**More than a Monologue: Sexual Diversity and the Catholic Church** J. Patrick Hornbeck II, Michael A. Norko, 2014-03-03 This volume like its companion *Voices of Our Times* collects essays drawn from a series of public conferences held in autumn 2011 entitled *More than a Monologue* The series was the fruit of collaboration among four institutions of higher learning two Catholic universities and two nondenominational divinity schools The conferences aimed to raise awareness of and advance informed compassionate and dialogical conversation about issues of sexual diversity within the Catholic community as well as in the broader civic worlds that the Catholic Church and Catholic people inhabit They generated fresh rich sets of scholarly and reflective contributions

that promise to take forward the delicate work of theological ethical and ecclesial development Along with Voices of Our Times this volume captures insights from the conferences and aims to foster what the Jesuit Superior General Fr Adolfo Nicolas has called the depth of thought and imagination needed to engage effectively with complex realities especially in areas marked by brokenness pain and the need for healing The volumes will serve as vital resources for understanding and addressing better the too often fraught relations between LGBTQ lesbian gay bisexual transgender and queer persons their loved ones and allies and the Catholic community Inquiry Thought and Expression explores dimensions of ministry ethics theology and law related to a range of LGBTQ concerns including Catholic teaching its reception among the faithful and the Roman Catholic Church s significant role in world societies Within the volume a series of essays on ministry explores various perspectives not frequently heard within the church Marriage equality and the treatment of LGBTQ individuals by and within the Roman Catholic Church are considered from the vantage points of law ethics and theology Themes of language and discourse are explored in analyses of the place of sexual diversity in church history thought and authority The two volumes of More than a Monologue like the conferences from which they developed actively move beyond the monologic voice of the institutional church on the subject of LGBTQ issues inviting and promoting open conversations about sexual diversity and the church Those who read Inquiry Thought and Expression will encounter not just an excellent resource for research and teaching in the area of moral theology but also an opportunity to actively listen to and engage in groundbreaking discussions about faith and sexuality within and outside the Catholic Church

**Sexuality Education for Students with Disabilities**  
Thomas C. Gibbon, Elizabeth A. Harkins Monaco, David F. Bateman, 2021-07-02 People with disabilities have traditionally been denied access to sexuality education or the free expression of sexuality Through a disability studies lens this book considers the historical legal and ethical implications of sexuality education for people with disabilities Editors Gibbon Monaco and Bateman and their contributors discuss the roles of family culture entertainment education and social media as they relate to sexuality education and explore contextual concepts such as intersectionality the range of disabling conditions and the connections between adolescent development and disability The text concludes with recommendations to support people with disabilities in the transition to adulthood The editors advocate for public policy improvements and a call to action for students teachers and families

**Preventing Sexual Violence on Campus** Sara Carrigan Wooten, Roland W. Mitchell, 2016-12-01 Amid the ongoing national conversation regarding campus sexual assault this book thoughtfully explores existing programmatic interventions while wrestling with fundamental questions regarding the cultural shifts in our nation s higher education institutions Stressing the critical importance of student inclusion in policy decisions and procedures scholars and experts provide complex and nuanced analyses of institutional practices while exploring themes of race sexuality and sexual freedom This volume addresses many of the unanswered questions in the present dialogue on campus sexual violence including What s working and not working How can outcomes be assessed or measured What resources are

needed to ensure success This volume provides a truly fresh contribution for higher education and student affairs practitioners seeking to alter design or implement effective sexual assault prevention resources at their universities and colleges **International Handbook of Education for Spirituality, Care and Wellbeing** Marian de Souza, LESLIE J. FRANCIS, James O'Higgins-Norman, Daniel G. Scott, 2009-10-13 Acknowledging and understanding spiritual formation is vital in contemporary education This book explores the dynamic relationship between education and wellbeing It examines the theory underpinning the practice of education in different societies where spirituality and care are believed to be at the heart of all educational experiences The book recognizes that regardless of the context or type of educational experience education is a caring activity in which the development of the whole person body mind and spirit is a central aim for teachers and educators in both formal and informal learning The chapters in this handbook present and discuss topics that focus on spirituality as an integral part of human experience and consequently essential to educational programs which aim to address personal and communal identity foster resilience empathy and compassion and promote meaning and connectedness

**Policy and Gay, Lesbian, Bisexual, Transgender and Intersex Students** Tiffany Jones, 2014-10-21 This book addresses policy research on homophobic and transphobic bullying in schools It covers quantitative and qualitative research into policy impacts for gay lesbian bisexual transgender and intersex students It draws on a large scale Australian study of the impacts of different kinds of policy at the national state sector and school level The study covers over 80 policies interviews with key policy informants and survey data from 3 134 GLBTIQ students Since new guidelines were released by UNESCO homophobic and transphobic bullying in schools has become a key area of interest around the world There has been much pressure on educational leadership to engage with these issues since the UN released international human rights legislation on sexual orientation and gender identity that have implications for student rights The book presents statistically significant correlations between specific types of state and school level education policies that explicitly named homophobia GLBTIQ student issues and lowered incidence of homophobic bullying lowered risk of suicide and self harm for these students It includes stories from policy makers on how the policies came to be through lawsuits ministerial inquiries and political activism right through to the stories of students themselves and how they individually felt the impacts of policies or policy lacks International contexts of homophobic and transphobic bullying are discussed as well as recent transnational work in this field The book considers the different types of collaborations that can lead to further policy development the transferability of the research and some of the benefits and problems with transnational policy adoptions **Teaching**

**Women's Studies in Conservative Contexts** Cantice Greene, 2016-01-13 Women's Studies is a field that inspires strong reactions both positive and negative inside and outside of the classroom The field partly due to its activist origins is often associated with liberal ideology and is therefore chided by students and others who identify as conservative The goal of this book is to introduce conservative perspectives into the issues of gender sexuality race and power that are topics of teaching

and discussion in women's studies courses The book also aims to provide examples of pathways by which conservative students and scholars can engage the field of women's studies not as opponents but as contributors Contributors including administrators activists scholar teachers artists and ministers come together in this collection to engage in writing and response and to add their approaches to teaching and administering women's studies on their campuses

**Religion, Gender, and the Public Sphere** Niamh Reilly, Stacey Sriver, 2013-11-26 The re emergence of religion as a significant cultural social and political force is not gender neutral Tensions between claims for women's equality and the rights of sexual minorities on one side and the claims of religions on the other side are well documented across all major religions and regions It is also well recognized in feminist scholarship that gender identities and ethno religious identities work together in complex ways that are often exploited by dominant groups Hence a more comprehensive understanding of the changing role and influence of religion in the public sphere more widely requires complex multidisciplinary and comparative gender analyses Most recent discussion on these matters however especially in Europe has focused primarily on the perceived subordinate status of Muslim women These debates are a reminder of the deep interrelation of questions of gender identity human rights and religious freedom more generally The relatively narrow albeit important purview of such discussions so far however underscores the need to extend the horizon of enquiry vis vis religion gender and the public sphere beyond the binary of Islam versus the West Religion Gender and the Public Sphere moves gender from the periphery to the centre of contemporary debates about the role of religion in public and political life It offers a timely multidisciplinary collection of gender focused essays that address an array of challenges arising from the changing role and influence of religious organisations identities actors and values in the public sphere in contemporary multicultural and democratic societies

Catholic Schools in the Public Interest Patricia A. Bauch, 2014-03-01 This book is a study of the contributions of Catholic K 12 schools in the United States to the public interest from the 1800 s to the present It presents seven strategies that have the possibility of leading Catholic schools in positive new directions Outsiders often misunderstand the mission purpose and inclusivity of Catholic schools This book brings a new focus on Catholic schools from the perspective of their service to this country through the education of Catholics and non Catholics In 16 chapters a variety of scholars examine these schools across three periods echoes of the past realities of the present and future directions The intention of the editor and authors of this volume is that Catholic schools and those interested in conducting Catholic school research will find guidance especially in examining newer types of partnerships flourishing in different types of Catholic schools in different regions of the country and types of schools from rural suburban to city and inner city schools By increasing the data we have such studies could help stem the tide of Catholic school demise In addition Catholic school leaders and parents who chose them or are thinking about choosing them will find here a balanced description of what constitutes a Catholic school and how they are different from public schools In understanding better the role and function of Catholic schools in serving the public interest new ideas innovations and improvements can help these schools survive and grow

**Sexual Orientation, Gender Identity and International Human Rights Law** Kerry O'Halloran, 2019-10-22 This book identifies analyses and discusses the nexus of legal issues that have emerged in recent years around sexuality and gender It audits these against specific human rights requirements and evaluates the outcomes as evidenced in the legislation and caselaw of six leading common law jurisdictions Beginning with a snapshot of the legal definitions and sanctions associated with the traditional marital family unit the book

examines the subsequently evolving key concepts and constructs before outlining the contemporary international framework of human rights as it relates to matters of sexuality and gender. It proceeds by identifying a set of themes including the rights to identity to form a family to privacy to equality and to non discrimination and undertakes a comparative evaluation of how these and other themes indicate areas of commonality and difference in the approaches adopted in those common law jurisdictions as illustrated by the associated legislation and caselaw. It then considers why this should be and assesses the implications.

*International Perspectives on Youth Conflict and Development* Colette Daiute, Zeynep F. Beykont, Craig Higson-Smith, Larry Nucci, 2006-03-30. The volume aims to shift the foundation of youth conflict study from the more typical focus on maturation behavior and personality to a characterization of youth as participants in society. It also expands the analysis of youth development to include societal problems such as political instability, unequal access to material resources, racism and social injustice. Offering new insights about the interdependent spheres of conflict involving young people, this groundbreaking international compilation describes processes of a violent world rather than of violent youth.

*Advising Lesbian, Gay, Bisexual, Transgender, and Queer College Students* Craig M. McGill, Jennifer Joslin, 2023-07-03. Co-published with NACADA. Changes on college and university campuses have echoed changes in U.S. popular culture, politics and religion since the 1970s through unprecedented visibility of LGBTQA persons and issues. In the face of hostile campus cultures, LGBTQA students rely on knowledgeable academic advisors for support, nurturance and the resources needed to support their persistence. This edited collection offers theoretical understanding of the literature of the field, practical strategies that can be implemented at different institutions and best practices that help students, staff and faculty members understand more deeply the challenges and rewards of working constructively with LGBTQA students. In addition, allies in the field of academic advising, both straight cis identified and queer, reflect on becoming an ally, describe obstacles and challenges they have experienced and offer advice to those seeking to deepen their commitment to ally hood.
