies intersect with other dimensions of social inequality such as race age class and disability This exploration of the rich field of sociological inquiry into the gendered body will be an invaluable read for all seeking to understand gender sexuality and embodiment in contemporary society      *Social Inequality* Charles E. Hurst, Heather M. Fitz Gibbon, Anne M. Nurse, 2016-08-05 Like past editions this ninth edition of *Social Inequality Forms Causes and Consequences* is a user friendly introduction to the study of social inequality This book conveys the pervasiveness and extensiveness of social inequality in the United States within a comparative context to show how inequality occurs how it affects all of us and what is being done about it This edition benefits from a variety of changes that have significantly strengthened the text The authors pay increased attention to disability transgender issues intersectionality experiences of Muslims Hispanic populations and immigration The 9th edition also includes content on the fall out from the recession across various groups The sections on global inequalities have been greatly updated emphasizing comparative inequalities and the impact of the process of globalization on inequality internationally The authors have also added material on several current social movements including Occupy Wall Street Black Lives Matter and Marriage Equality      *Suspect Subjects* Laura Borchert, 2025-02-27 Despite formal equality gains such as LGBTQ workplace protections *Bostock v Clayton County* 2020 heteronormative cultural orders still permeate queer rights discourse Laura Borchert engages with the cultural legal construction of sexual minorities in the US and deconstructs naturalized assumptions about the Queer in US law and culture by conducting interdisciplinary wide readings of legal texts She makes a strong case for utilizing suspect classification to secure queer rights and offers the first distinctively cultural studies perspective on equal protection and sexual orientation by using a queer hermeneutics of law

## Unveiling the Magic of Words: A Review of "**Sexualities Identities Behaviors And Society**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance.
