## **Sexuality And The Sacred Sources For Theological Reflection:**

**Sexuality and the Sacred** James B. Nelson, Sandra P. Longfellow, 1994-01-01 This volume is rooted in two convictions first sexuality is far more comprehensive and more fundamental to our existence than simply genital sex and second sexuality is intended by God to be neither incidental nor detrimental to our spirituality but a fully integrated and basic dimension of that spirituality The authors address what our sexual experience reveals about God the ways we understand the gospel and the ways we read scripture and tradition and attempt to live faithfully Sexuality and the Sacred, Second Edition Marvin M. Ellison, Kelly Brown Douglas, 2010-09-21 Christian discourse on sexuality spirituality and ethics has continued to evolve since this book's first edition was published in 1994 This updated and expanded anthology featuring more than thirty contemporary essays includes more theologians and ethicists of color and addresses issues such as the intersection of race racism and sexuality transgender identity same sex marriage and reproductive health and justice

**Sexuality and the Sacred** James B. Nelson, Sandra P. Longfellow, 1994 Nelson and Longfellow have selected writings from those working in the field of sexuality and religion to compile this resource for those teaching or studying the subject Categories include sexuality and spirituality gender and orientation women's experiences men's experiences singleness marriage HIV AIDS pornography and celibacy Sexuality and Holy Longing: Second Edition Lisa Graham McMinn, 2019-03-05 In this newly revised edition of *Sexuality and Holy Longing* author Lisa Graham McMinn beautifully describes how people are created by God for relationship and our sexuality guarantees that we will long for and be drawn toward others McMinn provides a blueprint for understanding sexuality and our longing to be loved at all stages of life childhood teen years early adulthood midlife and old age In the context of faith and a changing culture she explores sexual awakenings in adolescence choices opportunities and challenges of single people and mysteries of committed covenantal relationships She addresses tough topics including reproductive issues sexuality for those who are single divorced widowed or never married and in this new edition LGBT issues and same sex marriage The author details practical solutions for ways that parents educators and churches can nurture others and ourselves in the quest to understand sexuality as a longing that draws us toward God and others and to embrace it as a God-given gift Thought provoking study questions at the end of each chapter inspire readers to reflection and action in reclaiming our sexuality through grace **Sexuality and the Black Church** Douglas, Kelly Brown, 2018-09-26

**Reenvisioning Sexual Ethics** Karen Peterson-Iyer, 2022-04-01 In *Reenvisioning Sexual Ethics* Karen Peterson Iyer applies a feminist Christian framework to practical sexual issues facing young adults today from sexting and hook up culture to sex work and sex trafficking This feminist justice based approach to sexual ethics will facilitate meaningful discussion about sexual agency and flourishing **SCM Core Text Theology and Sexuality** Susannah Cornwall, 2013-02-18 The *SCM Core Text Theology and Sexuality* provides a clear overview of the theological debate surrounding sexuality as broadly understood It gives an outline of the major themes surrounding sexuality in theological perspective focusing on key thinkers

concepts and areas of discussion This student friendly textbook is aimed at theology students and ordinands studying at undergraduate level 3 and MA level who are undertaking modules on theology and sexuality gender sex and the human body It is also accessible to Christian clergy and laypeople who wish to engage with issues of sexuality in congregations The use of extensive glossaries breakout definitions and examples makes the book accessible to those with little existing knowledge of contemporary debates on theology and sexuality The book includes chapters on definitions of sexuality sexuality in the Christian tradition Christian approaches to marriage celibacy and virginity and same sex relationships

**Sex, Love, and Marriage in the 21st Century** Robert T. Francoeur, Martha Cornog, Timothy Perper, 1999 Love sex and marriage are changing faster than ever before in human history The current tidal wave of social changes will continue into the next century and we will have to adapt our sexual values and relationships to these accelerating changes These 22 honest authentic stories tell of the unconventional paths pioneering church leaders and spiritually aware women and men have taken in their quest to link their sexuality with their spiritual needs Some might see in these unorthodox explorations only tales of promiscuous couplings But these are not stories of wild thrill seekers These are tales told from the core of their being about their deeply felt need for genuine responsible love and intimacy within a spiritual context Their journeys do not promise paradise or instant happiness as popular magazines do with recipes for lifelong marital bliss and fiery passion These sojourners have much to teach us even when we decide that this or that path is not for us Their individual paths are not nearly as important as the simple message of God and Eros being inseparable that underlies journey God and Eros can come together in many different relationships And they must come together if we want to nourish and fulfill the divine spark at the core of our being These women and men challenge our assumptions and our willingness to adapt to our radically changing world

God vs. Gay? Jay Michaelson, 2011-10-25 A passionate argument for LGBTQ equality within religious communities a book for our times and a book for the ages EDGE The myth that the Bible forbids homosexuality the myth of God versus Gay is behind some of the most divisive and painful conflicts of our day In this provocative and game changing book scholar and activist Jay Michaelson shows that the Bible does not prohibit same sex intimacy but does quite the opposite In fact the vast majority of the Bible s teachings support the full equality and dignity of LGBTQ people from the first flaw it finds in creation It is not good for a person to be alone to the way religious communities grow through reflection and conscience Michaelson argues passionately for equality not despite religion but because of it With close readings of the Hebrew Bible and New Testament the latest data on the science of sexual orientation and a sympathetic accessible and ecumenical approach to religious faith Michaelson makes the case that sexual diversity is part of the beauty of nature The recognition of same sex families will strengthen not threaten the values religious people hold dear Whatever your views on religion and sexual diversity God vs Gay is a plea for a more compassionate informed conversation and a first step toward creating one
