Obadiah ben Jacob Sforno, Raphael Pelcovitz, 1997 This classic commentary a model of brevity and profundity has never been made so clear in any language Rabbi Ovadiah Sforno was a 16th century Italian rabbi and physician whose comments and insights are as relevant today as they were in his day This volume includes the entire Chumash text and translation as well as the most accurate version of Sforno Translated and annotated by Rabbi Raphael Pelcovitz Complete in one volume Now with full Chumash text and translation

Obadiah ben Jacob Sforno, 2023 *The Matriarchs of Genesis* David J. Zucker, Moshe Reiss, 2015-08-27 Sarah Hagar Rebekah Leah Rachel Bilhah Zilpah These are the Matriarchs of Genesis A people's self understanding is fashioned on their heroes and heroines Sarah Rebekah Leah and Rachel the traditional four Matriarchs are important and powerful people in the book of Genesis Each woman plays her part in her generation She interacts with and advises her husband seeking to achieve both present and future successes for her family These women act decisively at crucial points through their actions and words their family dynamics change irrevocably Unlike their husbands we know little of their unspoken thoughts or actions What the text in Genesis does share shows that these women are perceptive and judicious often seeing the grand scheme with clarity While their stories are told in Genesis in the post biblical world of the Pseudepigrapha their stories are retold in new ways The rabbis also speak of these women and contemporary scholars and feminists continue to explore the Matriarchs in Genesis and later literature Using extensive quotations we present these women through five lenses the Bible Early Extra Biblical Literature Rabbinic Literature Contemporary Scholarship and Feminist Thought In addition we consider Hagar Abraham's second wife and the mother of Ishmael as well as Bilhah and Zilpah Jacob's third and fourth wives

Commentary on the Torah Obadiah ben Jacob Sforno, 1987 *Sforno* Raphael Pelcovitz, 1989-05-01 **A Targumist Interprets the Torah: Contradictions and Coherence in Targum Pseudo-Jonathan** Iosif J Zhakevich, 2022-01-17 This book conducts a focused study of contradictions and coherence in Targum Pseudo Jonathan The first section of this study examines the apparent disruption of congruity with regard to the vertical dimension of the Targum that is between the Torah the Hebrew Vorlage and the Targum the Aramaic translation The second section addresses the apparent disruption of congruity with regard to the horizontal dimension of the Targum that is within the boundaries of the TgPsJ corpus Ultimately this work suggests that the contradictions are given to resolution once the greater context of biblical and Jewish tradition is taken into consideration **Be'ur 'al ha-Torah le-Rabi Ovadyah Sforno**, 1987 Infertility in the Bible Jessie Fischbein, 2005 To help others find their way the author focuses on Divine Intervention The key to understanding yourself and your place in God's plan How to work on yourself and perhaps alter your fate Prayer Why it sometimes works and sometimes does not work and how to remold its force within you Leah and Rachel How their sibling rivalry impacted on their ability to have children and why focusing your emotions is a hidden tool for change Hannah How the prayers and actions of

the mother of Samuel helped her conceive

**Theological Exegesis** Brevard S. Broyde, Yehonatan Elazar-De Mota, 2025 Jewish Law and International Law offers a timely exploration of the intricate relationship between Jewish law or halakhah and international legal systems In an era marked by rising antisemitism and increasing tensions between the Israel and the international community the book offers a deeper understanding of Jewish law's contributions to the broader legal landscape Offering relevant analysis and a forward looking approach Jewish Law and International Law illuminates the significant jurisprudential and methodological parallels between the two systems Its eight chapters weave together the connections between Jewish law and international law from the foundational concepts and histories of both legal systems to their shared values and transnational nature The book delves into how Jewish law incorporates local and international legal principles in areas such as war humanitarian law copyright law and governance Envisioning a future where Jewish law and international law work in concert rather than conflict the book offers a more nuanced perspective on both systems and looks toward promoting global justice

**Targum Americana The Bible Understood - Shemot / Exodus** Irwin Tyler, 2016-06-24 The fact that there are so many translations and commentaries of the Bible tells us that each is somehow lacking something Most translators did not grow up with Biblical Hebrew as a living language the Torah was meant to be chanted and reading continuity is interrupted by footnotes and margin notes This work overcomes these problems for English speakers in the way the 2 000 year old Targum did for that day's Aramaic speakers

**Journal for the Study of the Old Testament**, 1992

**Targum Americana The Bible Understood - Leviticus / VaYikra** Irwin Tyler, 2019-05-21 Don't we have more than enough translations of the Holy Bible Unfortunately most translations have three flaws 1 Translators who did not grow up with Biblical Hebrew the Holy Language as a living language find it difficult to appreciate its nuances and poetry This often results in translation errors lost subtleties in meaning and apparently conflicting ideas among different translations 2 By using footnotes and margin comments modern translators seek to overcome these difficulties but this makes the reading labored since reading is constantly interrupted 3 The Torah was meant to be chanted with the tunes adding meaning and emphasis to the listener's understanding Chants are hard to translate into words Aramaic Targum translations of 2000 years ago were successful in overcoming these limitations This Targum Americana combines traditional translation and commentary with some sense of the beauty in English of the original Holy Tongue
